Card Stock Cuts for this Project:

Pool Party Cardstock: 4 1/4" x 11" (card base, scored and folded at 5 1/2"); Christmas Banner die cut leaves (x3)

Basic White Cardstock: 4 1/8" x 5 3/8" (mats for card front and for inner liner); 4" x 5 1/4" (x2 - Candy Canes die cut card front panels); 4" x 5 1/4" (inner liner); Christmas Banner die cut banner (sentiment); Christmas Banner stamped and die cut leaves (x2)

Garden Green Cardstock: Christmas Banner die cut boughs (x2)

Real Red & White Glimmer Paper (in white): Christmas Banner die cut leaves (x2)

Sweetest Christmas DSP: Candy Canes die cut canes; 2 1/2" x 6" (envelope)

Instructions for this Project:

1. Use the large stripe die in the *Candy Cane Die* set to cut two of the 4" x 5 1/4" pieces of Basic White cardstock.
2. Use Liquid Glue to adhere one of the die cuts "upside down" on one of the 4 1/8" x 5 3/8" pieces of Basic White cardstock.
3. Use Liquid Glue to adhere the second die cut "right-side up" on top of the first die cut. That will create the crosshatching on the card front.
4. Use the candy cane dies in the *Candy Canes Die* set to cut out two candy canes from the *Sweetest Christmas DSP*.
5. Use the dies in the *Christmas Banner* die set to cut two Garden Green pine boughs and three Pool Party leaves.
6. Use the dies to cut two leaves from white paper from the *Real Red & White 6" x 6" Glimmer Paper*.
7. Stamp two leaves from *Christmas Banners* in Garden Green on a piece of Basic White.
8. Use their matching *Christmas Banner* die to cut them out.
9. On a piece of Basic White, stamp the *Christmas Banners* banner image in Garden Green.
10. Stamp the sentiment in Sweet Sorbet inside the banner.
11. Use the banner die in the *Christmas Banner* die set to cut out the sentiment.
12. Layout the DSP candy cane die cuts on the card front and determine where the sentiment will sit.
13. Use Paper Snips to cut the ends off of the two candy canes (beneath the sentiment).
14. Use Liquid Glue to adhere the TOPS of the candy canes to the card front.
15. Use Liquid Glue to adhere the leaves and boughs.
16. Use Stampin' Dimensionals to adhere the sentiment over the top of the collage.
17. Use Liquid Glue to adhere the ends of the candy canes under the sentiment banner - effectively extending the candy canes and making them appear LONGER than they actually are!

TIP: The Short video for this project will let you see how to do this! Click right [here!](#)

18. Adhere five Sweet Sorbet Sequins from the *Adhesive Backed Seasonal Sequins*.
19. On the remaining 4" x 5 1/4" pieces of Basic White cardstock, stamp two of the sentiment words from *Christmas Banners* in Sweet Sorbet.
20. Stamp the pine bough from the set in Garden Green in the corner.
21. Add a green *Seasonal Sequin* next to the sentiment.

22. Use Liquid Glue to adhere the panel to the second 4 1/8" x 5 3/8" pieces of Basic White cardstock.
23. Use Liquid Glue to adhere the matted panel to the inside of the Pool Party card base.
24. Use Stampin' Dimensionals to adhere the card front to the front of the card.
25. Stamp the **Christmas Banners** pine bough in Garden Green on the front of the Basic White Medium Envelop.
26. Use Liquid Glue to run a thin line around the edges of the envelope flap. Lay the 2 1/2" x 6" piece of **Sweetest Christmas DSP** over the flap and rub it lightly to ensure it's stuck down.
27. Use Paper Snips to trim off the excess paper.
28. DONE! ☺
