

# Decorative Trees & Patchwork Bows Christmas Card

[Link to the Original Project Blog Post:](#)

<https://wp.me/p5snyt-AJr>

Card Stock Cuts for this Project:

**Thick Basic White Cardstock:** 4 1/4" x 11" (card base, scored and folded at 5 1/2")

**Garden Green Cardstock:** largest Deckled Rectangle die cut (mat for card front)

**Granny Apple Green Cardstock:** Decorative Trees die cut tree on front

**Gold Foil Sheets:** Decorative Trees die cut star on front

**Basic White Cardstock:** Christmas Labels die cut (sentiment); 4" x 5 1/4" (inner liner)

**Take a Bow 6" x 6" DSP:** Strips as needed (card front); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use the **Take a Bow** die to cut out a set of strips from two designs of the Take a Bow 6" x 6" DSP.
2. Weave them in a lattice - think...top crust on a cherry pie.

3. Keep adding strips until the piece is large enough that the next-to-largest **Deckled Rectangle** die will fit on it.
4. Use Liquid Glue at the "junctions" to adhere it all together.
5. Place it in the **Stampin' Cut and Emboss Machine** with the next-to-largest **Deckled Rectangle** die in place.
6. Notice where there will be "gaps" in the corners.

7. Use Liquid Glue to adhere pieces of the DSP (you'll have some extra die cut strips leftover - cut small pieces and "piece them in" at the corners.

8. Run it thru the Stampin' Cut and Emboss Machine with the next-to-largest Deckled Rectangle die in place.!

9. Use the largest **Deckled Rectangle** die to cut out a Garden Green cardstock mat.
10. Use Stampin' Dimensionals to adhere the patchwork card front to the Garden Green mat.
11. On a piece of Granny Apple Green cardstock stamp the tree image from **Decorative Trees** in Garden Green ink,
12. Use the coordinating die in the **Decorative Trees** set to cut out the tree.
13. Use Liquid Glue to adhere the die cut tree to the card front.

14. Use the die in the **Decorative Trees** set to cut out a Gold Foil star.
15. Use a Stampin' Dimensional to adhere the die cut star to the top of the tree.
16. Use two lengths of **Gold Twisted Thread** to tie a simple bow and adhere it with Liquid Glue.
17. On a piece of Basic White cardstock stamp the **Decorative Trees** sentiment in Real Red ink.
18. Use a **Christmas Labels** die to cut out the sentiment.
19. Use double-stacked Stampin' Dimensionals to adhere the sentiment over the bow.
20. Add three **Gold Textured Adhesive-backed Dots**.
21. On the 4" x 5 1/4" piece of Basic White cardstock stamp the **Decorative Trees** sentiment in Real Red on a Basic White panel. In the corner, I stamped the **Decorative Trees** tree in Garden Green ink.
22. Stamp the **Decorative Trees** star in Wild Wheat ink.

23. Use Liquid Glue to adhere the panel to the inside of the Thick Basic White card base.
24. Use Liquid Glue to adhere the card front to the front of the card base.
25. Stamp the **Decorative Trees** tree and star on the front of the Basic White Medium Envelope.
26. Add a thin line of Liquid Glue around the edges of the envelope flap.
27. Lay the 2 1/4" x 6" piece of **Take a Bow 6" x 6" DSP** on the flap and rub it lightly to ensure it's stuck down.
28. Use Paper Snips to trim off the excess paper.
29. DONE!
