

Long Time No See Birthday Z-Fold Card

[Link to the Original Project Blog Post:](#)

<https://wp.me/p5snyt-DHM>

Card Stock Cuts for this Project:

Daffodil Delight Cardstock: 4 1/4" x 11" (card base, scored and folded at 2 3/4" and 5 1/2")

Basic White Cardstock: 2 5/8" x 4 1/8" (x2 - small panels); 5 3/8" x 4 1/8" (back panel)

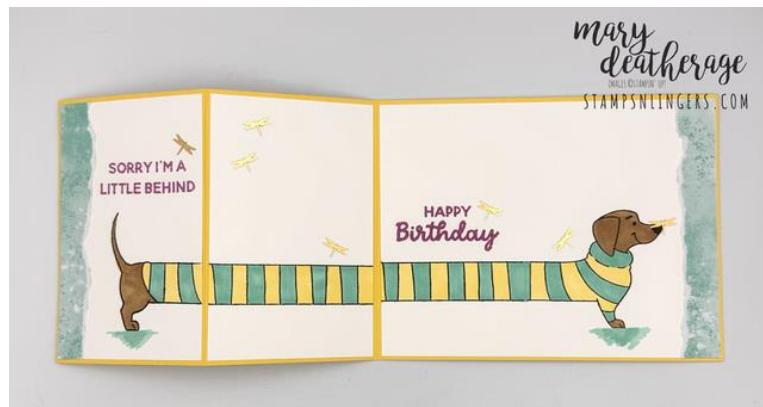

2024 - 2026 In Color 6" x 6" DSP (in Summer Splash): About 1/2" x 4 1/8" (x2 - torn strips); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Score the 4 1/4" x 11" piece of Daffodil Delight cardstock at 2 3/4" and 5 1/2".
2. Fold the 2 3/4" score as a mountain and the 5 1/2" score as a valley to make the "z-fold".

3. On the 4 1/8" x 5 3/8" piece of Basic White cardstock - the one that will become the back panel - stamp the front portion of the *Long Time No See* dog in Early Espresso ink. This is a photopolymer set so just ink the part of the dog that you want
4. Lining up with the front of the dog - stamp the BACK of the dog on one of the 2 5/8" x 4 1/8" Basic White panels in Early Espresso ink
5. Lay out all three Basic White pieces and stamp the "extender" image on the middle panel in Early Espresso ink. Tip - you're trying to make him continue as seamlessly as possible - so...take the time to line the images up, okay?
6. On the front panel, stamp the first *Long Time No See* sentiment in Petunia Pop ink.
7. Tear a 4 1/8" long strip of Summer Splash 2024-2026 In Color 6" x 6" DSP at about 1/2" wide.
8. Use Liquid Glue to adhere it to the left edge of the front panel.
9. Tear another $\frac{1}{2}$ " x 4 1/8" strip of the Summer Splash 2024-2026 In Color 6" x 6" DSP and adhere it with Liquid Glue to the back panel.
10. Stamp the second sentiment in Petunia Pop ink. Tip - you don't want to be able to SEE the second sentiment when the card is closed - you just want to see the front sentiment and the "whole" dog.

11. Color the shirt with Light Daffodil Delight and Summer Splash Stampin' Blends.
12. Color the body (don't forget that front paw!) with a Light Pecan Pie Stampin' Blend.
13. Add "ground" with the Light Summer Splash Blend.
14. Use Liquid Glue to adhere all three panels to the inside of the card base.
15. Add some dragonflies from the **Adhesive-backed Dragonflies & Birds**.
16. Stamp and color the front of the **Long Time No See** dog on the front of the Basic White Medium Envelope.
17. Add a thin line of Liquid Glue around the edges of the envelope flap.
18. Lay the 2 1/4" x 6" piece of **Summer Splash 2024-2026 In Color DSP** on the flap and rub it lightly to ensure it's stuck down.
19. Use Paper Snips to trim off the excess paper.
20. DONE!
