(envelope flap)

Instructions for this Project:

1. Score and fold the large base $4\frac{1}{4}'' \times 8\frac{1}{2}''$ piece of Summer Splash cardstock at 3".
2. Score and fold the $3'' \times 8''$ piece of Lemon Lime Twist cardstock at 4".
3. On the $2\frac{7}{8}'' \times 4\frac{1}{8}''$ piece of Pumpkin Pie paper from the **Friends of the Ocean DSP** stamp the bubbles all over in Calypso Coral ink. Tip: there are two bubble stamps in the set. Place them both on a single block and then stamp them randomly on the panel - turning the block a bit for each stamp.
4. Use Liquid Glue to adhere the panel to the small front panel of the Summer Splash card base.

5. Use Liquid Glue to adhere the $4\frac{1}{8}'' \times 5\frac{3}{8}''$ piece of **Friends of the Ocean DSP** on the inside of the Summer Splash card base.
6. Use Liquid Glue to adhere the second $2\frac{7}{8}'' \times 4\frac{1}{8}''$ piece of **Friends of the Ocean DSP** on the inside of the front panel.

7. Use a Small Blending Brush to add Calypso Coral ink near the bottom of one of the $2\frac{7}{8}'' \times 3\frac{7}{8}''$ pieces of Basic White cardstock.
8. Emboss the panel in **Soft Waves 3D Embossing Folder**.

9. Use Liquid Glue to adhere the panel to the front of the Lemon Lime Twist card base (remembering to keep the folded edge on the right as you look at it).
10. Use the dies in the *Ocean Friends* die set to cut out the large coral die cut from Summer Splash cardstock and five grasses (3 large and 2 small) from Lemon Lime Twist *Pastel Ombre Specialty Glimmer Paper*.
11. Use Paper Snips to cut out a seahorse, puffer fish and the little crab from a piece of the *Friends of the Ocean* DSP.
12. Use Liquid Glue near the bottom of the die cuts to adhere the coral and then four of the die cut grasses to the small card front.
13. Use Liquid Glue to adhere the fussy cut seahorse and a Stampin' Dimensional to adhere the fussy cut puffer fish.

14. Stamp the *Ocean Friends* sentiment in Berry Burst ink on the 3/4" x 2 1/2" strip of Basic White cardstock.
15. Use Paper Snips to cut a banner in the right end of the strip.
16. Use Stampin' Dimensionals to adhere the sentiment to the small card front. Tip: on this little card - be sure that none of your die cuts or sentiments extend past the RIGHT side - if they do, they'll get bent up every time that card is opened and closed.
17. Use Dimensionals to adhere the fussy cut crab by the left end of the sentiment.
18. Use the *Ocean Friends* die to cut out starfish - three from Berry Burst cardstock and three from a little Petal Pink *Pastel Ombre Glimmer Specialty Glimmer Paper*.
19. Use Liquid Glue to adhere them to the small card front.
20. Add seven Summer Splash *Sunny Day Iridescent Dots* to look like bubbles.
21. On the second 2 7/8" x 3 7/8" piece of Basic White cardstock stamp the *Ocean Friends* coral in Summer Splash, the grass image in Lemon Lime Twist, and more Calypso Coral bubbles.

22. Use Liquid Glue to adhere the panel to the inside of the Lemon Lime Twist card base.
23. Use Liquid Glue on the back of the small card base to adhere it to the middle of the back panel of the large card base. Tip - don't worry about what that small panel on the large card base is doing - just adhere it to the middle of the back panel and it all works out magically! :)
24. Use Liquid Glue to adhere the 2 7/8" x 3 7/8" piece of **Friends of the Ocean DSP** on the right-hand inside panel.
25. Stamp the **Ocean Friends** coral, grasses and bubbles on the front of the Basic White Medium Envelope.
26. Add Liquid Glue around the edges of the envelope flap.
27. Lay the 2 1/4" x 6" piece of **Friends of the Ocean DSP** on the flap and rub it lightly to ensure it's stuck down.
28. Use Paper Snips to trim off the excess paper.
29. DONE!
