[Card Stock Cuts for this Project:](#)

**Thick Basic White Cardstock:** 4 1/4" x 11"  
(card base, scored and folded at 5 1/2")

**Magenta Madness Cardstock:** 4" x 5 1/4"  
(x2 - mats for card front and for inner liner);  
2 1/8" x 4" (mat for lower DSP panel)

**Basic White Cardstock:** 3 7/8" x 5 1/8" (x2 -  
card front and inner liner); Kite Delight kite

**Sunshine & Rainbows DSP:** 2" x 3 7/8"  
(lower DSP panel); Cloud Punched clouds,  
Fussy cut bows on kite tail; 3" x 6" (envelope  
flap)

## Instructions for this Project:

1. Use Liquid Glue to adhere the 3 7/8" x 5 1/8" piece of Basic White cardstock to one of the 4" x 5 1/4" pieces of Magenta Madness cardstock.
2. Place the 2" x 3 7/8" piece of **Sunshine & Rainbows DSP** in place on the card front.
3. Stamp the tail of the kite in Tuxedo Black - spanning the seam with the image.
4. Use Liquid Glue to adhere the 2" x 3 7/8" piece of DSP on the 2 1/8" x 4" piece of Magenta Madness cardstock.
5. Use Liquid Glue to adhere it on the bottom of the card front.
6. If necessary, use a Black Stampin' Write Marker to fill in the "gap" on the mat.
7. Stamp the **Kite Design** sentiment in Magenta Madness onto the card front above the matted DSP panel.
8. On a piece of Basic White cardstock, stamp the **Kite Delight** kite in Tuxedo Black Memento Ink.
9. Use Paper Snips to cut out the kite.
10. Color the flowers with Flirty Flamingo and Magenta Madness Stampin' Write Markers.
11. Use the **Cloud Punch** to punch out clouds from a piece of the **Sunshine & Rainbows DSP** - it's printed all over with clouds. Tip: cut them ALL out - you can even use the partial clouds - just tuck them under other elements - or...butt them up against an edge of the card front!
12. Lay out the kite and clouds and then stamp the **Kite Delight** sun image in So Saffron.
13. Adhere the clouds with Liquid Glue.
14. Use Stampin' Dimensionals to adhere the kite.
15. Stamp the kite tail in Tuxedo Black again on the **Sunshine & Rainbows DSP** - once on a Flirty Flamingo design and again on a Magenta Madness design.
16. Use Paper Snips to cut two of each color of the bows.
17. Use Mini Stampin' Dimensionals - cut in half - to adhere the bows over the stamped tail on the card front.
18. Use a Dark Flirty Flamingo Stampin' Blend to color five small and two large white dots from the **Classic Matte Dots**.
19. When dry, a small dot to each of the bows and a large dot next to the sentiment.
20. Stamp the second **Kite Delight** sentiment in Magenta Madness on the second 3 7/8" x 5 1/8" piece of Basic White cardstock.
21. In the corner, stamp the kite and tail in Tuxedo Black.
22. Color the flowers and bows with Flirty Flamingo and Magenta Madness Stampin' Write Markers.
23. Add one of the small colored **Classic Matte Dots** to the bow on the kite tail and a large one near the sentiment.

24. Use Liquid Glue to adhere the panel to the second 4" x 5 1/4" piece of Magenta Madness cardstock.
25. Use Liquid Glue to adhere the matted panel to the inside of the Thick Basic White card base.
26. Use Stampin' Dimensionals to adhere the card front to the front of the card base.
27. Stamp the kite and tail on the front of a Basic White Medium Envelope in Tuxedo Black and color it with the Magenta Madness and Flirty Flamingo Stampin' Write Markers.
28. Use Liquid Glue to run a thin line around the edges of the envelope flap. Lay the 3" x 6" piece of Sunshine & Rainbows DSP over the flap and rub it lightly to ensure it's stuck down.
29. Use your Paper Snips to cut off the excess paper.
30. DONE!
