Card Stock Cuts for this Project:

Starry Sky Cardstock: 4 1/4" x 11" (card base, scored and folded at 5 1/2" and 6 3/4"); Bag of Bones die cut hat and "collar"

Cajun Craze Cardstock: 1" x 4 1/8" (mat for small "book" panel); 4" x 4" (cut on a diagonal - mat for two card front sections); 4 1/8" x 4 1/8" (mat for inner liner); 7th-from-smallest Deckled Circle die (mat for front circle)

Gold Foil Paper: Bag of Bones die cut stars (x3)

Smoky Slate Cardstock: Bag of Bones die cut crypt

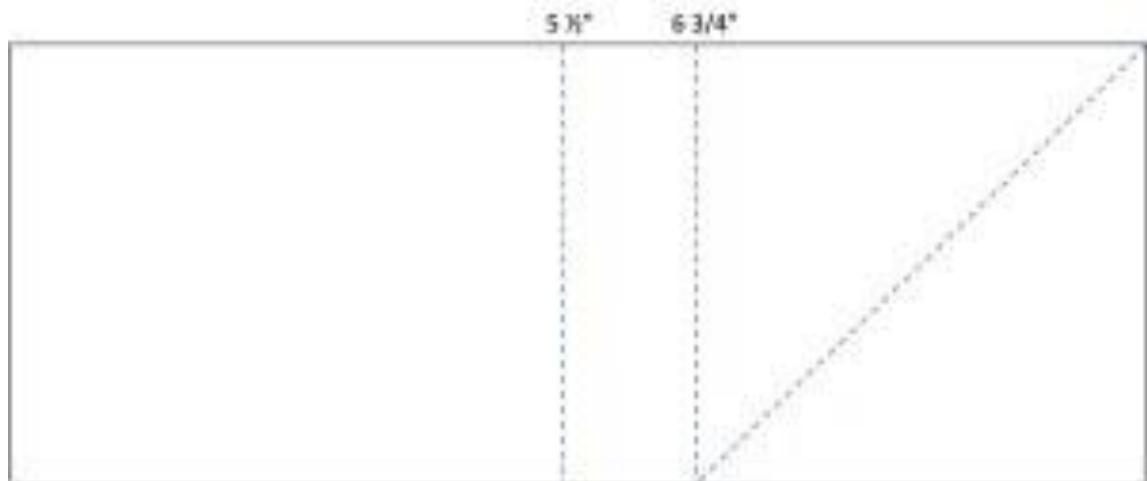

Basic Black Cardstock: Bag of Bones die cut fence and bats

Basic White Cardstock: Stamped and die cut skeleton, dog and bandana; 4" x 4" (inner liner)

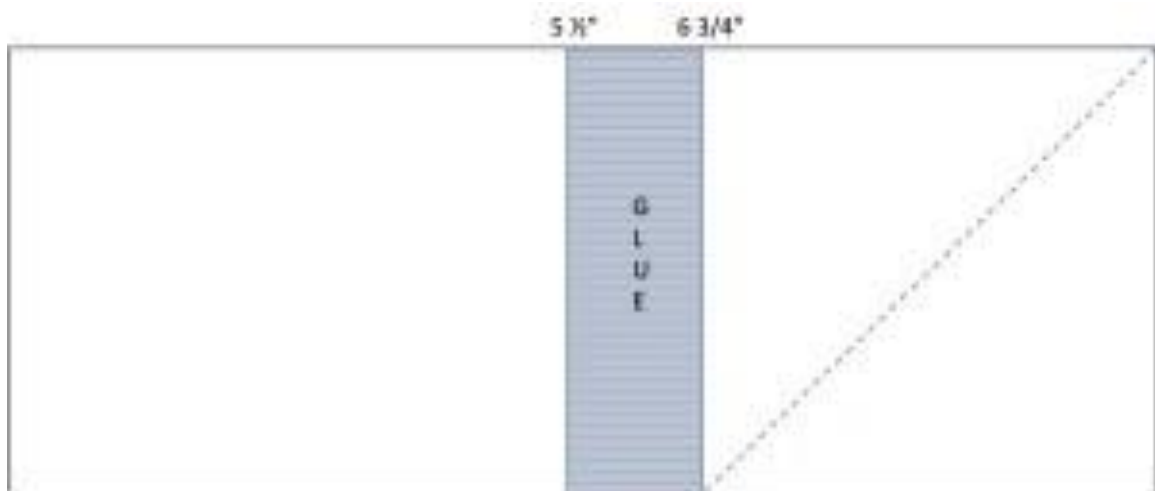

Them Bones DSP: 7/8" x 4" (small "book" panel); 3 3/4" x 3 3/4" (x2 - cut on a diagonal - two card front sections); Bag of Bones die cut boots (x2); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Score the 4 1/4" x 11" piece of Starry Sky cardstock at 5 1/2" and 6 3/4" on the long side.
2. Score the 4 1/4" x 4 1/4" side on the diagonal.

3. Fold the 5 1/2" score line as a "mountain" and the 6 3/4" score in the opposite direction. The diagonal fold is a "mountain".

4. Use Liquid Glue between the 5 1/2" and 6 3/4" score lines to adhere the front of the card base to the back - just in that 1 1/4" area. This makes the "book" or "side" fold.
5. Use Liquid Glue to adhere the 7/8" x 4" piece of **Them Bones DSP** (the one that looks like bats) on the 1" x 4 1/8" piece of Cajun Craze cardstock.
6. Use Liquid Glue to adhere the matted strip to the small panel on the left (the "book" binding).
7. Use the Paper Trimmer to cut the 4" x 4" piece of Cajun Craze cardstock and two 3 3/4" x 3 3/4" squares (in two designs) of **Them Bones DSP** into triangles.

