Card Stock Cuts for this Project:

Gray Granite Cardstock: 4 1/4" x 11" (card base, scored and folded at 5 1/2")

Fresh Freesia Cardstock: 4" x 5 1/4" (mat for card front)

Basic White Cardstock: Stamped and punched toadstools and stems

Toadstool Gardens 6" x 6" DSP: 3 7/8" x 5 1/8" (card front); 3 7/8" wide and fussy cut as shown (bottom portion of card front); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use Liquid Glue to adhere the 3 7/8" x 5 1/8" piece of Gray Granite paper from the **Toadstool Gardens 6" x 6" DSP** on the 4" x 5 1/4" piece of Fresh Freesia cardstock
2. From the second design from the DSP pack use Paper Snips to cut along the natural curve in the paper as shown.

3. Use the Paper Trimmer to cut the panel down to 3 7/8" wide.
4. Set the panel in place on the card front and use a pencil to lightly trace it onto the card front.
5. Use both grass images from **Terrific Toadstools** to stamp grass all along the curve in Granny Apple Green ink.
6. Use Stampin' Dimensionals to adhere the cut-down panel to the card front - aligning the sides and the bottom edge.
7. On a strip of Basic White cardstock - stamp three toadstool tops in Poppy Parade ink. Tip – if you stamp them on a 1 1/4" wide piece of cardstock – that fits perfectly inside the punch to cut out the toadstool tops!
8. Also stamp a toadstool top in stamped-off-once Granny Apple Green.
9. On a second strip of Basic White cardstock, stamp five stems in Crumb Cake ink. Tip: for the stems, a 1/2" wide strip works perfectly!
10. Use the bundled **Terrific Toadstools Builder Punch** to cut out all the tops and stems.
11. Stamp the **Terrific Toadstools** sentiment in Poppy Parade ink on the Granny Apple Green top.
12. Use Liquid Glue to adhere stems to the two oval Poppy Parade toadstool tops.
13. Use Stampin' Dimensionals on the backs of the tops to adhere them to the card front - sliding their stems under the "ground".

14. For the remaining toadstool tops, use Stampin' Dimensionals to adhere them to the card front.
15. Cut a couple of the remaining stems into two pieces and adhere the top pieces of the stems to the toadstools. Note: you're doing this so that you can make the stems appear longer than they really are - so...you want them to be long enough to hide the ends under the toadstools on the panel!
16. With the bottom halves of the stems, tuck one end under the "ground" and the other end under the toadstool tops and adhere them with Liquid Glue. Confused? Check the short video! :)
17. Add seven **Party Dots**.
18. In the corner of the 4" x 5 1/4" piece of Basic White cardstock stamp one **Terrific Toadstool** in Poppy Parade ink.
19. Stamp the stem in Crumb Cake ink.
20. Stamp grass in Granny Apple Green ink.

21. Use Liquid Glue to adhere the panel to the inside of the Gray Granite card base.
22. Use Stampin' Dimensionals to adhere the card front to the front of the card base.
23. Stamp the **Terrific Toadstool** and a little grass on the front of the Basic White Medium Envelope.
24. Add a thin line of Liquid Glue around the edges of the envelope flap.
25. Lay a 2 1/4" x 6" piece of **Toadstool Gardens DSP** on the flap and rub it lightly to ensure it's stuck down.
26. Use Paper Snips to trim off the excess paper.
27. DONE!
