## Instructions for this Project:

1. Score and fold the 7" x 8 1/2" piece of Soft Succulent cardstock 3 1/2" and again at 5 1/4" on the 7" side.
2. Use Liquid Glue - just on the little dots of the two 1 1/2" x 8 1/4" pieces of **Snowflake Specialty Vellum** to adhere them to the two 1 5/8" x 8 3/8" pieces of Pool Party cardstock.
3. Use Liquid Glue to adhere the matted panels to the two sections of the card front.
4. Make the trailer, trees and light strands/poles.
5. Trailer:
  - a. Use the trailer body die in the **Tree Lot Dies** to cut a Basic White trailer body and a Basic Black trailer body
  - b. Snip the tire and the hitch off of the white trailer body
  - c. Use the two-part die in the **Tree Lot Dies** to cut out two Polished Pink pieces - then adhere them to the front of the trailer with Liquid Glue
  - d. Use Liquid Glue to adhere a small piece of **Vellum Cardstock** to the front of the black trailer body - covering the two windows
  - e. Use Liquid Glue to adhere the white trailer body over the black body (sandwiching the vellum between to the two pieces), making sure the edges line up
  - f. Use the tiny curtain die in the **Tree Lot Dies** to cut a Polished Pink curtain
  - g. Set the curtain in place "in" the vellum window, then use Liquid Glue to adhere a small piece of So Saffron cardstock to the back of the trailer, again covering the windows and sandwiching the "curtain"
  - Use the two-part die in the **Tree Lot Dies** to cut out two Polished Pink pieces - then adhere them to the front of the trailer with Liquid Glue
  - h. Use the dies in the **Tree Lot Dies** to cut a small Evening Evergreen wreath and a small Polished Pink bow. Adhere them to the trailer door with Liquid Glue

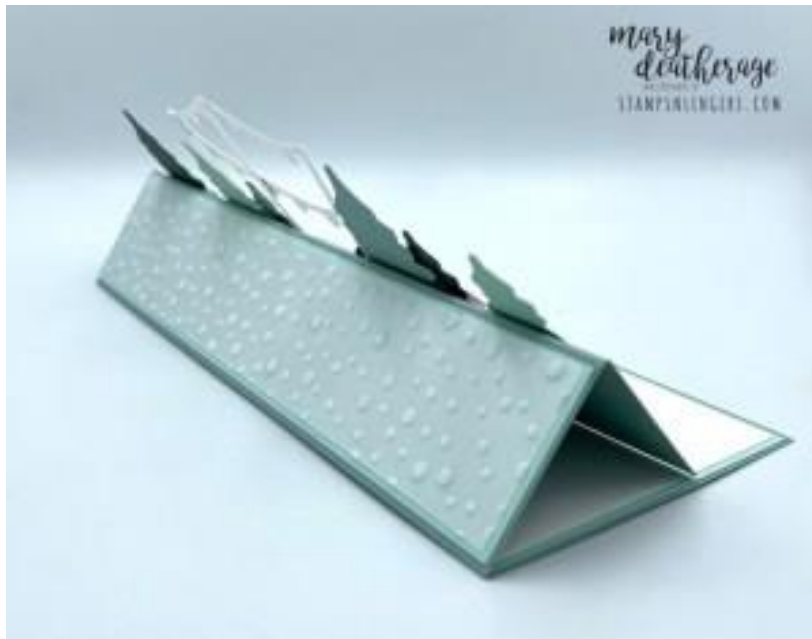

6. Trees:

- a. Use the three solid tree dies in the **Tree Lot Dies** to cut three each from Mint Macaron, Evening Evergreen and Soft Succulent cardstock
- b. Adhere a piece of **Adhesive Sheet** to the back of a piece of white paper from the **Real Red & White 6" x 6" Glimmer Paper**
- c. Use the three detailed dies in the **Tree Lot Dies** to cut three of each sizes of the trees from the Glimmer Paper
- d. Adhere each of the detailed Glimmer trees to the solid die cut trees. Note: this makes 9 trees. I only used 8 here - but...you could for sure add the last tree if you like! It's YOUR happy little forest!

7. Lights and poles:

- a. Stamp the light strand from **Trees for Sale** twice in Soft Suede on Basic White cardstock and cut them out with their matching dies from the **Tree Lot Dies**
  - b. Color the lights with a **Polished Pink Stampin' Write Marker**
  - c. Stamp the light pole from **Trees for Sale** three times in Soft Suede on Basic White cardstock and cut them out with their matching dies from the **Tree Lot Dies**
8. Use Liquid Glue on just the bottoms of the trees to adhere them to the bottom portion of the card front. Note: Give them plenty of time to dry - especially where the trees are stacked on each other (the Glimmer Paper takes an extra beat to adhere!).

9. Use Liquid Glue - on the bottoms! - to adhere the light poles.
10. Snip the bottom of the poles so they'll fit (Tip: you don't want anything extending past the edge of the card base when the card is closed) and the bottoms will be hidden behind the trailer and the sentiment.
11. Using Liquid Glue adhere the light strands to the tops of the poles - you should be able to cut one strand into two pieces.
12. Use Liquid Glue to adhere the trailer.

13. On the  $\frac{1}{2}$ " x 3" strip of Basic White cardstock, stamp the sentiment from *Happiness Abounds* in Polished Pink.
14. Use Liquid Glue to adhere the sentiment to the card front.
15. Add an Evening Evergreen *2021-2023 In Color Opal Round* to the sentiment.
16. On the 3 1/4" x 8 1/4" piece of Basic White cardstock stamp the trees from the *Trees For Sale* set in Evening Evergreen and Soft Succulent. These are two-step images - stamp the Evening Evergreen detailed images first.
17. Use Liquid Glue to adhere the panel to the 3 3/8" x 8 3/8" piece of Pool Party cardstock.
18. Use Liquid Glue to adhere the matted panel to the inside of the card base.
19. On a piece of Basic White cardstock, stamp the sentiment from *Happiness Abounds* in Polished Pink.
20. Use the smallest fat die in the *Stitched Rectangle Dies* set to cut out the sentiment.
21. Use Stampin' Dimensionals to adhere the die cut in place - to act as the easel "stop".

22. On a piece of Basic White cardstock, stamp the dog image from *Trees For Sale* in Soft Suede.
23. Use the matching die in the *Tree Lot Dies* to cut him out.

24. Use Soft Suede Stampin' Blends to add a few spots to the dog.
25. Use Stampin' Dimensionals to adhere the dog in place on the inner liner.
26. Add an Evening Evergreen **2021 - 2023 In Color Opal Round**.
27. Stamp the trees in Evening Evergreen and Soft Succulent on the front of a Soft Succulent **Slimline Envelope**.
28. Stamp the dog in Soft Suede and add spots with the Soft Suede Stampin' Blends.
29. DONE! 😊
