[Card Stock Cuts for this Project:](#)

Pool Party Cardstock: 4 1/4" x 11" (card base, scored and folded at 5 1/2")

Real Red Cardstock: 4" x 5 1/4" (mat for card front); 3 1/4" x 3 3/8" (mat for three DSP strips)

Basic White Cardstock: 3 7/8" x 5 1/8" (card front); 4" x 5 1/4" (inner liner)

Traditions of Christmas Specialty DSP: 3" x 3 1/4" (front panel); 2 1/4" x 6" (envelope flap)

Instructions for this Project:

1. Use a Paper Trimmer to cut the 3" x 3 1/4" piece of *Traditions of Christmas Specialty DSP* on the 3" side to make three 1" x 3 1/4" strips.
2. Use Liquid Glue to adhere the strips to the 3 3/8" x 3 1/4" piece of Real Red cardstock. Tip: it's easiest to adhere the top and bottom strips first - leaving a normal reveal - and then adhering the middle strip.
3. Set the completed panel onto the 3 7/8" x 5 1/8" piece of Basic White cardstock and use that as a guide to stamp a *Magic & Hope* sentiment in Secret Sea ink.
4. Stamp the pine bough from *Magic & Hope* over the top in stamped-off-once Pool Party ink. Note: in the video, I stamped the bough in full-strength Pool Party - and that looks good, too - so...either way will work!
5. Use Liquid Glue to adhere the Basic White panel to the 4" x 5 1/4" piece of Real Red cardstock.
6. Use Stampin' Dimensionals to adhere the DSP panel to the top of the card base.
7. Add three Cherry Cobbler *Traditional Sparkling Sequins*.
8. In the corner of the 4" x 5 1/4" piece of Basic White cardstock, stamp the *Magic & Hope* pine bough in full-strength Pool Party ink.
9. Add a Cherry Cobbler *Traditional Sparkling Sequin*.

10. Use Liquid Glue to adhere the panel to the inside of the Pool Party card base.
11. Use Stampin' Dimensionals to adhere the card front onto the front of the card base.
12. Stamp the *Magic & Hope* pine bough on the front of the Basic White Medium Envelope.
13. Add a thin line of Liquid Glue around the edges of the envelope flap.
14. Lay the 2 1/4" x 6" piece of *Traditions of Christmas Specialty DSP* on the flap and rub it lightly to ensure it's stuck down.
15. Use Paper Snips to trim off the excess paper.

16. DONE!
