**Card Stock Cuts for this Project:**

**Basic Black Cardstock:** 4 1/4" x 11" (card base, scored & folded at 5 1/2")

**Pretty in Pink Cardstock:** 3 7/8" x 5 1/8" (x2 - mat for card front and for inner liner)

**Granny Apple Green Cardstock:** Thankful Garden die cut leaves

**Basic White Cardstock:** Thankful Garden stamped & die cut flowers (x2); Next-to-Smallest Perennial Postage die cut (sentiment); 3 3/4" x 5" (inner liner)

**Lovely Garden DSP:** 3 3/4" x 5" (card front); 2 1/4" x 6" (envelope flap)

## Instructions for this Project:

1. Locate a spot up in the top left of the 3 3/4" x 5" piece *Lovely Garden DSP* to act as a focal point and mark it (I poked a little hole in the DSP when I did it), then use the Paper Trimmer to cut from the bottom edge up to that point and again from the bottom right edge to that point - thus cutting out the "ray". Note: words are not as good as a video so...check out the link to the video above.
2. Use Liquid Glue to adhere the cut panel to one of the 3 7/8" x 5 1/8" pieces of Pretty in Pink cardstock.
3. On a piece of Basic White cardstock stamp both floral images from the Thankful Garden stamp set in Early Espresso ink.
4. Use the masks - and small Blending Brushes - to color the images:
  - a) For the tea roses:
    - Mask 1 - use a very dry brush in Daffodil Delight ink.
    - Mask 2 - Daffodil Delight ink.
    - Mask 3 - Peach Pie ink.
    - Mask 4 - Granny Apple Green ink
    - Mask 5 - Garden Green ink.
    - Mask 4 (again) - go back over the leaves with the almost-dry Garden Green brush.

- b) For the hydrangea:
  - Mask 1 - use a very dry brush in Pretty in Pink ink.
  - Mask 2 - Pretty in Pink ink.
  - Mask 3 - Peach Pie ink.
  - Mask 4 - Granny Apple Green ink
  - Mask 5 - Garden Green ink.

- Mask 4 (again) - go back over the leaves with the almost-dry Garden Green brush.
- 5. Use the dies in the bundled **Thankful Garden** die set to cut out both images.
- 6. Use the dies to cut three leaves (two with the many-leaves die and one with the three-leaves die) from Granny Apple Green cardstock.
- 7. Use the Small Blending Brush to add Garden Green ink to all the die cut leaves - using more on the three-leaf die cut to make it darker.
- 8. Use Black Stampin' Dimensionals to adhere the card front to the Basic Black card base.
- 9. Use Liquid Glue to adhere the yellow roses up in the corner of the card front.
- 10. Use Liquid Glue to adhere the two multi-leaf die cuts.
- 11. Use Black Stampin' Dimensionals to adhere the hydrangea.
- 12. Use Liquid Glue to adhere the three-leaf die cut.
- 13. Tie a bow with two lengths of Lemon Lolly Baker's Twine and adhere it with Liquid Glue.
- 14. On a piece of Basic White cardstock, stamp the **Thankful Garden** sentiment in Peach Pie ink.
- 15. Use the next-to-smallest **Perennial Postage** die to cut out the sentiment.
- 16. Use double-stacked Black Stampin' Dimensionals to adhere the sentiment over the bow.
- 17. Add four **Adhesive-backed Heart Sequins**.
- 18. On the 3 3/4" x 5" piece of Basic White cardstock, stamp the second **Thankful Garden** sentiment in Peach Pie ink.
- 19. Stamp a small leaf from **Thankful Garden** in Garden Green ink.
- 20. Add a small **Adhesive-backed Heart Sequin**.

- 21. Use Liquid Glue to adhere the panel to the second 3 7/8" x 5 1/8" piece of Pretty in Pink cardstock.
- 22. Use Liquid Glue to adhere the matted panel into the Basic Black card base.

23. Stamp the *Thankful Garden* leaf in Garden Green ink on the front of the Basic White Medium Envelope.
24. Add a thin line of Liquid Glue around the edges of the envelope flap.
25. Lay the 2 1/4" x 6" piece of *Lovely Garden DSP* on the flap and rub it lightly to ensure it's stuck down.
26. Use Paper Snips to trim off the excess paper.
27. DONE!
