Card Stock Cuts for this Project:

Evening Evergreen Cardstock: 5 1/2" x 8 1/2" (card base, scored and folded at 4 1/4" and then as shown in the template above); Eden Dies die cut leaves (need 2)

Soft Succulent Cardstock: Eden Dies die cut "banner"

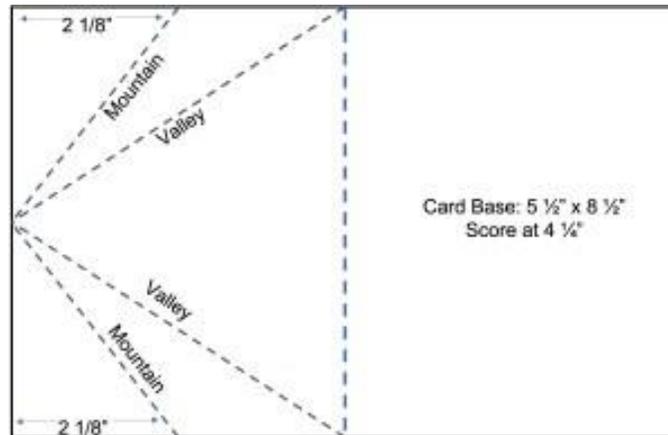

Gold & Rose Gold 6 x 6" Specialty Metallic Paper (in gold): 2 1/2" scalloped Layering Circles Die cut (mat behind sentiment); Eden Dies die cut frame - trimmed into 4 sprigs

Basic White Cardstock: 2 3/8" smooth-sided Layering Circles Die cut (sentiment); 4" x 5 1/4" (cut as in template for inner liner)

Ever Eden Specialty DSP: 4" x 5 1/4" (cut as shown in template for card front and inner liner triangles); 3" x 6" (envelope flap)

Instructions for this Project:

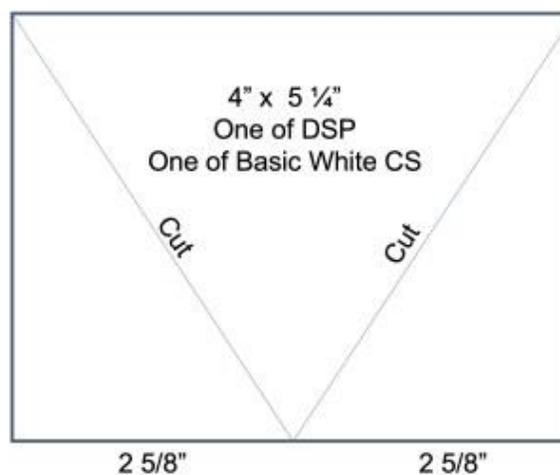

1. Use the scoring blade on the Paper Trimmer to score and fold the 5 1/2" x 8 1/2" piece of Evening Evergreen cardstock according to the template below.

2. Use Liquid Glue to adhere the parts together. The next picture shows how the folds look from the inside.

3. Cut the 4" x 5 1/4" piece of the *Ever Eden Specialty DSP* and the 4" x 5 1/4" piece of Basic White into triangles as shown below.

4. Use *Liquid Glue* to adhere the large *Ever Eden Specialty DSP* triangle to the large triangle on the front of the card. Note: It isn't a perfect fit - ensure that the top and sides were good and square. The point will be covered by the sentiment.
5. Use *Liquid Glue* to adhere the two small DSP triangles to the inside of the card.
6. Ink the large floral image from the *Eden's Garden* stamp set in *Soft Succulent*.
7. Stamped it off once on scrap paper and then stamp it in the middle of the large *Basic White* triangle (be sure to have the triangle in the correct orientation - it will only fit in the space one way).
8. Stamp the sentiment from *Eden's Garden* in *Evening Evergreen*.

9. Use *Liquid Glue* to adhere the triangle in place on the inside of the card.
10. Stamp the *Eden's Garden* sentiment in *Evening Evergreen* on a piece of *Basic White*.
11. Stamp the small leaf image over the top of the sentiment in stamped-off-once *Soft Succulent*.
12. Use the 2 3/8" diameter smooth-sided *Layering Circles Die* to cut the sentiment.

13. Use the 2 ½" scalloped-edge Layering Circles die to cut a Gold Metallic Specialty Paper circle.
14. Use Liquid Glue to mat the sentiment to the gold circle.
15. Use the long, banner shaped die in the **Eden Die** set to cut a Soft Succulent shape.
16. Use Liquid Glue to adhere the shape to the front of the card.
17. Use the smaller frame die to cut a frame from a piece of Gold Metallic Specialty Paper.
18. Use Paper Snips to cut four little "sprigs".
19. Use the small leaf die in the set to cut two Evening Evergreen leaves.
20. Use Liquid Glue to adhere the sprigs and leaves onto the Soft Succulent die cut "banner".
21. Use Liquid Glue to adhere the matted sentiment over the top.
22. Add some Soft Succulent gems from the **Garden Gems** pack (also coming on 2 Nov with the Suite) to the card front - and to the inside by the sentiment.
23. Stamp the front of a Basic White Medium Envelope with the **Eden's Garden** leaf image in Soft Succulent.
24. Use Liquid Glue to run a thin line around the edges of the envelope flap. Lay the 3" x 6" piece of **Ever Eden Specialty DSP** over the flap and rub it lightly to ensure it's stuck down.
25. Use your Paper Snips to cut off the excess paper.
