

# Ocean Friends Book Fold Easel Card

[Link to the Original Project Blog Post:](https://wp.me/p5snyt-CBo)  
<https://wp.me/p5snyt-CBo>

## Card Stock Cuts for this Project:

**Melon Mambo Cardstock:** 4 1/4" x 11" (card base, scored and folded at 5 1/2", 6 3/4" and 8 7/8")

**Summer Splash Cardstock:** 1" x 4" (mat for book-fold DSP panel); 2" x 4" (x2 - mats for easel DSP panels); 4" x 4" (mat for inner liner); Ocean Friends die cut coral

**2024-2026 In Color Glimmer Paper:** Ocean Friends die cut coral

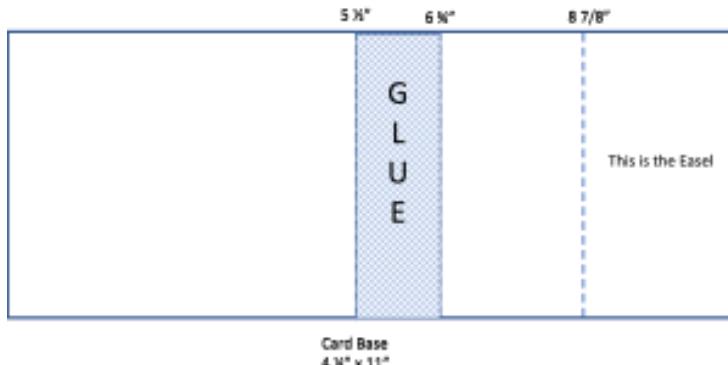

**Lemon Lime Twist Cardstock:** Ocean Friends die cut grasses (3 - 4 cut as many as you'd like)

**Basic White Cardstock:** Banner cut to fit (sentiment); 3 7/8" x 3 7/8" (inner liner); Stamped and die cut Ocean Friends Lobster and Crab

**Friends of the Ocean DSP:** 7/8" x 3 7/8" (book-fold DSP panel); 1 7/8" x 3 7/8" (x2 - easel DSP panels); 2 1/4" x 6" (envelope flap)

## Instructions for this Project:

1. Score the 4 1/4" x 11" piece of Melon Mambo cardstock at 5 1/2", 6 3/4" and 8 7/8".
2. Fold the 5 1/2" score line as a mountain ("regular") and the 6 3/4" score line in the opposite direction.

3. Use Liquid Glue between the 5 1/2" and 6 3/4" score lines to adhere the front of the card base to the back - just in that 1 1/4" area. This made the "book" fold.
4. Fold the 8 7/8" line as a mountain - to make the easel.
5. Use Liquid Glue to adhere the two 1 7/8" x 3 7/8" pieces of **Friends of the Ocean DSP** to the two 2" x 4" pieces of Summer Splash cardstock.
6. Use Liquid Glue to adhere them each of the easel panels.
7. Use Liquid Glue to adhere the 7/8" x 3 7/8" piece of **Friends of the Ocean DSP** to the 1" x 4" piece of Summer Splash cardstock.
8. Use Liquid Glue to adhere it to the narrow book-fold panel.

9. Use the dies in the **Ocean Friends** set to cut several sea grasses from Lemon Lime Twist cardstock and some coral from Summer Splash cardstock and Summer Splash 2024-2026 In Color Glimmer Paper.
10. Use Liquid Glue to adhere the coral and grasses to the front easel panel - letting them stick up above the fold.

11. Use two lengths of Crumb Cake Baker's Twine to add a figure-8 bow - adhering it with some Stampin' Seal+.

12. On a piece of Basic White cardstock stamp the detailed lobster image in Calypso Coral ink.
13. Ink the second lobster image - the "fill" - in Calypso Coral, stamp it off once on scrap paper and stamp it over the top of the detailed image.
14. Use the coordinating *Ocean Friends* die to cut it out.
15. Repeat with the crab image in Melon Mambo Ink. Set this one aside for later.
16. Use Stampin' Dimensionals to adhere the lobster over the Baker's Twine bow.

17. On a strip of Basic White cardstock stamp the *Ocean Friends* sentiment in Melon Mambo ink.
18. Use Paper Snips to cut a banner into the end of the strip.
19. Use Liquid Glue and Stampin' Dimensionals to adhere it to the easel.
20. On the 3 7/8" x 3 7/8" piece of Basic White cardstock stamp an *Ocean Friends* sentiment in Melon Mambo ink.
21. Stamp bubbles in Summer Splash ink.
22. Stand the easel panel up and then set the die cut crab in place (where it would eventually go as the easel stop) and use it as a guide to stamp the *Ocean Friends* grasses a couple times in Lemon Lime Twist and a few more bubbles in Summer Splash ink.
23. Use Liquid Glue to adhere the panel on the 4" x 4" piece of Summer Splash cardstock.
24. Use Liquid Glue to adhere the matted panel to the inside of the card base.

25. Use Stampin' Dimensionals - don't be shy, use plenty!! - to adhere the die cut crab in place as the easel stop.
26. Add *Holographic Resin Dots* on the easel to finish the card.
27. Stamp the Melon Mambo crab and Summer Splash bubbles on the front of the Basic White Medium Envelope.
28. Add a thin line of Liquid Glue around the edges of the envelope flap.
29. Lay the 2 1/4" x 6" piece of stamped *Friends of the Ocean DSP* on the flap and rub it lightly to ensure it's stuck down.
30. Use Paper Snips to trim off the excess paper.
31. DONE!

Please click on the links to the right to see and purchase the available item(s) in my Online Store:

You'll also want the Holographic Resin Dots when they're available!
