Card Stock Cuts for this Project:

Basic Black Cardstock: 4 1/4" x 11" (card base, scored and folded at 5 1/2"); 3" x 4 3/8" (mat for center Deckled Rectangle die cut)

Basic White Cardstock: Second-from-Largest Deckled Rectangle die cut (art/sentiment panel); 4" x 5 1/4" (inner liner)

2024-2026 In Color 6" x 6" DSP: Largest Deckled Rectangle die cut (card front); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use the largest **Deckled Rectangle** die to cut out a rectangle from the "bubbly" design in the **2024-2026 In Color DSP**. Note: the one in this sample happens to be the Pretty In Pink - but...it's the same idea for all five colors.
2. Use Liquid Glue to adhere the die cut to the front of a Basic Black card base.
3. Use the 2nd-to-largest **Deckled Rectangle** to cut out a Basic White cardstock rectangle.
4. Use a NEARLY dry Blending Brush, to add a little ink (Pretty in Pink, in this case, but...used the same color as the DSP for each card) in the middle of the white die cut
5. Stamp the floral image from the **Spotlight on Nature** set in Tuxedo Black Memento Ink in the center of the die cut, angling it a bit to leave room for the sentiment.
6. Stamp the **Spotlight on Nature** sentiment in Tuxedo Black Memento Ink.
7. Use Liquid Glue to adhere the die cut panel to the 3" x 4 3/8" piece of Basic Black cardstock.
8. Use Liquid Glue to adhere the matted panel to the card front.
9. Add three **2024-2026 In Color Shimmer Gems** in Pretty In Pink (again - use the same color as the DSP and ink).
10. Use a Basic Black Stampin' Write Marker to add doodle-dots on the front image around the leaves, stem and flowers.
11. In the corner of the 4" x 5 1/4" piece of Basic White cardstock, use the almost dry **Blending Brush** to add a little color.
12. Stamp the **Spotlight in Nature** butterfly in Tuxedo Black Memento Ink.
13. Use the Basic Black Stampin' Write Marker to add doodle-dots.
14. Add another 2024-2026 In Color Shimmer Gem.

15. Use Liquid Glue to adhere the panel to the inside of the Basic Black card base.
16. Add the blending, the **Spotlight in Nature** butterfly and little doodle-dots on the front of the Basic White Medium Envelope.
17. Add a thin line of Liquid Glue around the edges of the envelope flap.
18. Lay the 2 1/4" x 6" piece of **2024-2026 In Color DSP** over the flap and rub it lightly to ensure it's stuck down.
19. Use Paper Snips to trim off the excess paper.
20. DONE! 😊
