

Waves of Inspiration Sneak Peek Birthday Pelican Card

[Link to the Original Project Blog Post:](https://wp.me/p5snyt-IZP)
<https://wp.me/p5snyt-IZP>

Card Stock Cuts for this Project:

Evening Evergreen Cardstock: 4 1/4" x 11"
(card base, scored and folded at 5 1/2")

Calypso Coral Cardstock: 4" x 5 1/4" (x2 -
mats for card front and for inner liner)

Basic White Cardstock: Waves die cut
(sentiment); 3 7/8" x 5 1/8" (x2 - card front
and inner liner)

Waves of the Ocean DSP: 1/4" x 3 1/2"
(strip thru sentiment label); 3" x 6" (envelope
flap)

Instructions for this Project:

1. Place one of the 3 7/8" x 5 1/8" pieces of Basic White cardstock into the Stamparatus.
2. Use Crumb Cake ink pad and Sponge Dauber to ink and stamp the pelican image from **Waves of Inspiration**.
3. Leave the panel in place and add more Crumb Cake ink to the stamp - on the sides of the poles - and stamp again.
4. Place a **Stitched Rectangle Die** in place on the panel - use the die with a 2" inside measurement on the short side. Use the inside edge of the die as a guide to draw a line with the fine-tip end of an Evening Evergreen Stampin' Write Marker.
5. Add several more lines using the Evening Evergreen and Soft Succulent Stampin' Write Markers.
6. Free-hand a few Soft Succulent to add some jagged accents here and there around the frame.
7. Use Liquid Glue to adhere the panel to one of the 4" x 5 1/4" pieces of Calypso Coral cardstock.
8. Tie a single-loop **Linen Thread** bow.
 - a. Wrap the thread four times around four fingers
 - b. Twist into a Figure 8
 - c. Tie a short piece of Linen Thread around the center of the Figure 8

9. Adhere the bow to the card front with a Glue Dot.
10. On a piece of Basic White cardstock, stamp the **Waves of Inspiration** sentiment in Calypso Coral.
11. Cut out the sentiment with the smaller label die from the bundled **Waves Die** set.

12. Run the 1/4" strip of Calypso Coral paper from the *Waves of the Ocean DSP* thru the slots on the die cut - using a little Liquid Glue on the back of the label to hold it in place.
13. Use Paper Snips to cut banners in both ends.
14. Use double-stacked Stampin' Dimensionals to adhere the label over the card front and the Linen Thread Bow.
15. Stamp a few Evening Evergreen seagulls from *Waves of Inspiration* here and there on the card front.
16. In the corner of the second 3 7/8" x 5 1/8" piece of Basic White cardstock, use the Stamparatus to stamp pelican in Crumb Cake.
17. Use the outside edge of the next to largest *Stitched Rectangle Die* to draw a frame using the Evening Evergreen Stampin' Write Marker.
18. Add additional lines and jagged accents using the Evening Evergreen and Soft Succulent Stampin' Write Markers.
19. Stamp a few Evening Evergreen seagulls.

20. Use Liquid Glue to adhere the panel to the second 4" x 5 1/4" piece of Calypso Coral cardstock.
21. Use Liquid Glue to adhere the matted panel into the inside of the Evening Evergreen card base.
22. Use Stampin' Dimensionals to adhere the card front to the front of the card base.
23. Use the Stamparatus to stamp the pelican image in Crumb Cake on the front of a Basic White Medium Envelope.
24. Add an Evening Evergreen seagull.
25. Draw some free-hand lines with the Evening Evergreen and Soft Succulent Stampin' Write Markers.

26. Use Liquid Glue to run a thin line around the edges of the envelope flap. Lay the 3" x 6" piece of Waves of the Ocean DSP over the flap and rub it lightly to ensure it's stuck down.
27. Use your Paper Snips to cut off the excess paper.
28. DONE!
