[Card Stock Cuts for this Project:](#)

**Mossy Meadow Cardstock:** 4 1/4" x 10" (card base - scored & folded at 5 1/2" x 6 3/4");  
Golden Greenery die cut pine boughs (as many as needed)

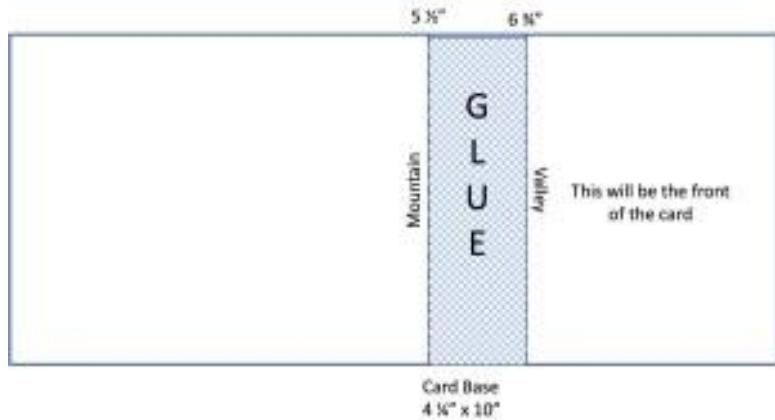

**Gold Foil:** 1 1/8" x 4 1/8" (mat for book fold panel); 2 5/8" x 3 1/8" (mat for front DSP rectangle); 2 7/8" x 4 1/8" (mat for inner liner); Golden Greenery die cut pine boughs (x2)

**Basic White Cardstock:** Greetings of the Season die cut oval (sentiment); 2 3/4" x 4" (inner liner)

**Seasons of Green & Gold Specialty DSP:** 1" x 4" (book fold panel); 2 1/2" x 3" (front DSP rectangle); 1 1/4" x 4 1/4" (inner liner strip); Golden Greenery die cut leaves (2) and pine bough (1); 2 1/4" x 6" (envelope flap)

## Instructions for this Project:

1. Use the Paper Trimmer to score the 4 1/4" x 10" piece of Mossy Meadow cardstock on the long side at 5 1/2" and again at 6 3/4".
2. Fold the 5 1/2" score line as a "mountain" and at the 6 3/4" score in the opposite direction. Topographically speaking, that would be a "valley" fold!

3. Use Liquid Glue between the 5 1/2" and 6 3/4" score lines to adhere the front of the card base to the back - just in that 1 1/4" area. This makes the "book" or "side" fold.

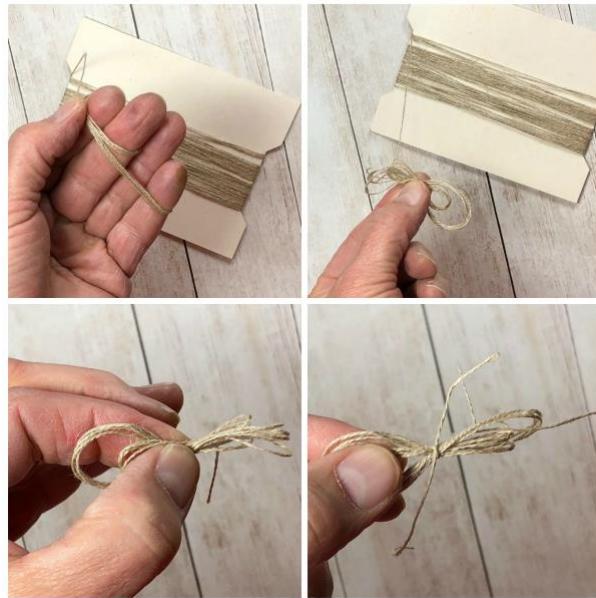

4. Use Stampin' Seal + to adhere the 1" x 4" piece of **Season of Green & Gold Specialty DSP** to the 1 1/8" x 4 1/8" piece of Gold Foil.
5. Use Stampin' Seal + to adhere the matted strip to the book-fold panel (that's the narrow front panel).
6. Use the pine bough dies in the **Golden Greenery** set to cut out several Mossy Meadow pine boughs. You'll need five or six to cover the front of the card base.
7. Use Liquid Glue to adhere the die cut pine boughs all over the front panel - with a couple of them hanging off the right edge and off the top and bottom edges.
8. Use Paper Snips to trim the excess from the top and bottom - but leave the "overhang" on the right edge.

9. Use Stampin' Seal + to adhere the 2 1/2" x 3" piece of plaid **Season of Green & Gold Specialty DSP** on the 2 5/8" x 3 1/8" piece of Gold Foil.
10. Use Liquid Glue on the left side of the back of the matted panel to adhere it to the card front - letting it extend past the right edge.
11. Use the dies in the **Golden Greenery** set to cut out two leaf images and a pine bough image from the **Season of Green & Gold Specialty DSP**.
12. Use the dies to cut out two detailed pine boughs from Gold Foil.
13. Use Liquid Glue to adhere the die cuts to the card front.

14. On a piece of Basic White cardstock stamp the **Greetings of the Season** sentiment in Versamark Ink, sprinkle it with gold Embossing Powder and heat set it with the Heat Tool.
15. When the melted embossing powder has cooled, use an oval **Greetings of the Season** die to cut it out.
16. Use Stampin' Dimensionals to adhere the sentiment over the leaves.
17. Tie a double-loop Linen Thread bow.
  - a) Wrap Linen Thread around four fingers four times.
  - b) Without cutting the thread, wrap around two fingers four times.
  - c) Pull the loops off and squeeze the loops together.
  - d) Twist the loops one time around to create a "figure 8".
  - e) Tie a second short length of Thread around the loops in the middle.
  - f) Spread the loops out to create a bow.

18. Use a scrunched up Glue Dot to adhere the bow.
19. Add three triple-berry and two single-berry **Cherry Cobbler & Pearl Adhesive-backed Berries**.
20. Use Liquid Glue to adhere the  $1\frac{1}{4}'' \times 4\frac{1}{4}''$  piece of **Season of Green & Gold Specialty DSP** to the right edge of the inside of the card.
21. On the  $2\frac{3}{4}'' \times 4''$  piece of Basic White cardstock stamp the **Greetings of the Season** sentiment in Cherry Cobbler ink.
22. Stamp the **Golden Greenery** pine bough over top in stamped-off-once Mossy Meadow ink.

23. Use Stampin' Seal+ to adhere the panel to the  $2\frac{7}{8}'' \times 4\frac{1}{8}''$  piece of **Gold Foil**.
24. Use Liquid Glue to adhere the matted panel to the inside of the card.
25. Stamp the **Golden Greenery** pine bough in full-strength Mossy Meadow Ink on the front of the Basic White Medium Envelope.
26. Add a thin line of Liquid Glue around the edges of the envelope flap.

27. Lay the 2 1/4" x 6" piece of *Season of Green & Gold Specialty DSP* on the flap and rub it lightly to ensure it's stuck down.
28. Use Paper Snips to trim off the excess paper.
29. DONE! ☺
