## Instructions for this Project:

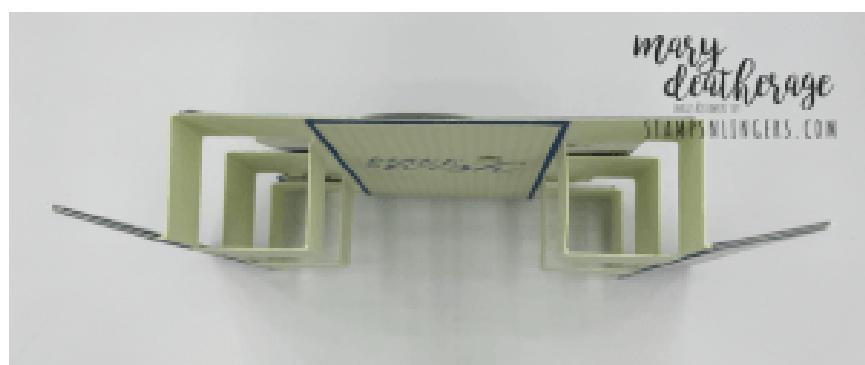

1. Score and cut the  $5\frac{1}{2}'' \times 8\frac{1}{4}''$  piece of Soft Sea Foam cardstock according to the template, using the Simply Scored Board. Score on the long side at 1", 2", 3",  $5\frac{1}{4}''$ ,  $6\frac{1}{4}''$  and  $7\frac{1}{4}''$ .
2. Use the Paper Trimmer to cut from the 1" to the 3" and again from  $5\frac{1}{4}''$  to  $7\frac{1}{4}''$  at 1" and 2" from each long side.

3. Fold the score lines according to this template:

4. Manipulate of the folds and cuts (which you can see in the video linked above!) to make the "tower".

5. Use Liquid Glue to adhere the two  $3/4" \times 5 1/4"$  pieces of cake-strewn **Wildflower Birthday Specialty DSP** on two of  $7/8" \times 5 3/8"$  pieces of Blueberry Bushel cardstock.
6. Use Liquid Glue to adhere the matted strips to the narrow side panels on the front of the card.

7. Use Liquid Glue to adhere the two  $3/4" \times 5 1/4"$  pieces of striped **Wildflower Birthday Specialty DSP** on two of  $7/8" \times 5 3/8"$  pieces of Blueberry Bushel cardstock.
8. Use Liquid Glue to adhere the matted strips to the narrow side panels on the back of the card.
9. On the  $2" \times 5 1/4"$  piece of Soft Sea Foam **Wildflower Celebration Specialty DSP**, stamp the **Birthday Celebration** sentiment in Blueberry Bushel ink.
10. Use Liquid Glue to adhere the panel to the  $2 1/8" \times 5 3/8"$  piece of Blueberry Bushel cardstock.
11. Use Liquid Glue to adhere the matted panel in the center of the back of the card.
12. Add an Adhesive-backed Heart Sequin.

13. Use Liquid Glue to adhere the two 3/4" x 4" pieces of Pool Party **Wildflower Birthday Specialty DSP** (with the fold-foiled scallops) on the two 7/8" x 4 1/8" pieces of Blueberry Bushel cardstock.
14. Use Liquid Glue to adhere them to the top and bottom horizontal panels on the front of the card.
15. Repeat with the 1 1/4" x 4" piece of the Pool Party **Wildflower Birthday Specialty DSP** (with the fold-foiled scallops) on the 1 3/8" x 4 1/8" piece of Blueberry Bushel cardstock.
16. Use Liquid Glue to adhere the matted panel to the middle horizontal panel.
17. Use the large banner die in the **Birthday Celebration** die set to cut two banners from the Soft Sea Foam **Wildflower Birthday Specialty DSP**.
18. Use Liquid Glue to adhere them to the card front. Note: be sure not to get glue on the parts of the banners that extend over the "gaps" in card front or...it might get stuck!!
19. Use Liquid Glue to adhere a gold-foil banner (from the **Wildflower Birthday Specialty DSP** die cuts sheets) across the top of the card front.
20. Use Liquid Glue to adhere the big balloon die cut (from the **Wildflower Birthday Specialty DSP** die cut sheets). Note - to let this fun fold "fold" up correctly and fit in your envelope - be sure none of your embellishments spill over any edges. It helps to fold the card up while you're decorating!
21. Use the **Birthday Celebrations** dies to cut out an Old Olive Glimmer Paper "1" (from the **Berry Burst, Old Olive & White Glimmer Specialty Paper Pack**).
22. On a piece of Thick Basic White cardstock, stamp the "st" (from the **Birthday Celebration** set) in Old Olive ink.
23. Use the smallest banner die in the bundled die set. To cut out the "st".

24. Use Liquid Glue to adhere the small banner just under the Glimmer Paper "1".
25. Use Liquid Glue to adhere a small die cut flower from the **Wildflower Birthday Specialty DSP**.
26. Use Liquid Glue to adhere it all to the card front.
27. On a label "strip" - cut from the **Wildflower Birthday Specialty DSP** - stamp the **Birthday Celebration** sentiment in Old Olive ink.
28. Use Liquid Glue to adhere that strip to a gold-foil-striped strip from the DSP pack.
29. Use Liquid Glue to adhere the matted sentiment to the card front.
30. On a piece of Thick Basic White Cardstock stamp another **Birthday Celebration** sentiment in Blueberry Bushel ink.
31. Use Paper Snips to cut out the sentiment.
32. Use Stampin' Dimensionals to adhere the sentiment.
33. Tuck a die cut cupcake, a couple of golf foil leaves, an Old Olive die cut leaf and a flower (all from the **Wildflower Birthday Specialty DSP** die cuts sheet) under the popped-up sentiment - adhering them with Liquid Glue.
34. Adhere seven **Adhesive-backed Heart Sequins**.
35. Stamp the banner image from **Birthday Celebrations** in Blueberry Bushel and Old Olive on the front of the Basic White Medium Envelope.
36. Add a thin line of Liquid Glue around the edges of the envelope flap.

37. Lay a 2 1/4" x 6" piece of **Wildflower Birthday Specialty DSP** on the flap and rub it lightly to ensure it's stuck down.
38. Use Paper Snips to trim off the excess paper.
39. DONE!
