<https://youtube.com/live/kVTVWBa5V4>

Card Stock Cuts for this Project:

Basic Black Cardstock: 4 1/4" x 5 1/2" (card base); Largest Stylish Shapes circle die (on front); 1 3/4" x 6 1/2" (Light & Wonder die cut trees (divided between sentiment panel and back panel of fold))

Pool Party Cardstock: 4" x 5 1/4" (mat for card base); 4 1/4" x 11" (accordion fold - scored and folded at 1 1/2", 3", 5 1/2" and 8")

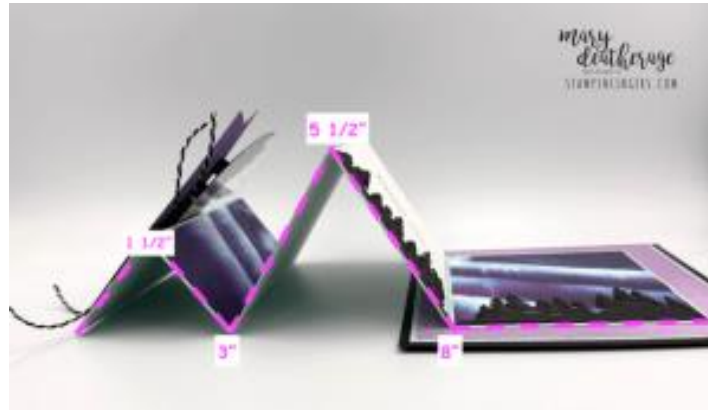

Window Sheet: Largest Stylish Shapes circle die (on front behind forest die cut)

Basic White Cardstock: 2 3/8" x 4 1/8" (sentiment panel)

Lights of Aurora 6" x 6" DSP: 3 7/8" x 5 1/8" (card base panel); 1 3/8" x 4 1/8" (x2 - front and second accordion panel); 2 3/8" x 4 1/8" (third accordion panel); 2 7/8" x 4 1/8" (back accordion panel); Large Stylish Shapes label die cut (front sentiment); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use Liquid Glue to adhere the 3 7/8" x 5 1/8" piece of **Lights of Aurora 6" x 6" DSP** on the 4" x 5 1/4" piece of Pool Party cardstock.
2. Use Liquid Glue to adhere the matted panel to the 4 1/4" x 5 1/2" piece of Basic Black cardstock.
3. Score the 4 1/4" x 11" piece of Pool Party cardstock at 1 1/2", 3", 5 1/2" and 8" on the long side.
4. Fold it into the accordion shape.

5. Use Liquid Glue to adhere the two 1 3/8" x 4 1/8" pieces of **Lights of Aurora DSP** to the first and second panels of the fold.
6. Use Liquid Glue to adhere the 2 3/8" x 4 1/8" piece of the DSP to the third panel.
7. Use Liquid Glue to adhere the 2 7/8" x 4 1/8" piece of the DSP to the last panel of the fold.
8. Note: You can see in the video linked below how I cut the DSP - it took two sheets - to keep the "scene" going from one panel to the next.
9. For the middle sentiment panel, stamp a **Light & Wonder** sentiment in Gorgeous Grape ink on the 2 3/8" x 4 1/8" Basic White panel.
10. Use the smaller trees die in the **Light & Wonder** Die set to cut trees from the 1 3/4" x 6 1/2" piece of Basic Black cardstock.
11. Cut the die cut in half and use Liquid Glue to adhere one piece to the bottom of the sentiment panel.

12. Use Liquid Glue to adhere the panel to the inside of the accordion fold.
13. Use Liquid Glue to adhere the remaining piece of the die cut tree-line to the back panel.
14. Use Liquid Glue on the back of the fold to adhere it to the center of the card base.
15. Use the largest **Stylish Shapes** circle die to cut out a Basic Black cardstock circle and a Window Sheet circle.
16. Use the same smaller tree-line die from the **Light & Wonder** set to cut off the top portion of the Basic Black circle.
17. On the bottom of the black circle, stamp the small sentiment from the **Light & Wonder** set in Versamark Ink.
18. Sprinkle it with White **Basics WOW! Embossing Powder** and heat set it with the **Heat Tool**.
19. Use a sponge to dab Liquid Glue on the back of the die cut and adhere it to the **Window Sheet** die cut circle - aligning the bottoms of the circle.
20. Add three clear **Faceted Snowflakes** in the "sky".

21. Use Liquid Glue on the back of the left side of the circle - just where the black cardstock will hide it - to adhere the circle to the first panel of the accordion fold.
22. On a scrap of the **Lights of Aurora DSP**, stamp the larger **Light & Wonder** sentiment in Versamark Ink, sprinkle it with the White **Basics WOW! Embossing Folder** and heat set it.
23. When the embossing has cooled, use the large **Stylish Shapes** label die to cut it out.
24. Tie a bow from two lengths of black twine from the **Black & White & Gold Baker's Twine** and adhere it with a Glue Dot.
25. Use double-stacked Black Stampin' Dimensionals to adhere the sentiment to the bottom of the circle.
26. Add a thin line of Liquid Glue around the edges of the envelope flap.
27. Lay the 2 1/4" x 6" piece of **Lights of Aurora 6" x 6" DSP** on the flap and rub it lightly to ensure it's stuck down.
28. Use Paper Snips to trim off the excess paper.
29. DONE!
