[Card Stock Cuts for this Project:](#)

**Evening Evergreen Cardstock:** 4 1/4" x 11" (card base, scored and folded at 5 1/2" and 6 3/4")

**Soft Succulent Cardstock:** 1" x 4" (mat for narrow side-fold panel on front); 4" x 4" (mat for card front); Heart Punch Pack cutout (mat for sentiment); 8" x 8" (corner pop-up insert, scored, folded and cut as shown in the template above.)

**Ever Eden Cotton Specialty Paper:** Eden Die cut behind the sentiment

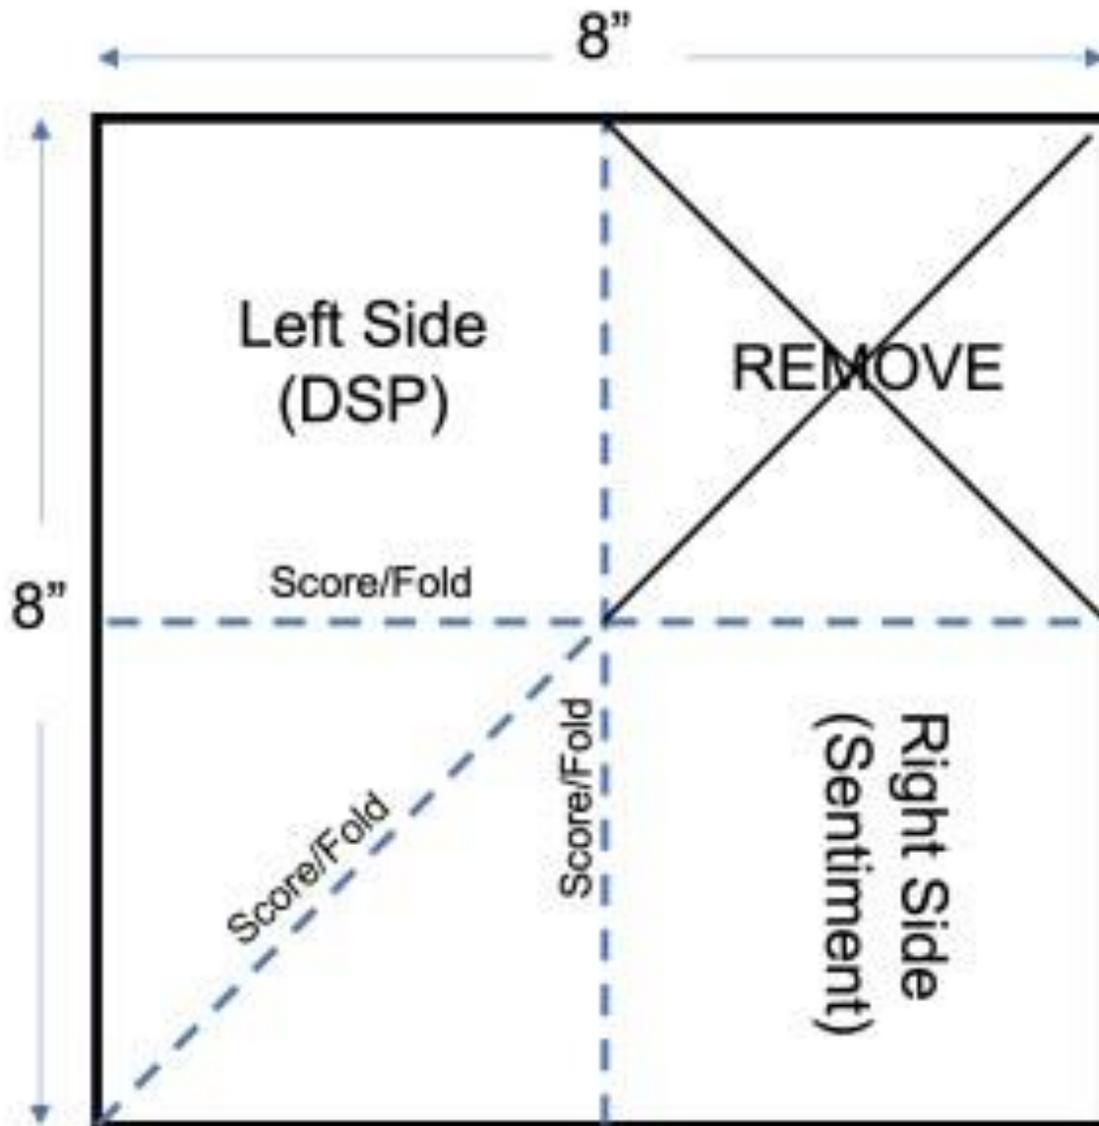

**Basic White Cardstock:** Eden Die cut frame on front; Heart Punch Pack cutout (sentiment); 3 7/8" x 7/8" (inner liner)

**Ever Eden Specialty DSP:** 7/8" x 3 7/8" (narrow side-fold panel on front); 3 7/8" x 3 7/8" (card front and "left" inner panel); 3 3/4" x 3 3/4" (on "pop-up" - cut into two triangles); 3" x 6" (envelope flap)

### Instructions for this Project:

1. Score the 4 1/4" x 11" piece of Evening Evergreen at 5 1/2" and again at 6 3/4".
2. Use Liquid Glue on the inside between the two score lines to adhere the front of the card to the back to create the side-fold.
3. Score the 8" x 8" piece of Soft Succulent cardstock at the 4" line on both sides.
4. Use the Stampin' Trimmer to score a diagonal score in one corner quadrant.

5. Use the Stampin' Trimmer to remove the opposite quadrant of the panel.
6. "Pinch" the diagonal line as a mountain fold and then fold the other two score lines as valleys.
7. Cut the 3 3/4" x 3 3/4" piece of *Ever Eden Specialty DSP* into two triangles
8. Use Liquid Glue to adhere the triangles to the folded section of the panel.

9. Use Liquid Glue to adhere the 3 7/8" x 3 7/8" piece of *Ever Eden Specialty DSP* to the "left" panel - as shown in the template.
10. Stamp the *Eden's Garden* sentiment in Evening Evergreen on the 3 7/8" x 3 7/8" square of Basic White.
11. Ink the *Eden's Garden* leaf images in Soft Succulent. Stamp it once on a piece of scrap paper then stamp it over the sentiment without re-inking.
12. Use Liquid Glue to adhere the panel to the "right" panel of the insert, as shown on the template.

13. Fold the panel with the diagonal panel in the middle.
