## Card Stock Cuts for this Project:

**Secret Sea Cardstock:** 4 1/4" x 11" (card base, scored and folded at 5 1/2")

**Cloud Cover Cardstock:** 4" x 5 1/4" (mat for card front); Textured Notes die cut outer frame

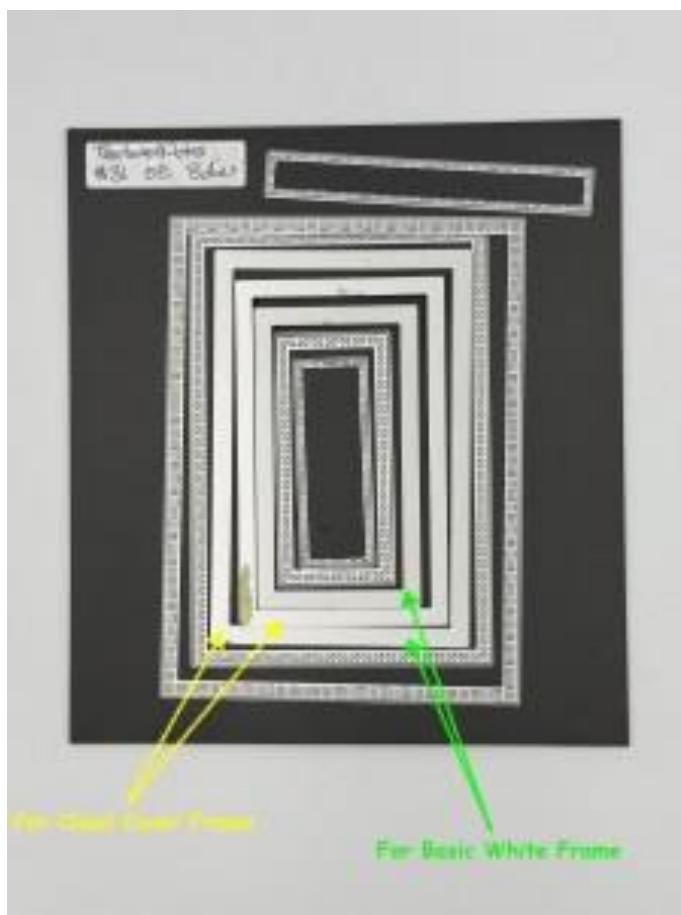

**Basic White Cardstock:** Textured Notes die cut inner frame; Textured Notes die cut (sentiment); Largest Textured Notes die cut (inner liner)

**Beautiful Gallery 6" x 6" DSP:** 3 7/8" x 4 1/8" (card front); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use the **Beautiful Motifs** die to cut from the middle of the 3 7/8" x 5 1/8" piece of **Beautiful Gallery 6" x 6" DSP**.
2. Use Liquid Glue to adhere the panel to a Cloud Cover mat.
3. Use two of the **Textured Notes** dies to cut out a Cloud Cover frame. Note: I cut **MY** frame **FROM** the same piece of Cloud Cover cardstock that would become the **MAT** for the card front (in step 2). That makes the background that you can see behind the raised leaves - dark (cuz...there's a hole there!).
4. Use two of the **Textured Notes** dies to cut a second frame from Basic White cardstock. Note - both of the frames use the same die for the outer cut.

5. Use Liquid Glue to adhere the Basic White frame to the card front - carefully picking up the pieces of the DSP that had been cut - to allow them to "spill" over the frame. Note: you **MAY** need to do a little smidge of snipping with your Paper Snips if you find a leaf that's not quite "spilling" the way you want it to! I had to do that on that top leaf.

6. Use Liquid Glue to adhere the Cloud Cover frame into position.
7. Use Mini Black Stampin' Dimensionals to pop up as many of the little die cut leaves as you can. Note: on the larger of the leaves, use a double-stack of the Dimensionals.
8. On a piece of Basic White cardstock stamp the **Beautiful Motifs** sentiment in Secret Sea ink.
9. Use the small rectangle **Textured Notes** die to cut out the sentiment.
10. Use Mini Black Stampin' Dimensionals to adhere the sentiment to the card front - tucking it under some of the leaves.
11. Add five **Pressed Flower Motif** embellishments.
12. Use the largest **Textured Notes** die to cut out a Basic White panel.
13. In the bottom left corner stamp a **Gallery Blooms** flower twice in Secret Sea ink - without re-inking between stamps.

14. Use Liquid Glue to adhere the panel to the inside of the Secret Sea card base.
15. Use Black Stampin' Dimensionals to adhere the card front to the front of the card base.
16. Stamp the ***Gallery Blooms*** floral twice (without re-inking) in Secret Sea ink on the front of the Basic White Medium Envelope.
17. Add a thin line of Liquid Glue around the edges of the envelope flap.
18. Lay the 2 1/4" x 6" piece of ***Beautiful Gallery 6" x 6" DSP*** on the flap and rub it lightly to ensure it's stuck down.
19. Use Paper Snips to trim off the excess paper.
20. DONE!
