[Card Stock Cuts for this Project:](#)

Shaded Spruce Cardstock: 4 1/4" x 11" (card base - scored and folded at 5 1/2"); 4 1/8" x 5 3/8" (card front); Reindeer Fun die cut holly leaves (x10), berries (6 - or as needed); wreath and gifts.

Pretty Peacock, Lost Lagoon Cardstocks:
Reindeer Fun die cut gifts and ribbons

Festive Glimmer Paper: Reindeer Fun die cut ribbons; die cut deer nose

Pecan Pie and Early Espresso Cardstocks:
Reindeer Fun die cut deer - 1 each color

Basic Beige Cardstock: 2 1/8" x 3 1/8" (mat for DSP panel on front); Reindeer Fun die cut deer

Basic White Cardstock: 4" x 5 1/4" (inner liner)

Sentimental Christmas DSP: 2" x 3" (DSP panel on front); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use the holly leaf and holly berries dies in the **Reindeer Fun** die set to cut out a bunch of Shaded Spruce leaves and berries. I cut ten of each - and...used all the leaves and about half the berries.
2. Use Liquid Glue to adhere the leaves and berries onto the 4 1/8" x 5 3/8" piece of Shaded Spruce cardstock - letting some hang off the edges. Note: they don't have to cover the center of the panel since it's covered by the matted DSP panel.
3. Use Paper Snips to cut off the excess cardstock.
4. Use Stampin' Dimensionals to adhere the panel to the front of the Shaded Spruce card base.
5. Use Liquid Glue to adhere the 2" x 3" piece of **Sentimental Christmas DSP** to the 2 1/8" x 3 1/8" piece of Basic Beige cardstock.
6. Use Stampin' Dimensionals to adhere the matted panel to the card front.
7. Use the **Reindeer Fun** die to cut out a Shaded Spruce cardstock wreath.
8. Use Liquid Glue to adhere the wreath to the DSP panel.
9. Use the dies in the **Reindeer Fun** die set, to cut out the three parts for the deer - there are three dies and I used them all - cutting one each from Early Espresso (antlers); Basic Beige (middle layer); Pecan Pie (top layer).
10. Use the middle layer die again to cut out from a piece of **Cherry Cobbler Festive Glimmer Paper**. All you need from this cut is the little "negative" from the nose.
11. Use Liquid Glue to stack the three deer pieces & to add the Glimmer negative "nose".
12. Use Stampin' Dimensionals to adhere the deer to the card front.
13. Use the two "gift" dies and two "ribbon" dies in the **Reindeer Fun** die set to cut out gifts and ribbons in Shaded Spruce, Pretty Peacock, Lost Lagoon cardstocks and **Cherry Cobbler Festive Glimmer Paper**.
14. Use Liquid Glue, to adhere the ribbon die cuts to the gift die cuts.
15. Use Stampin' Dimensionals to adhere the gifts to the DSP panel.

16. Add a couple of **Cherry Cobbler Adhesive-backed Berries** to the wreath.

17. On the 4" x 5 1/4" piece of Basic White cardstock stamp the *Reindeer Fun* leaping deer in Pecan Pie ink.
18. Over that, stamp the sentiment in Poppy Parade ink.

19. Use Liquid Glue to adhere the panel to the inside of the card base.
20. Stamp the deer in Pecan Pie ink on the front of the Basic White Medium Envelope.
21. Add a thin line of Liquid Glue around the edges of the envelope flap.
22. Lay the 2 1/4" x 6" piece of *Sentimental Christmas DSP* on the flap and rub it lightly to ensure it's stuck down.
23. Use Paper Snips to trim off the excess paper.
24. DONE!
