Instructions for this Project:

1. Score the 4 1/4" x 11" piece of Early Espresso cardstock at 2 3/4" and 5 1/2" on the long side.
2. Fold the first score line as a mountain and the second as a valley.
3. Score the 2 3/4" x 10" piece of Early Espresso cardstock at 4 3/4" and 7 1/2" on the long side - folding the first score as a mountain and the second as a valley.

4. Use Liquid Glue to adhere the 4" x 5 1/4" and two 4" x 2 1/2" pieces of dark wood-grain paper from the *One Horse Open Sleigh 6" x 6" DSP* on the two 2 5/8"x 4 1/8" and the 4 1/8" x 5 3/8" pieces of Petal Pink cardstock.
5. Use Liquid Glue to adhere the panels to the large card base.
6. Use Liquid Glue to adhere the 2 1/2" x 4 1/2" piece of deer paper from the *One Horse Open Sleigh 6" x 6" DSP* to the 2 5/8" x 4 3/8" piece of Real Red cardstock. Tip: when you cut that paper with the little deer on it - cut it so that the deer is centered as the focal point!
7. Use Liquid Glue to adhere the matted panel to the large panel on the small card base.
8. Use Liquid Glue to adhere the 2 1/2" x 2 1/2" piece of light woodgrain paper from the *One Horse Open Sleigh 6" x 6" DSP* to the 2 5/8" x 4 3/8" piece of Real Red cardstock.
9. Use Liquid Glue to adhere the matted panel to the small middle panel on the small card base.

10. On the 2 1/4" x 2 1/2" piece of Basic White cardstock stamp the sentiment from *Horse & Sleigh* in Real Red.
11. Stamp the bare tree image from the *Horse & Sleigh* set twice - first in stamped-off-ONCE Crumb Cake and the second in stamped-off-TWICE Crumb Cake on the panel. Tip - the second image should be SHORTER than the first -to give a sense of depth!
12. Use Liquid Glue to adhere the panel to the 2 3/8" x 2 5/8" piece of Real Red cardstock.
13. Use Liquid Glue to adhere the matted panel to the small end panel of the small card base.

14. Use the Dark Crumb Cake and Pebbled Path Stampin' Blends to color a piece of leaf-strewn **Vellum Basics Specialty Paper**. Add a lot of color with the Blends - and let the colors swirl together. Then wait a bit to be sure it is DRY!
15. When dry, used the tree die from the **Horse & Sleigh Die Set** to cut out three trees from the colored velum.

16. Use Glue Dots to adhere the trees to the panel with the deer - letting him peer out thru the branches.
17. On another piece of Basic White, stamp the **Horse & Sleigh** "Season of Cheer" sentiment in Real Red.
18. Use the largest **Stylish Shapes** label die to cut out the sentiment.
19. Use Stampin' Dimensionals to adhere the sentiment to the front of the small card base.
20. To adhere the small card to the large card, fold both of them and set the small card in place - centering it on the large card.
21. Use Liquid Glue to adhere the top panel of the small card to the top panel of the large card. Caution: you only want glue on the TOP part of the small card panel!

22. Use Liquid Glue to adhere the last panel (the one with the inside sentiment) to the largest panel on the large card base.
23. Add several **Adhesive-backed Snowflakes**.
24. Add a tiny drop of silver **Metallics Enamel Effects** to the middle of each snowflake.   Caution: give the enamel effect plenty of time to dry!
25. Stamp the **Horse & Sleigh** bare trees in Crumb Cake on both side of the front of the Basic White Medium Envelope...using the stamping off method again.
26. Add a thin line of Liquid Glue around the edges of the envelope flap.
27. Lay the 2 1/4" x 6" piece of **One Horse Open Sleigh 6" x 6" DSP** over the flap and rub it lightly to ensure it's stuck down.
28. Use Paper Snips to trim off the excess paper.
29. DONE! ☺
