Take to the Sky DSP: Second-from-Largest Deckled Rectangle die cut (card front); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Stamp the rivet-panel image from the *Adventurous Sky* stamp set in Smoky Slate ink all over the front of the Smoky Slate card base.
2. Use the second-to-largest **Deckled Rectangle** die to cut out a piece of cloud-strewn paper from the *Take to the Sky DSP*.
3. Use Stampin' Dimensionals to adhere the rectangle die cut to the front of the card base.
4. Use all three cloud dies in the *Adventurous Sky* set to cut out four Basic White clouds.
5. Use Liquid Glue to adhere three of them - one in each size - at the top of the rectangle on the card front..
6. Use the fuselage die to cut out a Mossy Meadow plane and the wings die to cut Copper Clay wings.
7. Use Liquid Glue to adhere the wings to the plane.
8. Use the die in the set to cut out a Smoky Slate propeller.
9. Use Liquid Glue to adhere the prop to the airplane.
10. Use Liquid Glue to adhere the plane to the card front.
11. On a piece of Basic White, stamped two sentiments in Boho Blue ink.
12. Use the large cloud die to cut out the larger sentiment.
13. Use Stampin' Dimensionals to adhere the sentiment cloud to the card front.
14. Use Stampin' Dimensionals to adhere another small die cut cloud.
15. Use the banner die in the *Adventurous Sky* set to cut out the smaller sentiment - cheating the sentiment to the left side of the banner.
16. Use the die in the set to cut out a Copper Clay tow-harness.
17. Use Liquid Glue to adhere it a little past the end of the sentiment (not at the far end of the banner). Note: do some fit checking here - to be sure you make the banner short enough to fit on the card! The video shows you how to do that!
18. Use Paper Snips to cut off the excess banner.
19. Use Liquid Glue to adhere the banner behind the plane.
20. On the 3 7/8" x 5 1/8" piece of Basic White cardstock, stamp the cloud image from *Adventurous Sky* in Smoky Slate ink.
21. Over it, stamp a second sentiment in Boho Blue ink.
22. Stamp the small airplane image from the set in Copper Clay ink.

23. Use Liquid Glue to adhere the panel to the 4" x 5 1/4" piece of Mossy Meadow cardstock.
24. Use Liquid Glue to adhere the matted panel to the inside of the Smoky Slate card base
25. Stamp the clouds and airplane on the front of the Basic White Medium Envelope.
26. Add a thin line of Liquid Glue around the edges of the envelope flap.
27. Lay the 2 1/4" x 6" piece of **Take to the Sky DSP** over the flap and rub it lightly to ensure it's stuck down.
28. Use Paper Snips to trim off the excess paper.
29. DONE! ☺
