Card Stock Cuts for this Project:

Summer Splash Cardstock: 4 1/4" x 11" (card base, scored and folded at 5 1/2" and then cut as described above); Die cut butterfly body
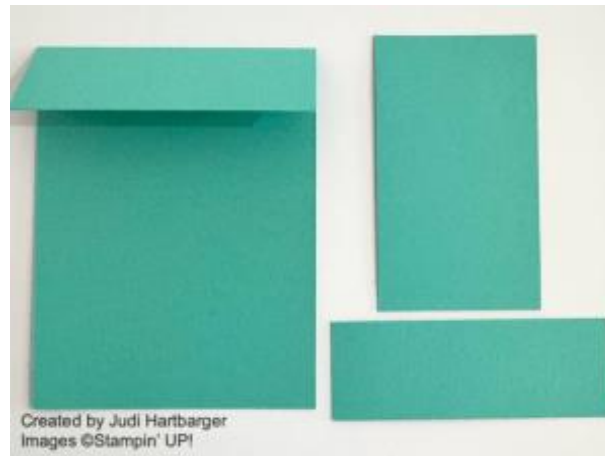

Soft Sea Foam Cardstock: Small die cut butterflies; Stamped & die cut middle butterfly; Sentiment; 4 1/8" x 5 3/8" (mat for inner liner)

Granny Apple Green Cardstock: 1 3/8" x 4 1/8" (x2 - mats for small front panels); 2 3/8" x 4 1/8" (mat for front middle panel); 4" x 5 1/4" (inner liner)

Florals in Bloom DSP: 1 1/4" x 4" (x2 - small front panels); 2 1/4" x 4" (front middle panel); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Score and fold the 4 1/4" x 11" piece of Summer Splash cardstock at 5 1/2".
2. With the card open all the way, turn the card base to the landscape orientation and use a Paper Trimmer to cut off a 1 1/2" piece from the left end.
3. Cut off a second piece at 2 1/2".
4. When you rotate the card to it's final portrait orientation - you'll have a 1 1/2" piece on the "front" and the remainder will be the back of the card base. And you'll have the 1 1/2" x 4 1/4" piece and the 2 1/2" x 4 1/4" piece left over.

5. Use Liquid Glue to adhere the three pieces of **Florals in Bloom DSP** on the three pieces of Granny Apple Green cardstock.
6. Use Liquid Glue to adhere the matted panels to the remaining "top" piece of the card base and each of the two leftover Summer Splash panels.

7. Keep the card in its portrait orientation and line up the small bottom panel with the back of the card base and hold it in place (use an acrylic block or some such - like tweezers!) to hold it in position.

8. Put Liquid Glue on the top edge and bottom edge of the middle panel and center it, pressing down on the top and bottom panels for a few seconds to let the glue take hold.

9. Use the two smallest butterflies and butterfly body dies in the **Beautiful Butterflies** set to cut out two Soft Sea Foam butterflies and their bodies.
10. Use Liquid Glue to adhere the bodies to the middle of the die cut butterflies.
11. Use Liquid Glue to adhere one butterfly to the lower left portion and one to the upper right portion of the middle panel.
12. Stamp the medium sized **Beautiful Butterflies** butterfly in Summer Splash ink on a piece of Soft Sea Foam cardstock.
13. Use the coordinating die to cut out the butterfly.
14. Die cut one Summer Splash butterfly body and adhere it to the stamped butterfly.
15. Wrap linen thread around the middle panel three times and tie a bow.
16. Use Stampin' Dimensionals to adhere the stamped butterfly in the middle of panel - over the Linen Thread.
17. Stamp the **Beautiful Butterflies** "Hello" sentiment in Summer Splash ink on a piece of Soft Sea Foam cardstock.
18. Use Paper Snips to cut out the sentiment.
19. Use Liquid Glue (on the left back side of the sentiment) to adhere it to the middle panel - tucking it under the middle butterfly and letting it overhang the panel a bit on the right side.
20. Add a Shades of Green Hexagon to the head of each butterfly.
21. On the 4 1/8" x 5 3/8" piece of Soft Sea Foam cardstock, stamp a sentiment from the **Pattern of Friendship** set in Summer Splash ink.
22. Stamp a butterfly in Soft Sea Foam ink a few times to make it look like it's flying from bottom left to upper right on the inside panel.

23. Use Liquid Glue to adhere the panel to the inside of the card base.
24. Stamp the closed-wing **Beautiful Butterfly** in Soft Sea Foam ink on the front of the Basic White Medium Envelope.
25. Add a thin line of Liquid Glue around the edges of the envelope flap.
26. Lay the 2 1/4" x 6" piece of **Florals in Bloom DSP** on the flap and rub it lightly to ensure it's stuck down.
27. Use Paper Snips to trim off the excess paper.
28. DONE!
