Card Stock Cuts for this Project:

Evening Evergreen Cardstock: 4 1/4" x 11"
(card base, scored and folded at 5 1/2")

Very Vanilla Cardstock: 3 7/8" x 5 1/8"
(inner liner); 4" x 5 1/4" (mat for inner liner);

Fluid 100 Watercolor Paper: 3 3/8" x 4
5/8" (card front); Horizons die cut fence

New Horizons DSP: 3 3/4" x 5" (behind card
front); Horizons die cut grasses (x2);
Horizons die cut "sky"; 1/2" x 2 1/2"
Stitched Rectangle Die cut (sentiment); 3" x
6" (envelope flap)

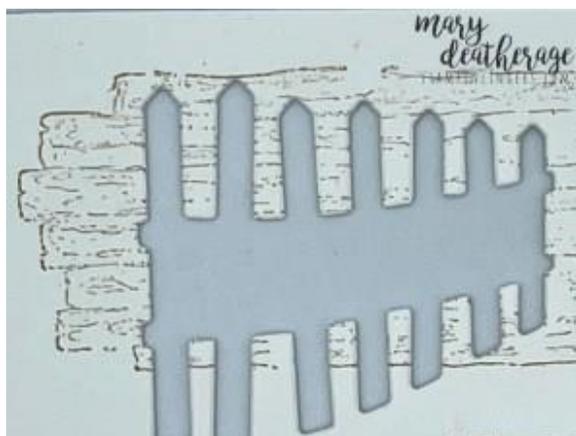

Instructions for this Project:

1. Use Liquid Glue to adhere the 3 3/4" x 5" piece of the *New Horizons DSP* at a slight angle on the front of the Evening Evergreen card base.
2. On the 3 3/8" x 4 5/8" piece of Fluid 100 Watercolor Paper, stamp the grasses image from *On The Horizon* in Evening Evergreen.
3. Use Stampin' Dimensionals to adhere the panel to the card front.
4. Use the "plank" die in Horizons Die set to cut a "sky" from a piece of *New Horizons DSP*. Here's the design used in the sample.

5. Use the grasses die to cut TWO grass shapes from the bottom of the same panel.
6. Lay the die cut "sky" piece in place on the watercolor paper card front and then stamper the *On The Horizon* birds image in Basic Gray - letting it hang off the "sky" die.
7. Use Liquid Glue to adhere the die cut in place - being sure to line up the bird wings!
8. Stamp the plank image from *On The Horizon* in Crumb Cake on another piece of Watercolor Paper.
9. Then cut the *Horizons Die* picket fence from the stamped image. Tip: the die is bigger than the stamped image - just be sure the TOPS of the pickets are in the stamped area! The bottoms will be covered up!

10. Stamp on the die cut fence with the grasses image in Garden Green.
11. Use your fingers to lightly curl the "fence".
12. Use small pieces of Stampin' Dimensionals ONLY on the middle three "pickets" to adhere the fence to the card front - letting it stay a little "curled".
13. Use Liquid Glue and a small piece of Dimensional to adhere one of the grasses die cuts over the bottom of the picket fence.
14. Stamp the **On The Horizon** sentiment in Evening Evergreen on another **New Horizons DSP** design and cut it out with the smallest skinny die in the Stitched Rectangle Die set.
15. Use Liquid Glue (on the left end) and a couple of Dimensionals (on the right end) to adhere the sentiment to the card front.
16. Use small pieces of Stampin' Dimensionals to adhere the second grass die cut.
17. Add some **Pebble Enamel Shapes** around the fence and grass and the card front was done!
18. On the 3 7/8" x 5 1/8" piece of Very Vanilla cardstock, stamped the **On The Horizons** grasses in Evening Evergreen in the bottom left corner and the birds in Basic Gray in the top right corner.
19. Add a few more **Pebble Enamel Shapes**.

20. Use Liquid Glue to adhere the panel to the 4" x 5 1/4" piece of Very Vanilla cardstock.
21. Use Liquid Glue to adhere the panel into the Evening Evergreen card base.
22. Stamp the **On The Horizon** grasses in Evening Evergreen and the birds in stamped-off-once Basic Gray on the front of a Very Vanilla Medium Envelope.
23. Use Liquid Glue to run a thin line around the edges of the envelope flap. Lay the 3" x 6" piece of **New Horizons DSP** over the flap and rub it lightly to ensure it's stuck down.
24. Use your Paper Snips to cut off the excess paper.
25. DONE!
