Instructions for this Project:

1. Use Liquid Glue to adhere the 4 1/4" x 5 1/2" piece of Shy Shamrock paper from the **On the Go DSP** to the front of the Shy Shamrock card. Note: make sure to not get adhesive near the middle of the panel so that the next step will work out!
2. Use the largest of the **Stylish Shapes** circle dies to cut out a circle from the front of the card base - running it back and forth thru the **Stampin' Cut and Emboss Machine** a couple of times since you're cutting thru DSP and cardstock at the same time. Hang on to both circles to use on the card.
3. Use Liquid Glue to adhere the two 1/2" x 4 1/4" strips of Strawberry Slush **On the Go** across the card front - one above and one below the circle.
4. Use the large **Stylish Shapes** circle die to cut out a Strawberry Slush piece of the **On the Go DSP**.
5. Use Liquid Glue to adhere that die cut to the Shy Shamrock cardstock circle (from step 2).
6. Use the SECOND from largest **Stylish Shapes** circle die to cut a circle from the Shy Shamrock **On the Go DSP** circle cut in Step 2.
7. Use Liquid Glue to adhere it to the layered circle - turning the squiggle lines to be perpendicular to the lines on the card front.
8. On a piece of Basic White cardstock stamp the **Tags to Go** sentiment in Shy Shamrock ink.
9. Use the ticket die from the bundled **Tags to Go** die set to cut out the sentiment.
10. Use Paper Snips to trimmed the bottom half off the bottom of the die cut - there's a handy perforation that is cut when you use the die!
11. Thread two lengths of the Azure Afternoon Baker's Twine from the **Pack Your Bags Twine Three-Pack** thru the top of the tag.
12. Use another length of the Baker's Twine to tie a bow around the twine.

13. Use Stampin' Dimensionals - keeping them in the middle of the tag die cut - to adhere it to the circle.
14. Add a few *On the Go Puffy Stickers*.
15. For the Z-fold mechanism on the inside of the card use the *Paper Trimmer* to score the 5 1/2" x 8" piece of Basic Beige cardstock at 4" and 6" on the long side.
16. Fold the panels into a "Z".

17. On the large panel stamp the second sentiment from *Tags to Go* in Shy Shamrock ink.
18. Stamp the map-marker image from the set a couple of times in Azure Afternoon ink.
19. Use Liquid Glue to adhere the two 1 7/8" x 5 1/8" piece of *On the Go DSP* onto the smaller panels of the Z-fold.

20. Use Liquid Glue on the back of the large panel to adhere it to the inside of the card base.
21. Close the card base and - using Liquid Glue on the exposed portion of the small panel - place and adhere the decorated circle.
22. Add an *On the Go Puffy Sticker* star on the small panel with the circle adhered to it.

23. Stamp the map-marker image a few times in Azure Afternoon ink on the front of the Basic White Medium Envelope.
24. Add a thin line of Liquid Glue around the edges of the envelope flap.
25. Lay the 2 1/4" x 6" piece of *On the Go DSP* on the flap and rub it lightly to ensure it's stuck down.
26. Use Paper Snips to trim off the excess paper.
27. DONE!
