

3D EMBOSSING FOLDER PLATE

To Create Your Embossing Sandwich:

1. Use a die-cutting & embossing machine platform as a base; no matter which machine you're using, use the standard platform that comes with your machine.
2. Use the 3D Embossing Folder with your paper in the middle.
3. Then use the 3D Embossing Folder Plate on top.

ITEM NUMBER	DESCRIPTION	PRICE
149658	3D EMBOSSING FOLDER PLATE	\$10.00
