Card Stock Cuts for this Project:

Pretty Peacock Cardstock: 4 1/4" x 11" (card base, scored & folded at 5 1/2")

Flirty Flamingo Cardstock: 4" x 5 1/4" (x2 - mats for card front and for inner liner); 3" x 3" (mat for large Stylish Shapes square on front)

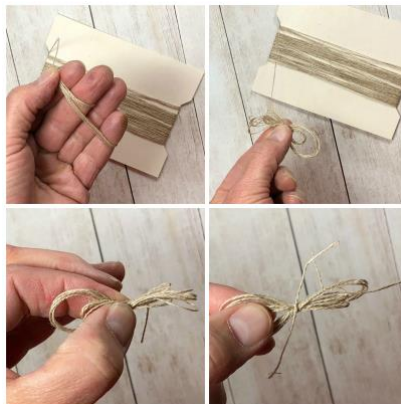

Vellum Basics Specialty DSP: Translucent Florals die cut flowers (3 large and 3 small); Translucent Flowers die cut large leaves (x2)

Basic White Cardstock: 3 7/8" x 5 1/8" (inner liner)

One Horse Open Sleigh DSP: 3 7/8" x 5 1/8" (card front); Translucent Florals stamped and die cut greenery (x3); Stylish Shapes label die cut (sentiment); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Stamp the *Translucent Florals* flowers and leaves on two designs of the *Vellum Basics Specialty DSP*.
2. On the front side of the dotted *Vellum Basics Specialty DSP*, stamp two large and two *Translucent Florals* small flowers in Flirty Flamingo ink and one of each in Melon Mambo ink.
3. On the front side of the leafy *Vellum Basics Specialty DSP*, stamp two large leaves in Granny Apple Green.
4. Set them aside to dry. Tip: be careful stamping on vellum - the stamp can slide around a bit! And - it takes the ink extra time to dry - so you can use your Heat Tool on the low setting to hurry it along.
5. While they're drying, use Liquid Glue to adhere the 3 7/8" x 5 1/8" piece of the dark wood-grain paper from the *One Horse Open Sleigh 6" x 6" DSP* on one of the 4" x 5 1/4" pieces of Flirty Flamingo cardstock.
6. Use the largest *Stylish Shapes* square die to cut a square from a lighter piece of woodgrain *One Horse Open Sleigh 6" x 6" DSP*.
7. Use Liquid Glue to adhere the die cut square to the 3" x 3" piece of Flirty Flamingo cardstock.
8. Wrap a piece of Linen Thread twice around the panel - tying a knot in the front.
9. Tie a Half-Double-Loop Linen Thread bow.
 - a) Wrap the Linen Thread around four fingers two times.
 - b) Without cutting the thread, wrap around two fingers two times.
 - c) Pull the loops off and squeeze the loops together.
 - d) Twist the loops one time around to create a "figure 8".
 - e) Tie a second short length of Thread around the loops in the middle.
 - f) Spread the loops out to create a bow.

10. Use a Glue Dot to adhere the bow over the knot on the thread.
11. Use Stampin' Dimensionals to adhere the panel to the card front.
12. Stamp the *Translucent Floral* twigs image three times in Pretty Peacock on the same light woodgrain DSP.

13. Use the coordinating **Translucent Florals** dies to cut them out.
14. Once the vellum flowers are completely dry use the coordinating **Translucent Florals** dies to cut them out.
15. Turn all over and color the **BACK** of the vellum. Color all the flowers with the Dark Flirty Flamingo Stampin' Blend and the two leaves with the Dark Parakeet Party Stampin' Blend.
16. When dry, use a Bone Folder to curl all the die cut flowers.
17. Use Glue Dots to adhere the small flowers to the front of the large flowers, creating three double-layer flowers.
18. Use Liquid Glue on all the leaves and Glue Dots on the flowers to adhere the elements onto the card front.

19. On another piece of the light woodgrain **One Horse Open Sleigh DSP** stamp the **Translucent Florals** sentiment in Pretty Peacock ink.
20. Use a **Stylish Shapes** label die to cut out the sentiment.
21. Use double stacked Stampin' Dimensionals to adhere the sentiment onto the card front. You may need a triple stack on the right end of the sentiment to support it.
22. Add copper Neutrals Adhesive-backed Sequins.

23. On the 3 7/8" x 5 1/8" piece of Basic White cardstock, stamp the second **Translucent Florals** sentiment in Pretty Peacock ink.

24. Over the top, stamp the smaller flower in stamped-off-once Flirty Flamingo.

25. Use Liquid Glue to adhere the panel to the second 4" x 5 1/4" piece of Flirty Flamingo cardstock.

26. Use Liquid Glue to adhere the matted panel to the inside of the Pretty Peacock card base.

27. Use Liquid Glue to adhere the card front to the front of the card base.

28. Stamp the large flower in Flirty Flamingo ink on the front of the Basic White Medium Envelope.

29. Add a thin line of Liquid Glue around the edges of the envelope flap.

30. Lay the 2 1/4" x 6" piece of **One Horse Open Sleigh 6" x 6" DSP** over the flap and rub it lightly to ensure it's stuck down.

31. Use Paper Snips to trim off the excess paper.

32. DONE! 😊
