**Card Stock Cuts for this Project:**

**Night of Navy Cardstock:** 4 1/4" x 11" (card base, scored and folded at 5 1/2"); 4 1/4" x 5 7/8" (easel bottom panel, scored and folded at 1/2" on the long side); Stylish Shapes die cut label (easel stop); Night Divine die cut Nativity

**Gold Foil:** 1" x 4 1/8" (strip under easel stop); Frame for vellum window (cut with largest and next-to-largest Stylish Shapes Circle dies); Stars at Night die cut star

**Vellum Cardstock:** 3 3/4" x 4 3/4" (approx size - window behind DSP card front)

**Very Vanilla Cardstock:** 4" x 5 1/4" (back liner)

**Shining Brightly Specialty DSP:** 4" x 5 1/4" (front panel); 1 3/4" x 4" (under easel stop); 2 1/4" x 6" (envelope flap)

## Instructions for this Project:

1. Place the 4" x 5 1/4" piece of **Shining Brightly Specialty DSP** on the front of the Night of Navy card base.
2. Set the next-to-largest **Stylish Shapes** circle die in place on the panel - and then run it thru the Stampin' Cut and Emboss Machine to cut both the DSP and the card front at the same time.
3. Use Stampin' Seal to adhere the 3 3/4" x 4 3/4" piece of Vellum cardstock onto the card front covering the die cut hole.
4. Use the die from the **Night Divine** set to cut out a Night of Navy nativity silhouette.
5. Use a little Liquid Glue to adhere it in place on the card front, over the vellum-covered hole. Tip - place the bottom of the die cut right on the bottom edge of the die cut hole.
6. Use Black Stampin' Dimensionals to adhere the 4" x 5 1/4" piece of **Shining Brightly DSP** atop the card front, making sure the holes are lined up.
7. Use the largest and next-to-largest **Stylish Shapes** circle die to cut out a Gold Foil frame.
8. Use Liquid Glue to adhere the frame into position. Note: I totally forgot to do this part on the video. Don't be like me!
9. Score the 4 1/4" x 5 7/8" piece of Night of Navy cardstock at 1/2" on the long side.
10. Use Liquid Glue to adhere the 1 3/4" x 4" piece of **Shining Brightly DSP** to the bottom of the easel panel, on the opposite end from the score line.
11. Ink the large sentiment from **Night Divine** in Versamark and stamp it on the panel, centered between the score line and the DSP panel.
12. Sprinkle it with Gold Metallic Embossing Powder and heat set it with the Heat Tool.
13. Fold the panel at the 1/2" score line and add Tear & Tape Adhesive to the flap.
14. Use that to adhere the panel to the BOTTOM of the back panel of the card base.

15. Use Liquid Glue to adhere the 1" x 4 1/8" piece of Gold Foil across the DSP panel at the bottom of the panel.
16. On a piece of Night of Navy cardstock stamp another **Night Divine** sentiment in Versamark, sprinkle it with **Gold Metallics Embossing Powder** and heat set it.

17. Use the largest label die from **Stylish Shapes** to cut out the sentiment.
18. Use Black Stampin' Dimensionals to adhere the sentiment to the bottom panel to create the easel stop.
19. Stamp another **Night Divine** sentiment in Versamark ink on the 4" x 5 1/4" piece of Very Vanilla cardstock.
20. Sprinkle it with Gold Embossing powder and heat set it with the Heat Tool.
21. Use Stampin' Seal to adhere it to the top panel of the inside of the card.

22. Use a small star die from the **Stars at Night** dies to cut out a Gold Foil star.
23. Use a Glue Dot to adhere the star to the Vellum.
24. Heat emboss the **Stars at Night** stars image in Gold on the front of the Very Vanilla Medium Envelope.
25. Add a thin line of Liquid Glue around the edges of the envelope flap.
26. Lay the 2 1/4" x 6" piece of **Shining Brightly Specialty DSP** over the flap and rub it lightly to ensure it's stuck down.
27. Use Paper Snips to trim off the excess paper.
28. DONE! ☺

Use a battery-powered tea light to illuminate the image.
