Card Stock Cuts for this Project:

Soft Suede Cardstock: 4 1/4" x 11" (card base, scored and folded at 5 1/2"); Sentiment Silhouette die cut sentiment; Rugged Icons die cut fishing rod and mountain scene

Starry Sky Cardstock: 4" x 5 1/4" (x2 - mats for card front and for inner liner); 3 7/8" x 5 1/8" (x2 - Candy Cane die cut card fronts); 2 1/8" Circles Layering Die cut circle (behind mountain scene)

Mossy Meadow, Old Olive, Crumb Cake, Sahara Sand and Daffodil Delight

Cardstock: Rugged Icon die cut pieces for mountain scene

2022-24 In Color Glimmer Paper: Rugged Icons die cut fish

Basic White Cardstock: 3 7/8" x 5 1/8" (inner liner); Sentiment Silhouettes die cut (sentiment)

2022-24 In Color 6" x 6" DSP (in Starry Sky): 2 1/2" x 6" (envelope flap)

Instructions for this Project:

1. Use the large "stripe" die from the *Candy Canes* die set to cut out from the two 3 7/8" x 5 1/8" pieces of *Starry Sky* cardstock.
2. Use *Liquid Glue* to adhere one of the die cuts UPSIDE DOWN onto one of the 4" x 5 1/4" piece of *Starry Sky* cardstock. That means that the BACK of the die cut is up.
3. Use *Liquid Glue* to adhere the second die cut over top with that one right-side-up. Hint: That put the stripes going in opposite directions and creates the cool tone-on-tone plaid look.
4. From a piece of *Soft Suede* cardstock use the fly-rod die from the *Rugged Icons* die set to cut out the shape.
5. Use *Liquid Glue* to adhere it to the card front.
6. Use the same die again to cut out a fish from the lightest end of a piece of *Parakeet Party* paper from the 2022-2024 *In Color Glimmer Paper*.
7. Use *Liquid Glue* to adhere the die cut fish into place.
8. Use a *Circles Layering Die* to cut out a 2 1/8" circle of *Starry Sky* cardstock.
9. From a piece of *Soft Suede* cut out the round mountain scene die from *Rugged Icons*. TIP: leave the die cut ON the acrylic cutting plate. When you pick it up - try to get all the little tiny pieces in the mountain part of the scene to STAY with the part you're picking up. If they come loose - that's okay - just leave them in place on the acrylic plate. That way you can pick them up with your tweezers or a *Take Your Pick Tool* and then adhere them in place.
10. Use *Liquid Glue* to adhere the *Soft Suede* die cut to the *Starry Sky* circle.
11. Use the same die a few more times to cut more shapes from the cardstock colors needed for the paper piecing.

12. Using *Liquid Glue*, adhere the various pieces into place on the circle.
13. For the *Mossy Meadow* trees, use *Paper Snips* to cut the trees off of their full die cut so you can adhere them over the top of the *Soft Suede* trees with *Liquid Glue*.

14. Use Stampin' Dimensionals to adhere the completed shape onto the card front.
15. Stamp the sentiment from *Charming Sentiments* in Versamark Ink on a piece of Soft Suede cardstock.
16. Sprinkle it with white Embossing Powder.
17. Use the Heat Tool to heat set the embossing powder.
18. When the embossing powder has cooled cut it out with its coordinating die from the bundled *Sentiment Silhouettes*.
19. Use a few Stampin' Dimensionals and a little Liquid Glue to adhere the die cut sentiment to the card front.
20. Add three *Rustic Metallic Adhesive-backed Shapes*.
21. On the 3 7/8" x 5 1/8" piece of Basic White cardstock, stamp the *Campology* sentiment in Soft Suede.
22. Use the Stamparatus to add the trees image in Mossy Meadow.

23. Use Liquid Glue to adhere the panel to the second 4" x 5 1/4" piece of Starry Sky cardstock.
24. Use Liquid Glue to adhere the matted panel to the inside of the Soft Suede card base.
25. Use Stampin' Dimensionals to adhere the card front to the front of the card base.
26. Stamp the *Campology* trees in Mossy Meadow on the front of the Basic White Medium Envelope.
- 27.
28. Use Liquid Glue to run a thin line around the edges of the envelope flap. Lay the 2 1/2" x 6" piece of Starry Sky 2022-2024 In Color 6" x 6" DSP over the flap and rub it lightly to ensure it's stuck down.
29. Use Paper Snips to trim off the excess paper.
30. DONE! 😊
