Link to Video Tutorial - not the exact same card, but the fun fold is the same:

<https://youtu.be/--FceeWG0TA>

## Card Stock Cuts for this Project:

**Crumb Cake Cardstock:** 4 1/4" x 5 1/2" (card base); Christmas Pinecone die cut small solid pinecone (where used)

**Cherry Cobbler Cardstock:** 4" x 5 1/4" (mat for card front); 3 3/8" x 4 3/8" (mat for fold-out panel)

**Evening Evergreen or Pear Pizzazz Cardstock:** 4 1/4" x 9 3/4" (fold out panel, scored and folded 3 1/4" and 6 1/2"); Christmas Pinecone die cut boughs (where used)

**Early Espresso Cardstock:** Christmas Pinecone die cut detailed pine cone (where used)

**Basic White Card Stock:** 3 1/8" x 4 1/8" (x2 - end panels of fold-out mechanism)

**Painted Christmas DSP:** 3 7/8" x 5 1/8" (card front panel); 3 1/8" x 4 1/8" (DSP panels); 2 3/8" x 3 1/8" (gift card holder panel); 3" x 6" (envelope flap)

## Instructions for this Project:

1. Use Liquid Glue to adhere the 3 7/8" x 5 1/8" piece of *Painted Christmas DSP* cardstock to the 4' x 5 1/4" piece of Cherry Cobbler cardbase.
2. Use Liquid Glue to adhere it to the card base with Liquid Glue.
3. To make the fold mechanism, score the 4 1/4" x 9 3/4" piece of cardstock (samples are Pear Pizzazz or Evening Evergreen) at 3 1/4 and 6 1/2".
4. Fold at the score lines to create a "z".

5. There are two card decorating schemes on this project.
6. For the first card:
  - a. Stamp a *Holly Jolly Wishes* sentiment (Merry Christmas to You) in Cherry Cobbler on one of the 3 1/8" x 4 1/8" pieces of Basic White cardstock.
  - b. Stamp the *Christmas to Remember* sentiment on the second 3 1/8" x 4 1/8" piece of Cherry Cobbler cardstock.
  - c. Stamp the *Christmas Season* berries in Cherry Cobbler, a pine bough in Evening Evergreen, the detailed pine cone in Early Espresso and the "fill" in stamped-off-once Early Espresso.
  - d. Add a few *Brushed Metallic Adhesive-backed Dots* to the front panel.
  - e. Use Liquid Glue to adhere the panels to the first and last panels of the Evening Evergreen fold mechanism.
7. For the second card:
  - a. Stamp *Christmas to Remember* sentiments in Cherry Cobbler ink on both 3 1/8" x 4 1/8" Basic White panels.
  - b. Cut the large detailed die cut from the *Pine Cones Die* set in Pear Pizzazz and Evening Evergreen.
  - c. Snip a couple of boughs and adhere them to the front panel with Liquid Glue.
  - d. Use Liquid Glue to adhere the detailed Early Espresso die cut pine cone to the solid Crumb Cake die cut and an Early Espresso detailed die cut

- e. Add a few more of the **Brushed Metallic Adhesive-backed Dots**.
  - f. Use *Liquid Glue* to adhere it to the front of the Pear Pizzazz fold-out mechanism.
  - g. On the second 3 1/8" x 4 1/8" piece of Basic White cardstock, stamp the berries in *Cherry Cobbler* and the boughs in *Evening Evergreen*.
  - h. Stamp the leaves image a couple of times in Pear Pizzazz.
8. The gift card holder is on the middle panel and is created the same on both cards:
- a. Use *Liquid Glue* to adhere the 3 1/8" x 4 1/8" piece of the **Painted Season DSP**. I
  - b. Slide the long edge of the 2 3/8" x 3 1/8" piece of **Painted Christmas DSP** about half-way thru the scalloped punch on the **Double Oval Punch**. I punched that half-circle to create a finger-hold for the gift card.
  - c. Use *Liquid Glue* ONLY on the sides and bottom of the piece, then adhere it to the first piece of DSP. -
9. Use *Liquid Glue* to adhere the mechanism to the 3 3/8" x 4 3/8" piece of *Cherry Cobbler* cardstock.
10. Use *Liquid Glue* to adhere the matted mechanism onto the card base.

11. Stamp the coordinating **Christmas Season** foliage on the front of a Basic White Medium Envelope.
12. Use Liquid Glue to run a thin line around the edges of the envelope flap. Lay the 3" x 6" piece of **Painted Christmas DSP** over the flap and rub it lightly to ensure it's stuck down.
13. Use your Paper Snips to cut off the excess paper.
14. DONE!
