Poppy Parade and Petal Pink Cardstock:

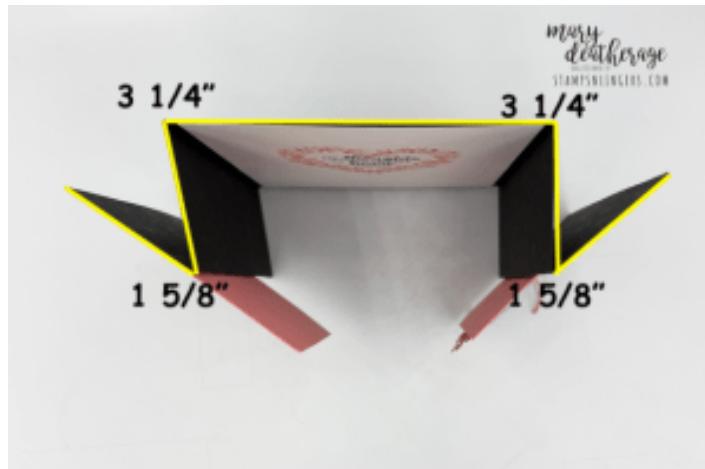

Heart Shaped die cut hearts

Basic White Cardstock: Heart Shaped label die cut (sentiment); 4" x 5 1/4" (inside panel)

Mixed Media Floral DSP: 1 3/8" x 5 1/4" (x2 - narrow front panels of card base); 2 3/4" x 3 3/4" (top interlocking panel); 2 3/8" x 3 3/8" (bottom/sentiment panel)

Instructions for this Project:

1. Score the $5\frac{1}{2}'' \times 10\frac{3}{4}''$ piece of Basic Black cardstock on the long edge at $1\frac{5}{8}''$ and $3\frac{1}{4}''$.
2. Turn the panel around 180 degrees and score it again at $1\frac{5}{8}''$ and $3\frac{1}{4}''$ from the other end.
3. Fold the two "inside" score lines as "valleys" and the two "outer" score lines as "mountains".

4. On the $4'' \times 5\frac{1}{4}''$ piece of Basic White cardstock stamp the heart wreath image from the **Heart Shaped** set in Flirty Flamingo.
5. Stamp the image again in Petal Pink - right over the top but rotated just SLIGHTLY to offset the image.
6. Stamp a **Heart Shaped** sentiment in Tuxedo Black Memento Ink.
7. Use Liquid Glue to adhere the panel to the inside of the card base.

8. Use Liquid Glue to adhere the two 1 3/8" x 5 1/4" pieces of black-and-white **Mixed Medial Florals DSP** on the two 1 1/2" x 5 3/8" pieces of Flirty Flamingo cardstock.
9. Use Liquid Glue to adhere the matted panels to the front narrow panels of the card base.
10. Use Liquid Glue to adhere the 2 3/4" x 3 3/4" piece of **Mixed Medial Florals DSP** on the 2 7/8" x 3 7/8" piece of Flirty Flamingo cardstock - this is the top interlocking panel.
11. Use Liquid Glue to adhere the 2 3/8" x 3 3/8" piece of **Mixed Medial Florals DSP** on the 2 1/2" x 3 1/2" piece of Flirty Flamingo cardstock - this is the bottom/sentiment interlocking panel.
12. Use the **Heart Shaped** heart wreaths to cut out three wreaths - one in Poppy Parade, one in Flirty Flamingo and one in Petal Pink.
13. Use Liquid Glue to adhere the three heart die cuts - Poppy Parade first, Flirty Flamingo second and Petal Pink on the top - making sure they don't extend too far off the edge of the panel.
14. Tie a small bow using two lengths of Flirty Flamingo Baker's Twine and adhere it with a little Liquid Glue.
15. For the sentiment stamp the **Heart Shaped** sentiment in Tuxedo Black Memento Ink on a piece of Basic White cardstock.
16. When it's dry, cut it out with the label die in the **Heart Shaped** die set - cheating the sentiment towards the **RIGHT** end of the die cut.
17. Set the panel in place on the card front and use it as a guide to placing the sentiment. Use Paper Snips to trim off the left end of the sentiment.
18. Use double-stacked Stampin' Dimensionals to adhere it over the bow.
19. Use the die in the **Heart Shaped** set to cut out three Basic White flowers.
20. Add a Petal Pink **Low-Profile Dot** to the centers of the flowers.
21. Use Liquid Glue to adhere two of the flowers to the end of the sentiment.
22. Use a small piece of Stampin' Dimensional to adhere the third flower.
23. Use Liquid Glue to adhere the top panel to the left front panel of the card base - making sure to only use glue on the very **LEFT** edge of the panel.
24. Repeat that with the lower/sentiment panel with Glue on the **RIGHT** edge of the panel - placing it so that the top panel will slide **UNDER** it when the card was closed.

25. With both panels on add three **Brushed Brass Butterflies** on the sentiment panel and three Petal Pink **Low-Profile Dots** on the top panel.
26. Stamp the **Heart Shaped** wreath once in Flirty Flamingo and again in Petal Pink (rotating it a little) on the front of the Basic White Medium Envelope.
27. Add a thin line of Liquid Glue around the edges of the envelope flap.
28. Lay a 2 1/4" x 6" piece of **Mixed Media Florals DSP** on the flap and rub it lightly to ensure it's stuck down.
29. Use Paper Snips to trim off the excess paper.
30. DONE!