8. Use Liquid Glue to adhere one of each DSP triangle (use a different design for each - see the photos) to one of the Cajun Craze triangles.
9. Use Liquid Glue to adhere the matted triangles to the two sections of the card front.
10. Use the 6th-from-smallest **Deckled Circle** die to cut out a piece of the **Them Bones DSP** (it's the night sky with the moon in it).
11. Use the next largest die to cut out a Cajun Craze cardstock circle.
12. Use Liquid Glue to and adhere the two circles together.
13. Put Liquid Glue on the lower triangle of the card front - the easel - and then adhere the matted circle to it.
14. Use the die in the **Bag of Bones** die set to cut out a Basic Black "fence".
15. Use Liquid Glue to adhere it to the matted circle.
16. Create the crypt:
 - a) Push the cutting-side of the crypt die from the **Bag of Bones** dies into the top of the Basic Gray ink pad to ink up the die.
 - b) Carefully place the die (cutting side down) on a piece of Smoky Slate cardstock and run it thru the Stampin' Cut and Emboss Machine.
 - c) Stamp the **Bag of Bones** sentiment in the middle of the cut out in Cajun Craze ink.
 - d) Use a Blending Brush to add some Basic Gray ink all over the die cut - to "age" it some. Hint: start your blending OFF the die cut - and go slowly - you can always ADD more ink, but taking it OFF is difficult.

17. Use Liquid Glue to adhere the finished crypt to the matted circle.
18. On a piece of Basic White stamp the skeleton from **Bag of Bones** in Basic Gray and the dog image in Cajun Craze.
19. Use the matching **Bag of Bones** dies to cut out both of them.
20. Use Liquid Glue to adhere the dog to the skeleton and then to the matted circle.

21. To dress them:

- a) Cut out a Starry Sky cardstock hat and adhere it with Liquid Glue.
- b) Use the moon and stars die from the **Bag of Bones** set to cut out three Gold Foil stars. Use Liquid Glue to adhere one star to his hat and the other to his chest.
- c) Use the cane and bow tie die in the set to cut from Starry Sky cardstock. Snip the cane down and adhere it to the dog's neck with a little Liquid Glue.
- d) Use Liquid Glue to adhere the third tiny Gold Foil star to the dog's collar.
- e) On a piece of Basic White, stamp the beret-mustache-bandana image in Starry Sky ink.
- f) Use the coordinating die to cut it all out - then adhere the bandana with Liquid Glue.

22. Use the **Bag of Bones** die to cut out three Basic Black bats.

23. Use Liquid Glue to adhere them to the card.

24. For the inside, stamp a **Bag of Bones** sentiment in Cajun Craze on the 4" x 4" piece of Basic White cardstock.

25. Stamp the kitty in Pumpkin Pie ink.

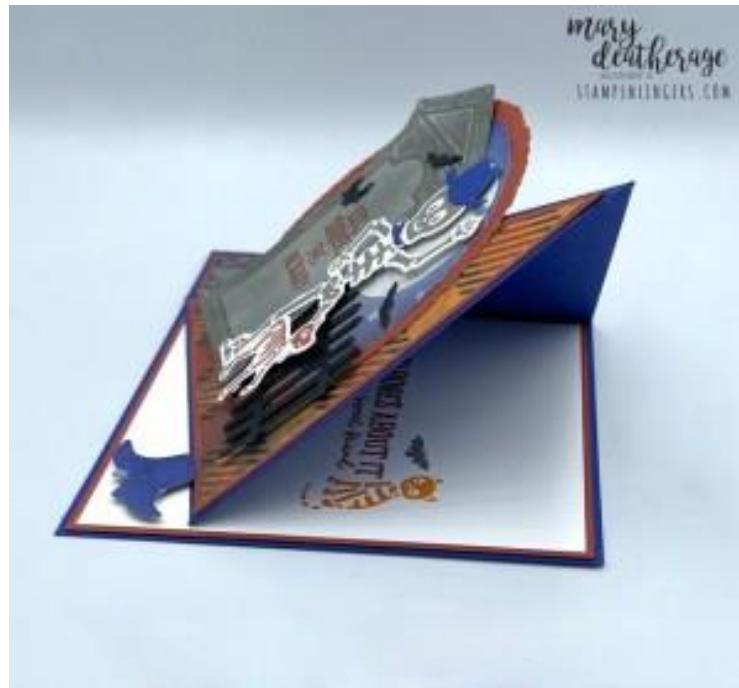

26. Stamp the bats in Basic Gray.

27. Use Liquid Glue to adhere the panel on the 4 1/8" x 4 1/8" piece of Cajun Craze cardstock.

28. Use Liquid glue to adhere the matted panel to the inside of the card.

29. To make the easel stop use the *Bag of Bones* die to cut out the cowboy boots from more of the starry-night *Them Bones DSP*.
30. Use a little Liquid Glue to adhere them together at their jaunty boot-scootin' angle.
31. Use Stampin' Dimensionals to adhere them in place on the back panel of the card to stop the easel where you want it to stand.

32. Stamp the Pumpkin Pie *Bag of Bones* kitty and some Basic Gray bats on the front of the Basic White Medium Envelope.
33. Add a thin line of Liquid Glue around the edges of the envelope flap.
34. Lay the 2 1/4" x 6" piece of *Them Bones DSP* over the flap and rub it lightly to ensure it's stuck down.

35. Use Paper Snips to trim off the excess paper.

36. DONE! ☺