14. Use Liquid Glue to adhere the "stacked" insert to the back of the inside of the side-fold card.

15. Apply Liquid Glue to the top of the stack, close the card and adhere it to the stack. Note: it's a lot easier to see how to do this if you watch the video - check at about the **18:30** point to see how to do it!
16. Use Liquid Glue to adhere the 7/8" x 3 7/8" piece of **Ever Eden Specialty DSP** to the 1" x 4" piece of Soft Succulent cardstock.
17. Use Liquid Glue to adhere the matted DSP to the smaller side-fold panel on the front.
18. Use Liquid Glue to adhere the 3 7/8" x 3 7/8" piece of **Ever Eden Specialty DSP** to the 4" x 4" piece of Soft Succulent cardstock.
19. Use the smaller frame die in the **Eden Dies** to cut aa Basic White.
20. Use Liquid Glue to adhere the frame to the matted 4" x 4" panel.
21. Using the long die in the **Eden Dies**, cut a piece of the Evening Evergreen **Ever Eden Cotton Specialty Paper** .
22. Use Liquid Glue to adhere it over the frame.
23. Use Glue Dots to create and adhere a loose "bow" from gold **Simply Elegant Trim** over the Cotton Specialty Paper die cut.
24. Stamp "Sending Hugs" from **Eden's Garden** in Evening Evergreen on Basic White.
25. Cut out the sentiment with the smaller, smooth-sided punch in the **Heart Punch Pack**.
26. Cut a Soft Succulent scalloped-edge Soft Succulent heart using the second punch in the **Heart Punch Pack**.
27. Use Liquid Glue to adhere the sentiment to the mat.
28. Use Stampin' Dimensionals to adhere the matted sentiment onto the card.
29. Add three Evening Evergreen gems from the **2021 -2023 In Color Jewels** to the card front.
30. Add a Soft Succulent gem from the **2021 -2023 In Color Jewels** to the sentiment.
31. Use Stampin' Dimensionals to adhere the card front to the front of the card.
32. Stamp the **Eden's Garden** leaf in Soft Succulent on the front of a Basic White Medium Envelope.
33. Use Liquid Glue to run a thin line around the edges of the envelope flap. Lay the 3" x 6" piece of **Ever Eden Specialty DSP** over the flap and rub it lightly to ensure it's stuck down.
34. Use your Paper Snips to cut off the excess paper.

DONE!
