<https://youtu.be/PAnw8dN96m0>

Card Stock Cuts for this Project:

Thick Basic White Cardstock: 4 1/4" x 11"
(card base, scored and folded at 5 1/2")

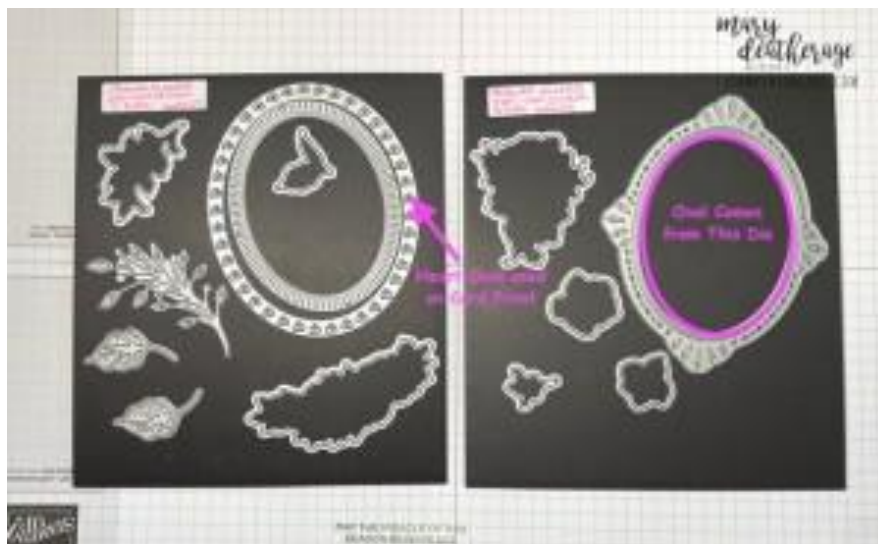

Orchid Oasis Cardstock: 4" x 5 1/4" (x2 - mats
for card front and for inner liner)

Basic White Cardstock: 3 7/8" x 5 1/8" (x2 -
card front and inner liner); Framed Florets die
cut oval; Sending Dies die cut label (sentiment)

2022-2024 In Color DSP (in Orchid Oasis): 2
1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use the heart-oval die in the *Framed Florets Die* set to emboss an oval-of-hearts in one of the 3 7/8" x 5 1/8" pieces of Basic White cardstock.

2. Use Liquid Glue to adhere the panel to one of the 4" x 5 1/4" piece of Orchid Oasis cardstock.
3. On another piece of Basic White, stamp the larger flower from *Sending Smiles* in Mango Melody ink.
4. Stamp the leaves image in Granny Apple Green.
5. Stamp the small flower in Orchid Oasis.
6. Stamp the flower centers in So Saffron ink using the center images from *Sending Smiles*.
7. Use the large frame die from *Framed Florets* to cut out the image.
8. Use Stampin' Dimensionals to adhere the oval into. You can keep the die cut frame for another project.
9. On another piece of Basic White cardstock, stamp a sentiment in Mango Melody and use the shorter label die in the *Sending Dies* to cut it out. Note: there are a lot of sentiment options in the *Sending Smiles* set - you could use any of them for this card. Even the longer sentiments - cut with the longer label die - would be awesome!
10. I popped the sentiment onto the card front with Stampin' Dimensionals.
11. Add three Brushed Brass Butterflies.
12. On the second 3 7/8" x 5 1/8" piece of Basic White cardstock, stamp the *Sending Smiles* flowers and stems. Tip: when you're creating this flower image - the large top flower "drives" where the remainder of the image will end up on your panel. So - stamp it first. Then add the stem. Finally add the small flower.
13. Adhere one small *Brushed Brass Butterfly*.

14. Use Liquid Glue to adhere the panel to the second 4" x 5 1/4" piece of Orchid Oasis cardstock.
15. Use Liquid Glue to adhere the matted panel to the inside of the Thick Basic White card base.
16. Use Stampin' Dimensionals to adhere the card front to the front of the card base.
17. Stamp the *Sending Smiles* flowers on the front of a Basic White Medium Envelope.
18. Add a thin line of Liquid Glue around the edges of the envelope flap.
19. Lay the 2 1/4" x 6" piece of Orchid Oasis **2022-2024 In Color 6" x 6" DSP** over the flap and rub it lightly to ensure it's stuck down.

20. Use Paper Snips to trim off the excess paper.
21. DONE! 😊
