[Card Stock Cuts for this Project:](#)

**Thick Basic White Cardstock:** 4 1/4" x 11"  
(card base, scored & folded at 5 1/2")

**Gray Granite Cardstock:** 4" x 5 1/4" (mat  
for card front)

**Basic White Cardstock:** 3 7/8" x 5 1/8"  
(card front); Textured Notes third-from-  
smallest die (largest art die cut); 4" x 5 1/4"  
(inner liner)

**Woven Textures DSP:** 1/4" x 5 1/4" (x3 -  
strips on front); 2 1/4" x 6" (envelope flap)

## Instructions for this Project:

1. Use several of the text and splatter images from the *Elements of Text* stamp set to stamp around the right side of the 3 7/8" x 5 1/8" piece of Basic White cardstock in Gray Granite ink - mostly stamped-off-once to fade it a bit, but stamp a couple of the images in full strength ink.
2. When done, emboss the panel in the *Exposed Brick 3D Embossing Folder*.
3. Use Liquid Glue to adhere the three 1/4" x 5 1/4" strips of *Woven Textures DSP* to the left side of the panel. Note: align all the tops with the top of the card front. Then, trim the excess from the bottom with Paper Snips.
4. Use Liquid Glue to adhere the panel on the 4" x 5 1/4" piece of Gray Granite cardstock.
5. On a piece of Basic White cardstock stamp the *Textured Notes* leaf in Gray Granite ink.
6. Use the third-from-smallest *Textured Notes* rectangle die to cut it out.
7. Use the next smallest *Textured Notes* die to cut out the middle from the die cut.
8. Use the NEXT smallest to cut out the middle a second time - leaving three total pieces.
9. Use Liquid Glue to adhere the largest piece (the frame).
10. Use Stampin' Dimensionals to adhere the middle piece.
11. Use double-stacked Dimensionals for the final (smallest) rectangle.

12. Tie a simple bow from a piece of Gray Granite Baker's Twine and adhere it with a little Liquid Glue.
13. On another piece of Basic White cardstock stamp the *Textured Notes* sentiment in Gray Granite ink.
14. Use the smallest *Textured Notes* die to cut out the sentiment.

15. Use Stampin' Dimensionals to adhere the sentiment over the bow. Note - you can add Dimensionals under the end of the sentiment if you like - you'll need a three-stack!
16. Add three white **Neutral Matte Dots**.
17. In the bottom corner of the 4" x 5 1/4" piece of Basic White cardstock stamp the large **Textured Notes** leaf in Gray Granite ink and then a second time in stamped-off-once Gray Granite ink.
18. Stamp some of the **Elements of Text** images in stamped-off-once Gray Granite.
19. Add three of the white **Neutral Matte Dots**, too.

20. Use Liquid Glue to adhere the panel to the inside of the Thick Basic White card base.
21. Use Liquid Glue to adhere the card front to the front of the card base.
22. Stamp the **Textured Notes** leaves and **Elements of Text** images on the front of the Basic White Medium Envelope.
23. Add a thin line of Liquid Glue around the edges of the envelope flap.
24. Lay the 2 1/4" x 6" piece of **Woven Textures DSP** on the flap and rub it lightly to ensure it's stuck down.
25. Use Paper Snips to trim off the excess paper.
26. DONE!
