<https://youtu.be/mXzVIsHT-So>

Card Stock Cuts for this Project:

Shaded Spruce Cardstock: 5 1/2" x 8 1/2" (card base, scored and folded at 4 1/4" and 6 3/8");
Decorated Pine die cut pine bough

Pool Party Cardstock: 4 1/8" x 5 3/8" (x2 - mats for card front and for back panel); 2" x 4 1/8" (x2- mats for easel panels); 1 7/8" x 4 1/2" (mat for easel stop); 3 7/8" x 5 1/8" (mat for art panel/easel on front); 1 7/8" x 3 5/8" (mat for DSP rectangle under sentiment on front)

Snowflake Specialty Vellum: 3 3/4" x 5" (art panel/easel)

Basic White Cardstock: 7/8" x 2 7/8" Stitched Rectangle Die cut (sentiment); 1 3/4" x 4 3/8" (easel); 4" x 5 1/4" (back panel); Stamped and die cut Sweet Candy Canes leaves (x3)

Sweetest Christmas DSP: Die cut candy cane; 1 7/8" x 4" (x2 - easel panels); 1 3/4" x 3 1/2" (DSP rectangle under sentiment on front); 3 3/4" x 5" (art panel/easel on front); 4" x 5 1/4" (inner panel - with easel stop); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Score the 5 1/2" x 8 1/2" piece of Shaded Spruce cardstock at 4 1/4" and 6 3/8" along the long side.
2. Fold the 4 1/4" score as a valley and the 6 3/8" fold as a mountain. This establishes the reverse easel structure.

3. On the 4" x 5 1/4" piece of Basic White cardstock stamp the small leaf from the **Sweet Candy Canes** in Pool Party ink.
4. Use Liquid Glue to adhere the panel to one of the 4 1/8" x 5 3/8" pieces of Pool Party cardstock.
5. Use Liquid Glue to adhere the matted panel to the back of the card base and then to the back of the card base.

6. Use Liquid Glue to adhere a 4" x 5 1/4" piece of Real Red design **Sweetest Christmas DSP** on the second 4 1/8" x 5 3/8" piece of Pool Party cardstock.
7. Use Liquid Glue to adhere the matted panel to the "inside" of the card.

8. Use Liquid Glue to adhere the two 1 7/8" x 4" pieces of candy-cane strewn pieces of **Sweetest Christmas DSP** on the 2" x 4 1/8" pieces of Pool Party cardstock.
9. Use Liquid Glue to adhere the matted panels to the two narrow panels of the card base.
10. Use little dabs of Liquid Glue to adhere the 3 3/4" x 5" piece of **Snowflake Specialty Vellum** to the 3 3/4" x 5" piece of Real Red striped **Sweetest Christmas DSP**. Put the little dots of Liquid Glue behind the printed snowflake design (to hide the glue).
11. Use Liquid Glue to adhere the layered panel on the 3 7/8" x 5 1/8" piece of Pool Party cardstock.
12. Use Liquid Glue to adhere the 1 3/4" x 3 1/2" piece of Real Red (polka dotted) **Sweetest Christmas DSP** on the 1 7/8" x 3 5/8" piece of Pool Party cardstock.
13. Use Liquid Glue to adhere the matted panel to the easel panel.
14. Use the pine bough die in the **Decorated Pine Die** set to cut out a Shaded Spruce bough.
15. On a piece of Basic White cardstock, stamp the leaf image from **Sweet Candy Canes** three times in Pool Party ink and then use the matching die in the **Candy Cane** die set to cut them out.
16. Use Liquid Glue to adhere the pine bough to the front of the easel panel - you'll probably need to snip off some of the stem.
17. Use Liquid Glue to adhere a candy cane - cut right from a piece of **Sweetest Christmas DSP** using a die from the **Candy Canes** dies set.
18. On a piece of Basic White, stamp a **Sweet Candy Cane** sentiment in Shaded Spruce.

19. Use the next-to-smallest narrow **Stitched Rectangle** die to cut out the sentiment.
20. Use Stampin' Dimensionals to adhere the sentiment onto the easel panel.
21. Use Liquid Glue to adhere the three stamped/die cut leaves.
22. Add several Red Rhinestones.
23. Use Liquid Glue on the "top" narrow easel panel to adhere the top of the easel - creating the reverse easel.
24. Stamp a **Sweet Candy Canes** sentiment in Shaded Spruce on the 1 3/4" x 4 3/8" piece of Basic White cardstock.
25. Stamp the leaf image in Pool Party Ink in the corners.
26. Use Liquid Glue to adhere the panel to the 1 7/8" x 4 1/2" piece of Pool Party cardstock.
27. Use Stampin' Dimensionals to adhere the stop in place.
28. Add a Red Rhinestone.

29. Stamp the **Sweet Candy Canes** leaf on the front of the Basic White Medium Envelope.
30. Add a thin line of Liquid Glue around the edges of the envelope flap.
31. Lay the 2 1/4" x 6" piece of **Sweetest Christmas DSP** over the flap and rub it lightly to ensure it's stuck down.
32. Use Paper Snips to trim off the excess paper.
33. DONE! 😊
