Card Stock Cuts for this Project:

Evening Evergreen Cardstock: 4 1/4" x 11"
(card base, scored and folded at 5 1/2" and 6 3/4")

Pear Pizzazz Cardstock: 4 1/8" x 4 1/8" (x2
- mats for card front and for inner liner); 1 1/8" x 4 1/8" (mat for side-fold); 1 3/8" x 4 1/8" (mat for DSP strip on front); Tropical Layers die cut leaf on front

Vellum Layering Designs: Tropical Layers die cut leaf and grasses

Basic White Cardstock: 4" x 4" (x2 - card front and inner liner); Tropical Layers die cut leaf (sentiment)

Artfully Composed DSP: 1" x 4" (side fold panel); Largest smooth Circle Die cut (about 3" across - on front); 1 1/4" x 4 1/8" (DSP strip on front); 3" x 6" (envelope flap)

Instructions for this Project:

1. Score the 4 1/4" x 11" piece of Evening Evergreen cardstock at 5 1/2" and 6 3/4" on the long side.
2. Fold the 5 1/2" score line as a "valley" and the 6 3/4" score in the opposite direction.
3. Use Liquid Glue between the 5 1/2" and 6 3/4" score lines to adhere the front of the card base to the back - just in that 1 1/4" area. This makes the "side" fold.

4. Using the hatch-lines die in the **Tropical Layers** die set in the top right and bottom right corners of one of the 4" x 4" pieces of Basic White, emboss the corners, using a die cutting machine.
5. Use the largest smooth-edge Layering Circles Die set to cut an **Artfully Composed DSP** circle. The circle is about 3" across.
6. Align the edge of the circle with the very bottom left corner of the Basic White panel and use Liquid Glue to adhere it to the panel.
7. Trim the excess paper with a Paper Trimmer.

8. Use Liquid Glue to adhere the 1" x 4" piece of **Artfully Composed DSP** on the 1 1/8" x 4 1/8" piece of Pear Pizzazz cardstock.
9. Use Liquid Glue to adhere the matted panel to the small "side-fold" panel.
10. Use Liquid Glue to adhere the 1 1/4" x 4" piece of **Artfully Composed DSP** on the 1 3/8" x 4 1/8" piece of Pear Pizzazz cardstock.
11. Use Liquid Glue to adhere the matted panel to the card front.
12. Use Liquid Glue to adhere the panel to one of the 4 1/8" x 4 1/8" pieces of Pear Pizzazz cardstock.
13. Use Liquid Glue to adhere the matted panel to the front of the card base.
14. Use the dies in the **Tropical Layers** set to cut a leaf and a grasses die cut from the **Vellum Layering Designs** paper - the one with the white scripty embossing.
15. Adhere the two leaves to the card front with a little Liquid Glue.
16. Use the large solid leaf die in the **Tropical Layers** set to cut a leaf from a piece of Pear Pizzazz cardstock.
17. Use Liquid Glue to adhere it to the card front.
18. On a piece of Basic White, stamp the leaf from **Artfully Layered** in stamped-off-once Pear Pizzazz.
19. Cut it out with the leaf die.
20. Determine how the leaf will be oriented on the card and then stamp the **Artfully Layered** sentiment in the correct orientation using Evening Evergreen ink.
21. Use Stampin' Dimensionals to adhere the sentiment over the Pear Pizzazz leaf.
22. Use two lengths of Linen Thread to tie a small, simple bow.
23. Adhere the bow with a Glue Dot.
24. Color a large and three small vanilla **Classic Matte Dots** with a Dark Evening Evergreen Stampin' Blend.
25. Add a small Dot to the sentiment and the remainder to the card front.
26. On the second 4" x 4" piece of Basic White card, stamp the leaves image from **Artfully Composed** twice in Pear Pizzazz ink.

27. Use Liquid Glue to adhere the panel to the second 4 1/8" x 4 1/8" piece of Pear Pizzazz cardstock.

28. Use Liquid Glue to adhere the matted panel to the inside of the card.
29. Stamp more of the *Artfully Layered* leaves in Pear Pizzazz on the front of a Basic White Medium Envelope.
30. Use Liquid Glue to run a thin line around the edges of the envelope flap. Lay the 3" x 6" piece of *Artfully Composed DSP* over the flap and rub it lightly to ensure it's stuck down.
31. Use your Paper Snips to cut off the excess paper.
32. DONE!
