## Instructions for this Project:

1. Score and fold the  $4\frac{1}{4}" \times 5\frac{1}{2}" \times 8\frac{1}{2}"$  piece of Strawberry Slush cardstock at  $4\frac{1}{4}"$ .
2. Make a small pencil mark at the top of the card base -  $1\frac{3}{4}"$  from the RIGHT side - and then use the Paper Trimmer to cut from the mark to the bottom right corner. Note: save that triangle for later.

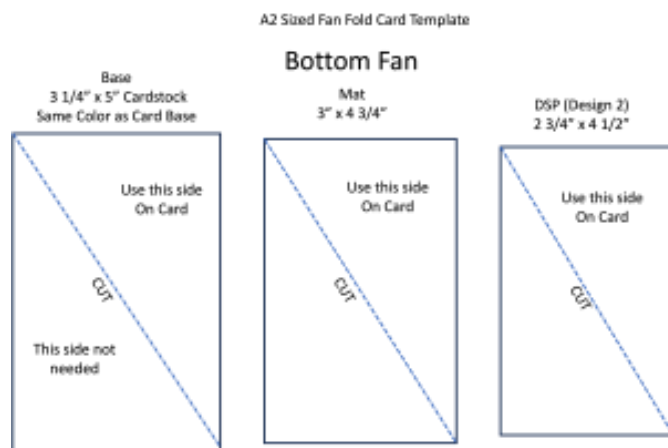

3. Make the same measurement ( $1\frac{3}{4}"$ ) on one of the  $4" \times 5\frac{1}{4}"$  pieces of Pretty in Pink cardstock and cut off a triangle from it, too - this is the mat for the card front.
4. Use Liquid Glue to adhere it to the card front.
5. Make the same measurement ( $1\frac{3}{4}"$ ) on the  $3\frac{3}{4}" \times 5"$  piece of the **Floral Impressions DSP** and cut it down.
6. Use Liquid Glue to adhere the panel to the card front. Note - I call this flowerdy design "Design 1" on the video AND on the card cuts list down above.
7. Use Liquid Glue to adhere the second  $4" \times 5\frac{1}{4}"$  piece of Pretty in Pink cardstock to the inside of the card base.
8. Measure  $1\frac{3}{4}"$  from the right edge from the  $3\frac{3}{4}" \times 5"$  piece of Basic White cardstock and cut off the triangle (you won't need this piece for this card).

9. Stamp an ***Impressions Abloom*** sentiment in Strawberry Slush on the panel.
10. Stamp the detailed flower image from the set in Pretty in Pink ink.
11. On the left side, use Liquid Glue to adhere the 1/4" x 5" piece of ***Floral Impressions DSP*** (in "Design 1").
12. Use Liquid Glue to adhere the panel to the Pretty in Pink mat.

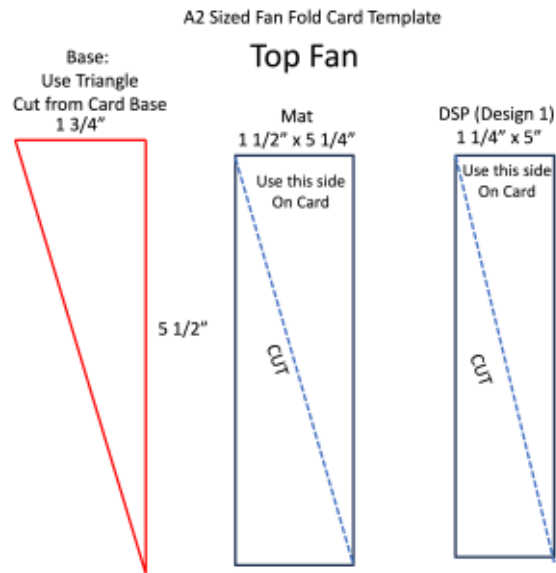

13. For the bottom fan - cut the 3 1/4" x 5" piece of Strawberry Slush cardstock into two triangles - keeping the right-side triangle for the base of the fan.
14. Repeat with the 3" x 4 3/4" piece of Pretty in Pink cardstock and the 2 3/4" x 4 1/2" piece of ***Floral Impressions DSP*** (this time in Design 2 - in this case the Garden Green design).
15. Use Liquid Glue to adhere the mat to the Strawberry Slush triangle base and then the DSP to the mat.

16. Use Liquid Glue to adhere the completed fan to the card front - making sure the tip is nestled right down into the bottom left corner of the card front - and that the top corners don't extend past the edges of the card base. Note: check the video if this is confusing!

17. For the top fan - cut the 1 1/2" x 5 1/4" piece of Pretty in Pink cardstock and the 1 1/4" x 5" piece of **Floral Impressions DSP** (in Design 1) into triangles just like for the bottom fan.
18. Use Liquid Glue to adhere the Pretty in Pink triangle to that Strawberry Slush triangle that you cut from the card base.
19. Use Liquid Glue to adhere the DSP triangle to the Pretty in Pink mat.

20. Use Liquid Glue to adhere it to the card front tucking the long tip down into the corner of the card base and "centering" the top of the triangle on the bottom triangle.

21. Use Stampin' Seal to adhere a length of **Gold Striped 3/8" Mesh Ribbon** in a figure-8 bow on the card front.
22. Use the **Impressions Abloom** dies to cut out some flowers and leaves:
  - a) Three Garden Green leaves
  - b) A large Strawberry Slush flower

- c) A large Pretty in Pink flower
  - d) Two Smaller "fan" flowers - one in Strawberry Slush and one in Peach Pie
  - e) Two Darling Duckling flower centers - and adhere them to the large flowers with Liquid Glue
  - f) Three tiny Darling Duckling flowers
23. Use Liquid Glue to adhere all but the Peach Pie flower and the three Darling Duckling flowers over the ribbon.
24. On the 3/4" wide strip of Basic White cardstock, stamp the **Impressions Abloom** sentiment in Strawberry Slush ink.
25. Use Paper Snips to cut an angle on the right end.
26. Use Stampin' Dimensionals to adhere the sentiment to the card front.

27. Use Liquid Glue to adhere the Peach Pie die cut flower to the sentiment. Note: slide a Dimensional under it to give it a little support.
28. Use Liquid Glue to adhere the three little Darling Duckling flowers.
29. Add seven **Strawberry Slush & Pretty in Pink Gems**.
30. Stamp the detailed flower in Pretty in Pink ink on the front of the Basic White Medium Envelope.
31. Add a thin line of Liquid Glue around the edges of the envelope flap.
32. Lay the 2 1/4" x 6" piece of **Impressions Abloom DSP** on the flap and rub it lightly to ensure it's stuck down.
33. Use Paper Snips to trim off the excess paper.
34. DONE!
