Instructions for this Project:

1. Use a Paper Trimmer to cut down a piece of the *Beautiful Gallery 6" x 6" DSP* to $3\frac{7}{8}'' \times 5\frac{1}{8}''$ for the card front.

2. Across the top portion of the card front, stamp the cloud image from the *Scenic Adventure* set several times in stamped-off-once Gray Granite ink.
3. Cut a $3\frac{7}{8}''$ wide piece a second design from the DSP pack and use the mountain die from the *Scenic Adventure* die set to cut out a mountain.

4. Use Liquid Glue to adhere the die cut to the card front - aligning the side edges. Note - the die cut won't extend all the way to the bottom of the card front panel.

5. From the 2" x 3 7/8" piece of Lost Lagoon cardstock use the tree-line die from the **Scenic Adventure** dies to cut out a line of trees. Note: place the top of the tallest part of the die against the top edge of the piece of cardstock - that way you'll get a good-size panel.
6. Use Liquid Glue to adhere the trees to the card front - once again aligning the sides with the side edges of the card front.
7. Use the bushes die from the set to I cut a bush from the 1 1/4" x 3 7/8" piece of Old Olive cardstock and a second bush die from the 3/4" x 3 7/8" piece of Granny Apple Green cardstock - placing the tallest part of the die against the top edge of the cardstocks.
8. Use Liquid Glue to adhere both die cuts to the card front.
9. On the 1" x 3 7/8" piece of Pool Party cardstock, stamp all over with the water image from the **Scenic Adventure** stamp set.
10. Use Liquid Glue to adhere it to the card front - aligning the edges and the bottom with the card front.
11. Use the dies from the **Scenic Adventure** set to cut out two Mossy Meadow pine tree die cuts.
12. Use Stampin' Dimensionals to adhere the larger one to the card front with Stampin' Dimensionals. Save the small tree die cut for later.
13. On a piece of Basic White cardstock, stamp the sentiment from the **Scenic Adventure** set in Gray Granite ink.
14. Use the second-from-smallest **Stylish Shapes** circle die to cut out the sentiment.
15. On a piece of Basic White cardstock, stamp the "journey" sentiment in Lost Lagoon ink.
16. Use Paper Snips to cut out the sentiment.
17. Use Stampin' Dimensionals to adhere it to the sentiment circle.
18. Use a Stampin' Dimensional and a little Liquid Glue to adhere the sentiment to the card front.
19. Use a little Liquid Glue to adhere the second - small - pine tree die cut onto the sentiment (sliding the trunk of the tree under the fussy cut sentiment).
20. Add three **Pressed Flower Motifs**.
21. In the bottom left corner of the 4" x 5 1/4" piece of Basic White cardstock stamp two of the pine trees from the **Scenic Adventure** stamp set in Mossy Meadow ink. Note: you can place both of the tree stamps on a block and stamp them at the same time.
22. Stamp the water image across the bottom in Pool Party ink.

23. Use Liquid Glue to adhere the panel to the inside of the Pool Party card base.
24. Use Stampin' Dimensionals to adhere the card front to the front of the card base.
25. Stamp the **Scenic Adventure** trees and water on the front of the Basic White Medium Envelope.
26. Stamp the 2 1/4" x 6" piece of **Beautiful Gallery 6" x 6" DSP** - use a Cloud Cover-y piece - with the **Scenic Adventure** clouds a few times in stamped-off-once Gray Granite ink.
27. Add a thin line of Liquid Glue around the edges of the envelope flap.
28. Lay the 2 1/4" x 6" piece of stamped **Beautiful Gallery 6" x 6" DSP** on the flap and rub it lightly to ensure it's stuck down.
