Instructions for this Project:

1. Use Liquid Glue to adhere the 4 1/4" x 5 1/2" piece of lure-covered paper from the *Let's Go Fishing DSP* to the front of the Thick Very Vanilla card base.
2. Use the tackle-box-divider die in the *Gone Fishing* die set to cut out a Wild Wheat divider. NOTE: Hang onto the pieces that got cut out!
3. Use Foam Adhesive Strips, to adhere the divider die cut to one of the 3 7/8" x 5 1/8" piece of Wild Wheat cardstock. Note - before sticking the divider to the panel, you can use the Wild Wheat Stampin' Write Marker to color the edges of the foam strips if you want them to "disappear" entirely.
4. On the cut-out piece for the top left corner compartment - stamp the *Gone Fishing* sentiment in Versamark Ink.
5. Sprinkle it with White Embossing Powder and heat set it with the Heat Tool.
6. Slide the die cut into its compartment and use Liquid Glue to adhere it.
7. Use the triangles folder from the *Geometric Patterns Embossing Folders* to emboss the remaining cut-out pieces.
8. Use Liquid Glue to adhere them in place - putting a couple in "embossed side up" and the others in "embossed side down".
9. Create the following:
 - a) Stamp the fly in Crumb Cake ink three times on Very Vanilla cardstock. Use the fill stamp to fill each of the lures - one each in Calypso Coral, Misty Moonlight and Mossy Meadow. Use the coordinating *Gone Fishing Die* to cut out the three flies.
 - b) Stamped the "congrats" sentiment in Wild Wheat on a piece of Very Vanilla cardstock and cut it out with the spinner die from the set. Touch up the sentiment a little - to make it darker - using the Wild Wheat Stampin' Write Marker.
 - c) Use the various dies in the set to cut out three little feathers (for the three flies), the large spinner and little triangle, and four hooks from silver *Holographic Trio Specialty* paper.
 - d) Use Liquid Glue to adhere the silver die cut feathers to the three flies.
10. Use Liquid Glue and Stampin' Dimensionals to adhere the pieces and parts into the tacklebox.

- a) Use Liquid Glue to adhere the Calypso Coral fly and Dimensionals to adhere the Mossy Meadow lure in the top compartment.
 - b) Use Liquid Glue for the hooks and the triangle piece in the middle compartment. For the spinner, put a dimensional under the right end and use Liquid Glue on the left end to adhere it in place.
11. Add **Rustic Metallic Adhesive-backed Dots** to the corners and intersections of the divider-frame.
 12. For the Misty Moonlight fly - tie a loop in the end of a length of Linen Thread - and use Liquid Glue to adhere that to the end of the fly.
 13. Use Stampin' Dimensionals to adhere the lure in place.

14. Loop the end of the Linen Thread up and around the frame of the divider - using Glue Dots up in the corners to secure it. As it loops "around" a few of the Rustic Metallic dots - use tiny pieces of Glue Dot to secure the Linen Thread.
15. Down in the bottom compartment - use Liquid Glue to adhere a final looping of Linen Thread.
16. Slide the sentiment spinner into place - securing it with a Stampin' Dimensional.
17. On the 3 3/4" x 5" piece of Very Vanilla cardstock, stamp a third sentiment from *Gone Fishing* in Wild Wheat ink.
18. Stamp the fly in Crumb Cake and use Misty Moonlight for the fill.

19. Use Liquid Glue to adhere the panel to the second 3 3/4" x 5" piece of Wild Wheat cardstock.
20. Use Liquid Glue to adhere the matted panel to the inside of the Very Vanilla card base.
21. Use Stampin' Dimensionals to adhere the tackle-box card front to the front of the card base.
22. Stamp the Crumb Cake and Misty Moonlight fly on the front of the Very Vanilla Medium Envelope.
23. Add a thin line of Liquid Glue around the edges of the envelope flap.
24. Lay the 2 1/4" x 6" piece of lure-strewn *Let's Go Fishing DSP* over the flap and rub it lightly to ensure it's stuck down.
25. Use Paper Snips to trim off the excess paper.
26. DONE! 😊
