Noel Tidings Pop-Up Window Christmas Card

Link to the Original Project Blog Post:
https://wp.me/p5snyt-KIB

Card Stock Cuts for this Project:

Mossy Meadow Cardstock: 5 1/2" x 8 1/2" (card base - scored and folded at 4 1/4")

Basic Beige Cardstock: 4 1/8" x 5 3/8" (card front and inner liner)

Instructions for this Project:

1. Set the largest dot-dash edge ***Tile Garden*** die and the next-to-largest crimped edge Tile Garden die - in place on one of the 4 1/8" x 5 3/8" panel of Basic Beige cardstock.
2. Using the dies as a guide, stamp the ***Noel Tidings*** sentiment in Cherry Cobbler ink.
3. Use a couple of the pine bough stamps to stamp around the panel in Mossy Meadow and Old Olive ink.
4. Stamp the little pinecone here and there in Pecan Pie ink.
5. On the second 4 1/8" x 5 3/8" piece of Basic Beige cardstock stamp a second ***Noel Tidings*** sentiment in Cherry Cobbler ink. Note - it's placed a little lower on the panel than usual to accommodate the window panel.
6. Stamp a few more pine boughs and cones around the bottom of the panel.
7. Using Liquid Glue around the edges only, adhere the front panel to the front of the Mossy Meadow card base.
8. Place the largest dot-dash Tile Garden die in place - about 3/4" from the top of the panel - and run it thru the Stampin' Cut and Emboss Machine. Note: you might need a couple of passes to get all the way thru the two layers of cardstock.
9. Carefully separate the two pieces and then place the next-to-largest crimped edge ***Tile Garden*** die in place on the Basic Beige square and cut out that square.
10. Use Liquid Glue to adhere the sentiment sqaure to the Mossy Meadow die cut square.
11. Use Liquid Glue to adhere the inner liner in place inside the card. Note: it's important that you get the liner in BEFORE you add the pop-up mechanism!

12. Score the 3/4" x 3" piece of Basic Beige cardstock at 3/4", 1 1/2" and 2 1/4".
13. Fold all the score lines in the same direction - ending up with a square.
14. Use Liquid Glue to adhere the mechanism in place on the back panel of the card.

15. Close the card and, using Liquid Glue on the exposed full square of the mechanism - adhere the sentiment square to the mechanism, back in the hole you cut out at the start. Note: Check the video to see how to do this. It's not hard to DO but...it's not so easy to WRITE!! Doing this part starts at about the 23 minute mark.
16. Add three Old Olive Dewdrops Embellishments.
17. Stamp the Noel Tidings pine boughs and cones on the front of the Basic White Medium Envelope.
18. Stamp a few more on the envelope flap.

19. DONE!
