Sweet Talk DSP: 3 3/4" x 5" (2 different designs for the card front - one triangle from each design); 3" x 6" (envelope flap)

Instructions for this Project:

1. Score the 4 1/4" x 11" piece of Blushing Bride cardstock at 5 1/2" on the long side.
2. Use the Paper Trimmer to cut on the diagonal on one of the panels - and keep the cut off triangle for use on the card.

3. Use the Paper Trimmer to cut a 4" x 5 1/4" piece of Real Red across the diagonal to make two triangles.
4. Use the Paper Trimmer to cut two 3 3/4" x 5" panels of two different designs from the **Sweet Talk** DSP on the diagonal to create four triangles. Two of them will be used on this card.
5. Use Liquid Glue to adhere the two DSP triangles to two of the Real Red triangles.
6. Use Liquid Glue to adhere the Highland Heather triangle to the front triangle on the card base.
7. Use Liquid Glue to adhere the remaining triangle to the card front - aligning the bottom and right side - to complete the card base.
8. Use the Stampin' Cut and Emboss Machine to emboss the 3 7/8" x 5 1/8" in the **Bouquet of Love Hybrid Embossing Folder**.
9. Use Liquid Glue to adhere the embossed panel on the 4" x 5 1/4" piece of Real Red cardstock.
10. Use Liquid Glue to adhere it to the inside of the card.
11. Stamp a **Love & Happiness** sentiment on a piece of Basic White and use the large heart die from the **Bouquet of Love Hybrid Embossing Folder** set to cut it out.
12. Use Liquid Glue to adhere it to the center of the inner liner.
13. Use the large heart again to cut a Real Red heart and then emboss it in the **Bouquet of Love Folder**.
14. Use Liquid Glue to adhere it in the center of the criss-cross - being sure to cover the embossed heart on the inner liner.

15. Stamp the small *Love & Happiness* sentiment in Real Red on Basic White cardstock and cut it with the smaller heart in the Bouquet Of Love set.
16. Use Stampin' Dimensionals to adhere the small heart to the card front.
17. Use the flower dies in the Bouquet of Love Hybrid Set to cut two large and a small flower from So Saffron cardstock and two Granny Apple Green leaves.
18. Use Liquid Glue and Stampin' Dimensionals to adhere them to the card front.
19. Add a small *Iridescent Rhinestone Basic Jewel* in the middle of each flower.
20. Use Liquid Glue to adhere the Basic White triangle to a Real Red triangle mat.
21. In the corner stamp a *Sweet Conversations* heart in Highland Heather.
22. Use Liquid Glue to adhere it to the inner liner.
23. Add an *Iridescent Rhinestone* on the larger heart on the inner.

24. Stamp the *Sweet Conversations* hearts in Highland Heather three times on the front of a Basic White Medium Envelope.
25. Use Liquid Glue to run a thin line around the edges of the envelope flap. Lay the 3" x 6" piece of *Sweet Talk DSP* over the flap and rub it lightly to ensure it's stuck down.
26. Use your Paper Snips to cut off the excess paper.
27. DONE!
