## Instructions for this Project:

1. Use Liquid Glue to adhere the 4 1/4" x 5 1/2" piece of the *Hello Irresistible DSP* onto the front of the Flirty Flamingo card base.
2. Use the next-to-largest *Stitched Rectangle* die, to cut out a piece of Basic White cardstock.
3. Stamp the splatters image from *Irresistible Blooms* in Soft Sea Foam a few times on the panel.
4. Emboss it in the flower-y folder from the *Basics 3D Embossing Folder*.
5. Use Liquid Glue to adhere the embossed panel to the card front.
6. Use the next-to-largest *Stylish Shapes* circle die, to cut a piece of plaid paper from the *Hello Irresistible DSP*.
7. Use Liquid Glue to adhere the circle die cut to the card front.
8. Use the dies in the *Irresistible Blooms* die set to cut out four sets of leaves - two three-leaf and two two-leaf - and two large and one small flower.
9. Use Liquid Glue to adhere the blooms, layering the leaves in amongst the blooms.

10. With a piece of Linen Thread, tie a Bow.
  - a. Wrap the Linen Thread around four fingers TWO times.
  - b. Without cutting the thread, wrap around two fingers TWO times.
  - c. Pull the loops off and squeeze the loops together.
  - d. Twist the loops one time around to create a "figure 8".
  - e. Tie a second short length of Thread around the loops in the middle.
  - f. Spread the loops out to create a bow.

11. On a piece of Basic White, stamp the **Irresistible Blooms** sentiment in Flirty Flamingo.
12. Use a banner die from the **Stylish Shapes** dies.
13. Use double-stacked Stampin' Dimensionals to adhere the sentiment over the bow.
14. Use small dots of Liquid Glue and the putty end of the Take Your Pick tool to adhere a bunch of **Loose Frosted Dots**.
15. Use the largest **Stitched Rectangle** die to cut a Basic White cardstock panel.
16. In the corner, stamp the large flower from **Irresistible Blooms** in Flirty Flamingo.
17. Stamp a couple of small leaves in Soft Sea Foam.

18. Use Liquid Glue to adhere the panel to the inside of the Flirty Flamingo card base.
19. Stamp the **Irresistible Blooms** flower and leaves on the front of the Basic White Medium Envelope.

20. Add a thin line of Liquid Glue around the edges of the envelope flap.
21. Lay the 2 1/4" x 6" piece of *Hello Irresistible DSP* over the flap and rub it lightly to ensure it's stuck down.
22. Use Paper Snips to trim off the excess paper.
23. DONE! ☺
