Card Stock Cuts for this Project:

Lost Lagoon Cardstock: 4 1/4" x 11" (card base - scored at folded at 5 1/2")

Berry Burst Cardstock: 4" x 5 1/4" (mat for inner liner); Lighting the Way die cut lightning bugs (x3)

Vellum Basics Specialty Paper: Next-to-Largest Scalloped Contours die cut rectangle on front

Distressed Gold Specialty DSP: Lighting the Way die cut lantern

Pretty Peacock Cardstock: Second-from-Largest Scalloped Contours die cut rectangle on front (sentiment)

Basic White Cardstock: 3 7/8" x 5 1/8" (inner liner)

Instructions for this Project:

1. Across the bottom of the Lost Lagoon card base, stamp the three leaves images from the *Lighting the Way* stamp set in Pretty Peacock ink. Note: stamp some of the images in full strength and some in stamped-off-once ink.
2. Use the next-to-largest *Scalloped Contour* die to cut out a piece of the leaves-strewn *Vellum Basics Specialty DSP*.
3. Use the second-from-largest die in the *Scalloped Contours* die set to cut out a Pretty Peacock rectangle.
4. Use the lantern die from the *Lighting the Way* die set to cut out a *Distressed Gold* lantern.
5. Set both rectangles and the lantern die cut in place on the front of the card base - without adhering anything.
6. Use the large "glow" stamp in the set to stamp the Vellum die cut in Daffodil Delight ink and then set it aside to dry.
7. In the meantime, near the bottom of the Pretty Peacock die cut, stamp the *Lighting the Way* sentiment in Versamark ink.
8. Sprinkle it with white Stampin' Emboss Powder and heat emboss it with the Heat Tool.
9. Near the top of the die cut, stamp the lightning bug "trail" image from the set in Versamark, sprinkle it with gold Stampin' Emboss Powder and heat set that as well.
10. When the ink has dried on the Vellum die cut use Stampin' Seal - only on the right side (where it will be hidden by the Pretty Peacock piece) - to adhere it to the card front.
11. Use Stampin' Seal to adhere the Pretty Peacock die cut as well.
12. Use Stampin' Dimensionals to adhere the lantern in place.
13. Use the three lightning bug dies from the set to cut out three Berry Burst lighting bugs.
14. Lightly curl the wings with your fingers.
15. Use small pieces of Stampin' Dimensionals to adhere the three die cuts.
16. Tie a simple bow with two pieces of Linen Thread.
17. Use a Glue Dot to adhere the bow to the lantern top.
18. Add seven Rhinestone Basic Jewels.
19. Ink just the word "thanks" from the *Lighting the Way* sentiment in Pretty Peacock ink and stamp it on the 3 7/8" x 5 1/8" piece of Basic White panel.
20. In the corner, stamp the trail image in Daffodil Delight.
21. Stamp the smallest "glow" image in stamped-off-once Daffodil Delight.
22. Stamp the small lightning bug in Berry Burst.

23. Use Liquid Glue to adhere the panel to the 4" x 5 1/4" piece of Berry Burst cardstock.
24. Use Liquid Glue to adhere the matted panel to the inside of the Lost Lagoon card base.
25. On the front of the Basic White Medium Envelope stamp the *Lighting the Way* "trail", small glow and Berry Burst lightning bug.
26. Stamp more leaves in Pretty Peacock and three small "glow" images and three lightning bugs on the envelope flap.

27. DONE! ☺
