Card Stock Cuts for this Project:

Thick Basic White Cardstock: 3" x 3" (x3 - for the three card bases); 3" x 3" (scored and folded on the diagonal - easel)

Sweet Sorbet Cardstock: 2 7/8" x 2 7/8" (x3 - mats for each panel)

Soft Suede Cardstock: Tree Lot Dies die cut tree

Early Espresso Cardstock: Tree Lot Dies die cut cross-stand

Garden Green Cardstock: Tree Lot Dies die cut "boughs" (x4)

Brushed Metallic Cardstock (in Gold): Tree Lot Dies die cut star

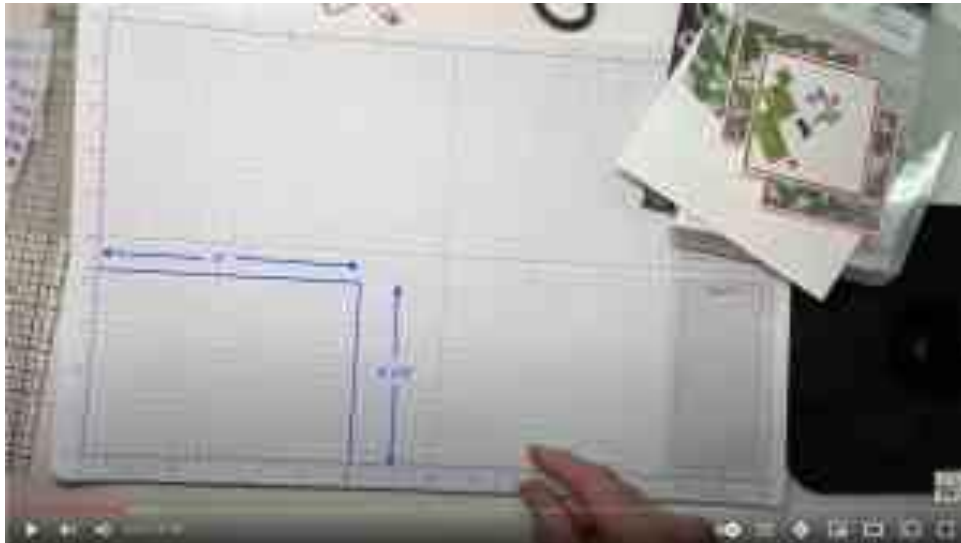

Pear Pizzazz Cardstock: Fussy cut sentiment words

Basic White Cardstock: 2 3/4" x 2 3/4" (embossed middle front panel)

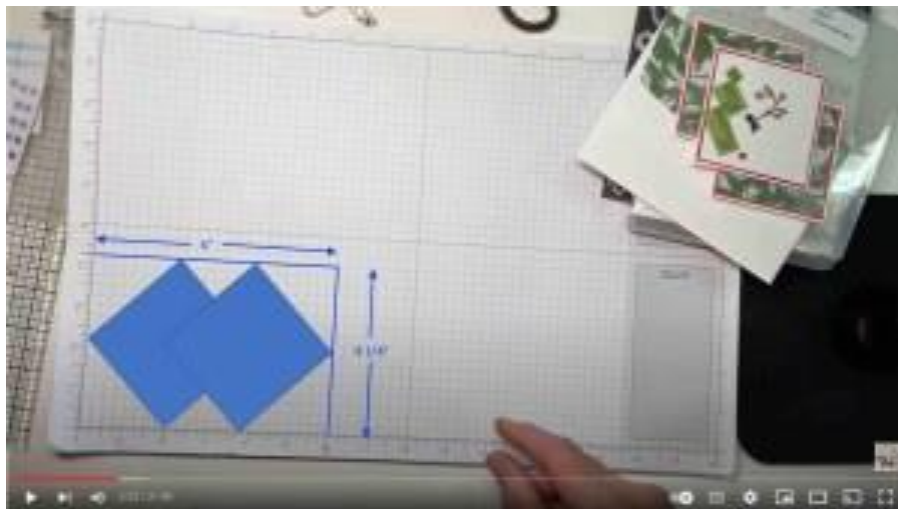

Painted Christmas DSP: 2 3/4" x 2 3/4" (x2 - side card front sections); 2 1/2" x 6" (envelope flap)

Instructions for this Project:

1. Use Liquid Glue to adhere the two $2\frac{3}{4}'' \times 2\frac{3}{4}''$ pieces of *Painted Christmas DSP* to two of the $2\frac{7}{8}'' \times 2\frac{7}{8}''$ pieces of Sweet Sorbet cardstock.
2. Use Liquid Glue to adhere the two matted panels to two of the $3'' \times 3''$ pieces of Thick Basic White cardstock.
3. TIP: It's helpful to draw rectangle on your grid paper - $4\frac{1}{4}''$ tall by $6''$ long - and use it as a "boundary" for assembling the card.

