Card Stock Cuts for this Project:

Real Red Cardstock: Box - cut to dimensions as shown in the template; Giving Gifts die cut (for large box); Ornate Frames Die cut (smaller box); Gingerbread die cut (peppermint on smaller box)

Basic White Cardstock: 2 5/8" x 2 5/8" (x6 - mats for large box); Tailor Made Tags die cut (for large box); Ornate Frames Die cut (smaller box); Gingerbread die cut (peppermint on smaller box)

Gingerbread & Peppermints DSP: 1 3/8" x 1 3/8" (x6 - for smaller box); 2 1/2" x 2 1/2" (x 6 - for large box)

Instructions for this Project:

1. The basics are the same for any size - and the Box Size you WANT is the starting point for all the calculations!

Any Size Box Formula

Box Cardstock: $((4 \times \text{Box Size}) + 1/4") \times ((3 \times \text{Box Size}) + 1/2")$
 Score On the Long Side at: Box Size, Box Size, Box Size, Box Size, $1/4"$ will remain
 Score on the Short Side at: $1/4"$, Box Size, Box Size, Box Size, $1/4"$ will remain
 Mats: Box Size minus $1/8"$ - need 6 (if NOT matting - use this measurement for the DSP)
 DSP: Box Size minus $1/4"$ - need 6

1 1/2" Box Example

Box Cardstock: $5" \times 6 1/4"$
 Score On the Long Side at: $1 1/2"$, $3"$, $4 1/2"$, $6"$
 Score on the Short Side at: $1/4"$, $1 3/4"$, $3 1/4"$, $4 3/4"$
 DSP: 6 squares at $1 3/8" \times 1 3/8"$

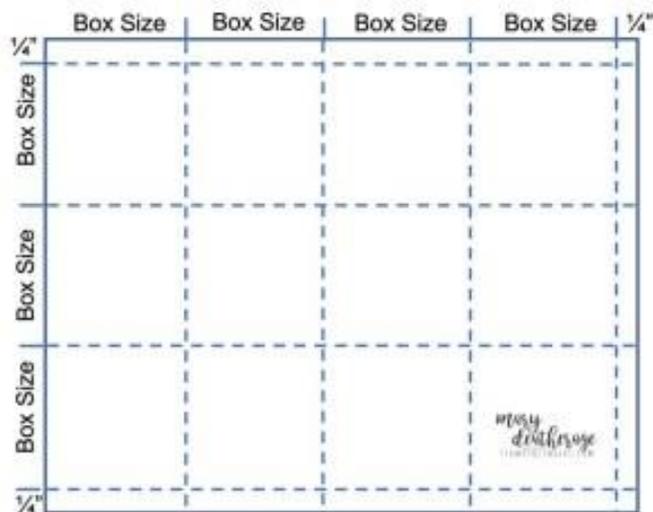

2 3/4" Box Example

Box Cardstock: $8 3/4" \times 11 1/4"$
 Score On the Long Side at: $2 3/4"$, $5 1/2"$, $8 1/4"$, $11" - 1/4"$ will remain
 Score on the Short Side at: $1/4"$, $3"$, $5 3/4"$, $8 1/2" - 1/4"$ will remain
 Mats Cardstock: $2 5/8" \times 2 5/8"$ - need 6
 DSP: $2 1/2" \times 2 1/2"$

2. For the 1 1/2" square box, use a 5" x 6 1/4" piece of Real Red cardstock.
3. Use the Simply Scored Scoring Tool to score along the long side at 1 1/2", 3", 4 1/2" and 6".
4. Rotate the cardstock to put the short side up and score at 1/4", 1 3/4", 3 1/4" and 4 3/4".

5. Use scissors to cut flaps and tabs per the template.

14. Use Liquid Glue to adhere the two tags together - slightly offset but with the top holes lined up.
15. Run a piece of white Baker's Twine from the **Baker's Twine Essential Pack** thru the hole and tie a little bow.
16. Use a Glue Dot to adhere the tag to the top of the box.
17. Use the small circle die in the **Gingerbread Die** set to cut a small Basic White circle.
18. Use the coordinating "peppermint swirl" die to cut a "swirl" in Real Red.
19. Use Liquid Glue to adhere the "swirl" to the circle.
20. Use Stampin' Dimensionals to adhere the peppermint to the end of the tag
21. The large box has some **Real Red 3/8" Mini Ruffled Ribbon** and a tag made with the **Giving Gifts** and **Tailored Made Tags** die sets.

22. Use Liquid Glue to adhere the Basic White **Tailored Made Tag** to the back of the Real Red **Giving Gifts** detailed cut - adhering the "bad" side to the "bad" side. (That left the nicer "front" side visible on the back).
23. Stamp the sentiment from the **Festive & Bright** set in Old Olive on the back of the tag.

24.DONE!
