Masculine Seaside Turtle Wishes Made My Day Card
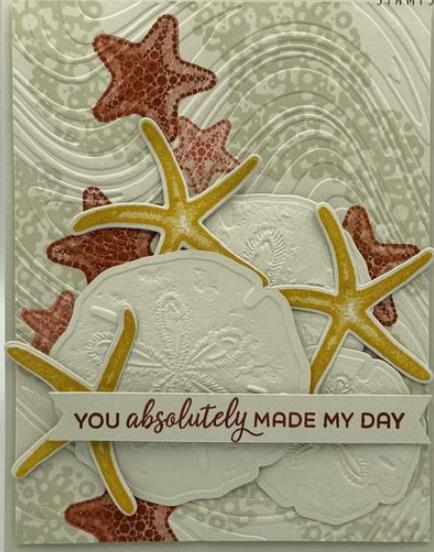

Card Stock Cuts for this Project:

Basic Beige Cardstock: 4 1/4" x 11" (card base - scored and folded at 5 1/2"); 4" x 5 1/4" (embossed card front and inner liner); Die cut/embossed Seaside Wishes Sand Dollars (x3); Stamped and die cut Seaside Wishes starfish (x3); 1/2" x 3 3/4" (sentiment)

Instructions for this Project:

1. Stamp the pebbled ground image from the **Sea Turtle** stamp set in Basic Beige ink all over one of the 4" x 5 1/4" pieces of Basic Beige cardstock.
2. Stamp the larger starfish from **Sea Turtle** in Cajun Craze ink and the smaller starfish in Calypso Coral ink all around - making a sort of line down the left side - and then one off to the right side.

3. Use the **So Swirly 3D Embossing Folder** to emboss the panel.
4. Place another piece of Basic Beige cardstock inside the **Seaside Wishes Hybrid Embossing Folder** - and add the three-sand-dollar die inside.
5. Close the folder and run it thru the Stampin' Cut and Emboss Machine using the gray Specialty Plate (the 3D Embossing folder sandwich) - which will cut and emboss the three sand dollars at the same time.
6. On a piece of Basic Beige cardstock, stamp the **Seaside Wishes** starfish in Crushed Curry three times ink.
7. Use the coordinating die in the **Seaside Wishes** set to cut out the three starfish.
8. Use Stampin' Dimensionals to adhere the two smaller sand dollars.
9. Use Liquid Glue to adhere two of the die cut starfish.
10. Use Stampin' Dimensionals to adhere the final (largest) sand dollar.
11. Use Liquid Glue to adhere the final die cut starfish.
12. On the 1/2" x 3 3/4" strip of Basic Beige cardstock, stamp the **Seaside Wishes** sentiment in Cajun Craze ink.
13. Use scissors to snip banner ends.

14. Use Stampin' Dimensionals to adhere the strip.
15. On the second 4" x 5 1/4" piece of Basic Beige cardstock, create an underwater scene with Basic Beige sand from the **Sea Turtle** set and more Cajun Craze and Calypso Coral starfish from **Sea Turtle**.
16. Stamp the sentiment from **Seaside Wishes** in Cajun Craze ink.
17. Stamp a final **Seaside Wishes** star fish in Crushed Curry.

18. Use Liquid Glue to adhere the panel inside the Basic Beige card base.
19. Use Stampin' Dimensionals to adhere the card front to the front of the card base.
20. Stamp the **Sea Turtle** sand and starfish on the front of the Basic White Medium Envelope.
21. Stamp Sea Turtle starfish and sand, plus a few Seaside Wishes starfish on the envelope flap.

22. DONE! ☺
