

# Sending Zinnias Flip Front Thank You Card

**Link to the Original Project Blog Post:**

<https://wp.me/p5snyt-xp1>

**Card Stock Cuts for this Project:**

**Basic Black Cardstock:** 4 1/4" x 11" (card base, scored and folded at 2 1/8" and 5 1/4"); 3/4" x 2 7/8" (mat for sentiment)

**Petal Pink Cardstock:** 3 1/8" x 4 1/8" (x2 - mats for smaller DSP panels); 4 1/8" x 5 3/8" (mat for back panel)

**Lemon Lime Twist Cardstock:** Simply Zinnia die cut leaf

**Daffodil Delight Cardstock:** Simply Zinnia die cut flower

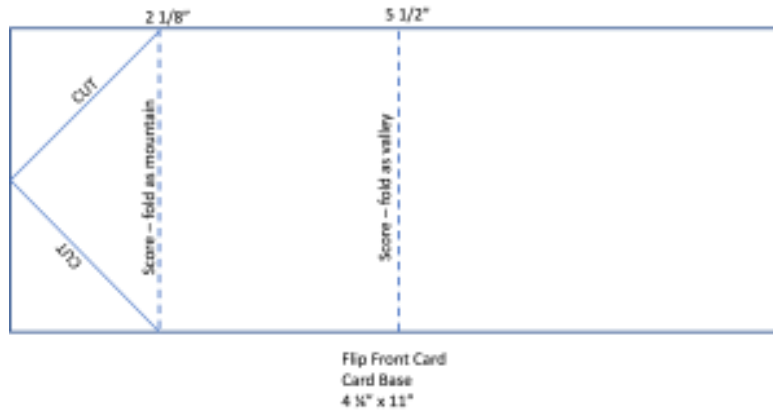

**Berry Burst, Old Olive and White Glimmer Paper:** Simply Zinnia die cut stem and single leaf (Old Olive), Solid Flower (Berry Burst), Flower (white); flower middle (white)

**Basic White Cardstock:** 5/8" x 2 3/4" (sentiment); 2 7/8" x 4" (back panel)

**Flowering Zinnias DSP:** Largest Stylish Shapes die cut square (front); 3" x 4" (x2 - for small front and inside panels); 2 3/8" x 4" (on back panel) 2 1/4" x 6" (envelope flap)

## Instructions for this Project:

1. Score the 4 1/4" x 11" piece of Basic Black cardstock at 2 1/8" and again at 5 1/2".
2. Mark the middle point on the short end (closest to the 2 1/8" score line).
3. Use a Paper Trimmer to cut a point - cutting from that mid-point to the 2 1/8" score line.

4. Fold and burnish the two score lines - the 2 1/8" as a mountain fold and the 5 1/2" as a valley.

5. Use Liquid Glue to adhere the two 3" x 4" pieces of the *Flowering Zinnias DSP* on the two 3 1/8" x 4 1/8" pieces of Petal Pink cardstock.
6. Use Liquid Glue to adhere one matted panel to the small front panel...

7. Use Liquid Glue to adhere the second matted panel to the small inside panel of the card base.

8. Use the largest *Stylish Shapes* square die to cut a piece of Petal Pink *Flowering Zinnias DSP*.
9. Use the dies in the *Simply Zinnia* set to cut the following foliage:

- a) Solid flower piece from Berry Burst Glimmer Paper.
  - b) Detailed flower and flower center from White Glimmer Paper.
  - c) Second flower (using the other detailed flower die in the set) from Daffodil Delight cardstock.
  - d) Leaf and Leaf/stem from Old Olive Glimmer Paper.
10. Use Liquid Glue to assemble the flower.
  11. Close the card and use Liquid Glue just on the LEFT side of the **Stylish Shapes** square (rotated to be a diamond) to adhere it to the point on the card base.

12. Use Liquid Glue to adhere the two single leaves to the die cut square (they can extend past the Stylish Shapes die cut - but be sure they don't extend above the top of the card base).
13. Use Liquid Glue to adhere the flower over the top.
14. Tie a simple **Linen Thread** bow and use Liquid Glue to adhere it to the card front.

15. Stamp the **Simply Zinnia** sentiment in Berry Burst ink on the 5/8" x 2 3/4" piece of Basic White cardstock.
16. Use Liquid Glue to adhere the sentiment to the 3/4" x 2 7/8" piece of Basic Black cardstock.
17. Use Stampin' Dimensionals to adhere the sentiment onto the card front.
18. Use Liquid Glue to adhere the remaining stem/leaf die cut - pulling the leaf up and onto the sentiment.
19. Add three **Iridescent Foil Gems**.
20. On the 2 7/8" x 4" piece of Basic White cardstock, stamp the second **Simply Zinnia** sentiment in Berry Burst ink.
21. Stamp the zinnia in the corner in Flirty Flamingo ink.
22. Use Petal Pink and Daffodil Delight Stampin' Blends to color the flower.
23. Add an **Iridescent Foil Gem** by the sentiment.

24. Use Liquid Glue to adhere the sentiment panel to the left side of the 4 1/8" x 5 3/8" piece of Petal Pink cardstock.
25. Use Liquid Glue to adhere the 2 3/8" x 4" piece of **Flowering Zinnia DSP** to the right side of the mat.
26. Use Liquid Glue to adhere the matted panel into the inside of the card base.
27. Stamp the **Simply Zinnia** flower in Flirty Flamingo ink on the front of the Basic White Medium Envelope.
28. Color the flower with the Petal Pink and Daffodil Delight Stampin' Blend.
29. Add a thin line of Liquid Glue around the edges of the envelope flap.
30. Lay the 2 1/4" x 6" piece of **Flowering Zinnias DSP** over the flap and rub it lightly to ensure it's stuck down.
31. Use Paper Snips to trim off the excess paper.
32. DONE! 😊
