

Playful Tidings & Trimmings Festive Foliage Christmas Card

[Link to the original blog post for this project:](https://wp.me/p5snyt-kQ9)

<https://wp.me/p5snyt-kQ9>

Card Stock Cuts for this Project:

Evening Evergreen Cardstock: 5 1/2" x 8 1/2" card base, scored and folded at 4 1/4"

Polished Pink Cardstock: 4" x 5 1/4" (x2 - mats for card front and for inner liner); Frame around circle die cut (2 5/8" outside - 2 3/8" inside); Playful Alphabet die cut letters

Basic White Cardstock: 3 7/8" x 5 1/8" (card front and inner liner). One panel is 4" x 5 1/4" - then cut down AFTER stamping with the Festive Foliage image.

Silver Foil Specialty Pack: 1/4" x 5 1/8" (bright silver); 3/8" x 5 1/8" ("pewter")

Tidings of Christmas DSP: Playful Alphabet die cut letters; 3" x 6" (envelope flap)

Instructions for this Project:

1. Use the Stamparatus stamp the **Festive Foliage** image in Tuxedo Black ink on the 4" x 5 1/4" piece of Basic White cardstock. Tip - use your Stamparatus with background stamps - they're a lot easier to use that way. And - you can stamp the image onto the Small Grid Paper and then you can place your cardstock over top to get it lined up correctly!

2. Trim the stamped panel down to 3 7/8" x 5 1/8" using a Paper Trimmer.
3. Use a 2 3/8" wide **Layering Circles Die** to cut circle from the right side of the stamped panel.
4. Use the Dark Soft Succulent, Evening Evergreen and Polished Pink Stampin' Blends to color the image on just the die cut circle.
5. Dry fit the full panel on one of the 4" x 5 1/4" pieces of Polished Pink cardstock.
6. Use Liquid Glue to adhere the circle to the Polished Pink mat - back in the negative space - lining up the image.
7. Emboss both strips of silver foil from the **Silver Foil Specialty Pack** in the **Timber 3D Embossing Folder**.
8. Use Liquid Glue to adhere the two strips all the way across the larger card front.
9. Use Paper Snips to trim out the parts of the strips from inside the negative circle space.
10. Use Stampin' Dimensionals to adhere the card front to the Polished Pink mat - keeping the die cut and colored image lined up.
11. Place the same 2 3/8"-wide circle die inside the NEXT LARGEST circle die (2 5/8" wide) and cut a Polished Pink cardstock frame using the Stampin' Cut and Emboss Machine.
12. Use Liquid Glue to adhere the frame around the circular opening.
13. Adhere a piece of Polished Pink cardstock to a piece of Foam Adhesive Sheet.
14. Use the **Playful Alphabet** dies to cut out "N", "O", "E" and "L" from the cardstock.
15. Adhered the foam letters to the card front.
16. Cut the letters again from an Evening Evergreen piece of **Tidings of Christmas DSP**.
17. Use Liquid Glue to adhere them over the letters already in place - a little bit offset to create a small pink shadow!
18. Tie a double loop bow from silver twine from the **Simply Elegant Trim** (I used a Bow-Easy).

19. Use a Glue Dot to adhere it to the card front.
20. Add a few Polished Pink gems from the *2021 -2023 In Color Jewels*.
21. On the second piece of Basic White cardstock, stamp the *Tidings & Trimmings* sentiment in Evening Evergreen.
22. Stamp some Polished Pink berries and Evening Evergreen leaves in the corner of the panel.
23. Fill in the leaves with the Dark Soft Succulent Stampin' Blend.
24. Add a Polished Pink jewel next to the sentiment and a few small Soft Succulent jewels around the foliage.

25. Use Liquid Glue to adhere the panel to the second 4" x 5 1/4" piece of Polished Pink cardstock.
26. Use Liquid Glue to adhere the panel inside the Evening Evergreen card base.
27. Use Stampin' Dimensionals to adhere the card front to the front of the card.
28. Stamp some Polished Pink berries and Evening Evergreen leaves on the front of a Basic White Medium Envelope. Fill in the leaves with the Dark Soft Succulent Stampin' Blend.
29. Use Liquid Glue to run a thin line around the edges of the envelope flap. Lay the 3" x 6" piece of *Tidings of Christmas DSP* over the flap and rub it lightly to ensure it's stuck down.
30. Use your Paper Snips to cut off the excess paper.
31. DONE!
