Card Stock Cuts for this Project:

Sweet Sorbet Cardstock: 4 1/4" x 11" (card base, scored and folded at 5 1/2")

Soft Sea Foam Cardstock: Largest Stitched Rectangle Die Cut ("mat" for card front); 4" x 5 1/4" (mat for inner liner); Framed Florets die cut leaves

Vellum Cardstock: Framed Florets die cut leaves

Basic White Cardstock: Stitched Rectangle Die cut (sentiment); 3 7/8" x 5 1/8" (inner liner)

Hello Irresistible DSP: Largest Stitched Rectangle Die Cut (card front); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use the largest **Stitched Rectangle Die** to cut a Soft Sea Foam "mat".
2. Use Liquid Glue to adhere the "mat" to the front of the Sweet Sorbet card base at a slight angle.
3. Use the same **Stitched Rectangle Die** to cut out a piece of **Hello Irresistible DSP**.
4. Place the heart oval die from the **Framed Florets** die set in place in the center of the rectangle and run it back thru the Stampin' Cut and Emboss Machine.
5. Use Stampin' Dimensionals to adhere the panel to the card front.
6. Use the leaf die from the **Framed Florets** die set to cut out a Soft Sea Foam and a Vellum cardstock leaf.
7. Use Liquid Glue to adhere the Soft Sea Foam leaf - and then the Vellum leaf on top - to the side of the oval. Tip - keep the Glue on just the lower part of the stem of the Vellum leaf, so that it will be hidden by the bow and sentiment.
8. Use two lengths of Sweet Sorbet **2022-2024 In Color Baker's Twine** to tie a simple bow.
9. Use a little bit of Liquid Glue to adhere the bow.
10. On a piece of Basic White stamp the **Framed Florets** sentiment in Sweet Sorbet.
11. Use the next-to-smallest Stitched Rectangle Die to cut out the sentiment.
12. Use double-stacked Stampin' Dimensionals to adhere the sentiment over the bow.
13. Add **Heart Pearls** - one on the sentiment and three on the card front.
14. On the 3 7/8" x 5 1/8" piece of Basic White cardstock, stamp a second sentiment from **Framed Florets** in Sweet Sorbet ink.
15. In the corner, stamp the leaf image in Soft Sea Foam.

16. Use Liquid Glue to adhere the panel to the 4" x 5 1/4" piece of Soft Sea Foam cardstock.
17. Use Liquid Glue to adhere the matted panel to the inside of the card base.

18. Stamp the **Framed Florets** leaf in Soft Sea Foam on the front of the Basic White Medium Envelope.
19. Add a thin line of Liquid Glue around the edges of the envelope flap.
20. Lay the 2 1/4" x 6" piece of **Hello Irresistible 6" x 6" DSP** over the flap and rub it lightly to ensure it's stuck down.
21. Use Paper Snips to trim off the excess paper.
22. DONE! 😊
