[Card Stock Cuts for this Project:](#)

Secret Sea Cardstock: 4 1/4" x 11" (card base, scored and folded at 5 1/2"); Frame - made using the two largest Textured Notes dies

Window Sheet: Cut to fit behind the frame

Basic White cardstock: 4" x 5 1/4" (inner liner)

Beautiful Gallery 6" x 6" DSP: 4 1/4" x 5 1/2" (card front panel); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use Liquid Glue to adhere the 4 1/4" x 5 1/2" piece of a **Beautiful Gallery 6" x 6" DSP** to the front of the Secret Sea card base.
2. Place the two largest **Textured Notes** dies on a piece of Secret Sea cardstock (one inside the other) and run the whole thing thru the **Stampin' Cut and Emboss Machine** to make a frame.
3. Use an Embossing Buddy to thoroughly rub across a piece of Window Sheet (it doesn't matter how big the sheet is - as long as it's a little bigger than the frame). Note: static when you're heat embossing is the "enemy" - and that's DOUBLY true when heat embossing on acetate (aka Window Sheet). So - this step is important!!
4. Ink the large image from the **Prairie Grass** set with Versamark ink and stamp it on the Window Sheet. Note: the acetate can be slippery so take your time and go straight down with the stamp - hold it a beat - and lift it straight back up. It's likely going to stick to the stamp - just carefully remove it so as not to blur the image.
5. Sprinkle the image with black **Basics WOW Embossing Powder** - and really tap off the excess!
6. Use the Heat Tool to set the embossing powder.
7. When it's cool use Liquid Glue (lightly!) on the back of the Secret Sea frame to adhere it to the Window Sheet - placing the image to the right side of the frame.
8. Use Paper Snips to trim the excess **Window Sheet** from the frame.
9. Add **Foam Adhesive Strips** all the way around - making sure there are no gaps.
10. Pour a little pile of **Loose Shaker Elements** in the middle of the card front and use the Foam Adhesive Strips to carefully adhere the framed image over the top.
11. On the 4" x 5 1/4" piece of Basic White cardstock stamp the sentiment from **Prairie Grass** in Secret Sea ink.
12. In the corner, stamp the small grass image in Secret Sea ink.

13. Use Liquid Glue to adhere the panel to the inside of the Secret Sea card base.

14. Stamp the small *Prairie Grass* image on the front of the Basic White Medium Envelope.
15. Add a thin line of Liquid Glue around the edges of the envelope flap.
16. Lay the 2 1/4" x 6" piece of *Beautiful Gallery 6" x 6" DSP* on the flap and rub it lightly to ensure it's stuck down.
17. Use Paper Snips to trim off the excess paper.
18. DONE!