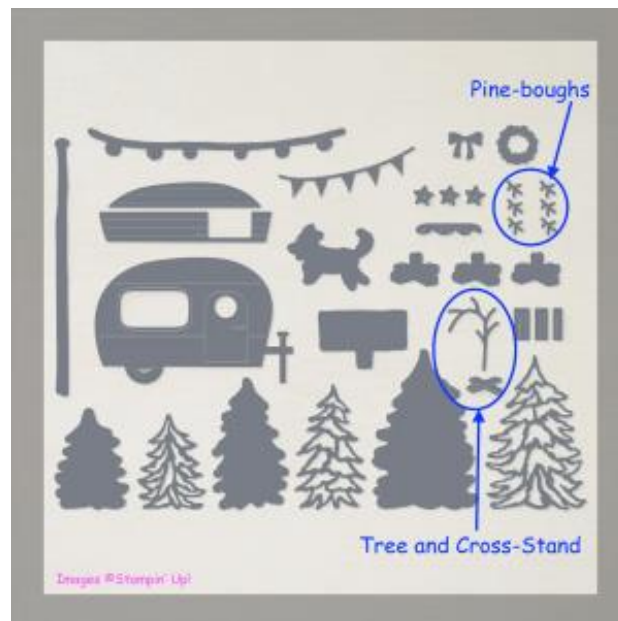

4. Place the two matted panels inside the rectangle in a diamond orientation - making sure that the bottom points of both squares are aligned and that everything remains within the $6''$ long rectangle!

5. Use Liquid Glue, where the two squares overlap, to adhere them together.
6. Use the *Whimsical Woodland 3D Embossing Folder* to emboss the $2\frac{3}{4}'' \times 2\frac{3}{4}''$ piece of Basic White cardstock.

7. Use Liquid Glue to adhere the embossed panel to the third 2 7/8" x 2 7/8" pieces of Sweet Sorbet cardstock.
8. Use Liquid Glue to adhere the matted panel to the third 3" x 3" Thick Basic White square.
9. Use Stampin' Dimensionals to adhere the matted panel between the other two diamonds - again ensuring that the bottom tips are aligned.
10. Use the **Tree Lot Dies**, to cut:
 - a. A Soft Suede "tree"
 - b. An Early Espresso cross-stand
 - c. Four Garden Green boughs
 - d. A gold Brushed Metallic cardstock star.

11. Use Liquid Glue to adhere the cross-stand and then the tree to the middle of the center panel.
12. Use Liquid Glue to adhere the four Garden Green boughs and the gold Brushed Metallic cardstock star to the tree
13. Stamp the **Trees For Sale** sentiment in Garden Green on a piece of Pear Pizzaz cardstock.
14. Use scissors to cut out the three words.
15. Use Liquid Glue to adhere each of the words to the card front.
16. Add three small Sweet Sorbet **2022-2024 In Color Matte Dots** to the tree and one large Dot to the card front.
17. To make the easel, use a Paper Trimmer to score on the diagonal of the final 3" x 3" piece of Thick Basic White cardstock.
18. Use scissors to snip a little off one point to make a straight edge for the easel.

19. Use Liquid Glue on just one half of the folded square to adhere the folded square to the bottom of the middle square on the back - aligning the bottom edges.

20. Use the **Trees For Sale** trees to stamp the front of the Basic White Medium Envelope.

a. Stamp the first step - the detailed image - in full strength Garden Green.

b. Stamp the second-step - the fill image - in stamped-off-once Garden Green.

21. Use Liquid Glue to run a thin line around the edges of the envelope flap. Lay the 2 1/2" x 6" piece of Painted Christmas DSP over the flap and rub it lightly to ensure it's stuck down

22. DONE! 😊
