1. Use the Daffodil Delight watercolor pencil to color the flowers on the first design in the *Nature's Paintings* kit.
2. Add Pumpkin Pie and Flirty Flamingo penciling on the shading lines that are part of the printed design.
3. Use the Early Espresso watercolor pencil to color the flower centers.
4. Use Garden Green and Coastal Cabana pencils to color the leaves.
5. Use the included Water Painter - without much water - to blur the pencil strokes.
6. Color the frame around the flowers with the Garden Green pencil.
7. Use the Early Espresso watercolor pencil to add some doodle-dots and some shadows around the leaves and flowers.
8. Tear the *Nature's Paintings* panel down so that it fits nicely on a Shaded Spruce card base from the *Alpine Air* kit.
9. Use Stampin' Dimensionals from the *Alpine Air* kit to adhere the torn panel to the card base.
10. On one of the banner die cuts in the *Alpine Air* kit, stamp the *Alpine Air* sentiment in Garden Green ink.
